Summary of Dr. Foster Cline & Jim Fay's Parenting with Love and Logic Everest Media, 2022-05-21T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The author recalls a story of two boys, five and seven years old, who declared war on each other in a supermarket. The mother had to abandon her half-filled cart to chase after them. The boys turned to Tactic B: the split up. The mother had to run in two directions to shout at them. #2 Parenting is a difficult, challenging process, and raising responsible, well-rounded kids is one of the greatest challenges we face as adults. #3 Parents should never have to live through the horror movies that teenagers put them through on a regular basis. Parenting with love and logic puts the fun back into parenting. #4 The gravity of the parenting task is clear: we must raise children who have their heads on straight and will have a good chance to make it in the big world. Every parent strives to attain this goal.

Parenting without the Power Struggles Foster Cline,Jim Fay,2014-02-27 Through the miracle of birth, parents are given a tiny, defenseless babe totally dependent on them for every physical need. They have a mere eighteen years at most to ready that suckling for a world that can be cruel and heartless. That child's success in the real world hinges in large part on the parents. Just thinking about raising responsible, well-rounded kids sends a sobering shiver of responsibility right up the old parental spine. But all is not so bleak. There's hope, shining beacon-bright, at the end of the tunnel of parental frustration. Parenting doesn't have to be drudgery. Children can grow to be thinking, responsible adults. This booklet, excerpted and adapted from the best-selling *Parenting with Love and Logic*, was designed to help parents and kids establish a rewarding relationship built on love and trust. What a deal! By parenting with Love and Logic, mothers and fathers can do away with the power struggles and put the fun back into parenting.
