

Maladie De Madelung Photo

Henri Carlioz

L'Inconnu du grand canal Donna Leon, 2014-10-01 Qui est ce cadavre défiguré qui flottait dans le canal ? Aucun élément d'identification possible – si ce n'est une chaussure –, pas de signalement de disparition dans la région de Venise. Le mystère semble bien épais pour le commissaire Brunetti. Mais, il en est sûr, la victime ne lui est pas inconnue. C'est l'irremplaçable Mlle Elettra qui l'aide à retrouver la mémoire : l'homme avait été filmé lors des manifestations des agriculteurs, à l'automne. La piste est fragile, mais elle permet au commissaire Brunetti et à l'inspecteur Vianello de remonter jusqu'à un abattoir situé sur le continent, à Mestre, où règnent le chantage et la corruption. Après s'être révolté contre les pratiques frauduleuses du milieu bancaire et indigné contre des actions irresponsables pour l'environnement, Brunetti se retrouve plongé dans les scandales de l'industrie de la viande et confronté à des questions éthiques, notamment sur le droit des animaux, qui l'ébranlent profondément. La ville que Brunetti aime tant ne sera désormais pour lui plus tout à fait la même... Cette profonde réflexion sur le crime et l'humanité caractérise le meilleur de l'oeuvre de Donna Leon. The Independent
