At the End of Everything Marieke Nijkamp, 2022-01-25 From the #1 New York Times bestselling author of *This Is Where It Ends* comes another heartbreaking, emotional and timely page-turner that will keep you on the edge of your seat. The Hope Juvenile Treatment Center is ironically named. No one has hope for the delinquent teenagers who have been exiled there; the world barely acknowledges that they exist. Then the guards at Hope start acting strange. And one day...they don't show up. But when the teens band together to make a break from the facility, they encounter soldiers outside the gates. There's a rapidly spreading infectious disease outside, and no one can leave their houses or travel without a permit. Which means that they're stuck at Hope. And this time, no one is watching out for them at all. As supplies quickly dwindle and a deadly plague tears through their ranks, the group has to decide whom among them they can trust and figure out how they can survive in a world that has never wanted them in the first place. Also by Marieke Nijkamp: *This Is Where It Ends* Even If We Break Before I Let Go Praise for Marieke Nijkamp: Immersive and captivating. Thrilling in every sense of the word.—Karen M. McManus, #1 New York Times bestselling author of *One of Us is Lying* on Even If We Break With exceptional handling of everything from mental illness to guilt and a riveting, magic realist narrative, this well wrought, haunting novel will stick with readers long after the final page.—Booklist on *Before I Let Go* *STARRED REVIEW* A compelling, brutal story of an unfortunately all-too familiar situation: a school shooting. Nijkamp portrays the events thoughtfully, recounting fifty-four intense minutes of bravery, love, and loss.—BookRiot on *This Is Where It Ends*

Small Great Things Jodi Picoult, 2024-04-23 NATIONAL AND INTERNATIONAL BESTSELLER #1 New York Times bestselling author Jodi Picoult presents a probing and empathetic story about a woman caught in a moral dilemma and a courtroom drama that resonates far beyond her place in time and history into present day. Ruth has worked as a nurse in the maternity ward for over twenty years, but when Turk and Brittany Bauer are admitted to have their first child, they request that Ruth be reassigned: they are white supremacists and don't want Ruth, a black woman, to touch their baby. The hospital complies, but the baby later goes into cardiac distress when Ruth is on duty. Uncertain of her standing with her employer, she hesitates before rushing in to perform CPR. When her indecision ends in tragedy, Ruth finds herself on trial, represented by a white public defender who doesn't think they should bring the issue of race into the courtroom. As the two come to develop a truer understanding of each other's lives, each of them begin to doubt the beliefs she holds most dear.
