Uncle John's Bathroom Reader Colossal Collection of Quotable Quotes Bathroom Readers' Institute,2012-06-01 You'll never be at a loss for words again with this inspired collection of quotes, from bona fide wits to bona fide dimwits. Bob Hope once said, I grew up with six brothers. That's how I learned to dance--waiting for the bathroom. No doubt, lots of people will be learning to tango and foxtrot while they wait for the rabid readers of Uncle John's Colossal Collection of Quotable Quotes to emerge from the privy. The Bathroom Readers' Institute searched high and low for the wittiest, wisest and stupidest things ever said, and collected these remarks in one remarkable volume. With more than 4,000 quotations from

1,600 speakers and writers--from bona fide wits like Oscar Wilde and David Letterman, to bona fide dimwits like Britney Spears (who infamously quipped, I go to lots of overseas places, like Canada.)--there's no other book of quotations quite like this one.

Women in Popular Culture Laura L. Finley, 2023-03-24 Including more than 300 alphabetically listed entries, this 2-volume set presents a timely and detailed overview of some of the most significant contributions women have made to American popular culture from the silent film era to the present day. The lives and accomplishments of women from various aspects of popular culture are examined, including women from film, television, music, fashion, and literature. In addition to profiles, the encyclopedia also includes chapters that provide a historical review of gender, domesticity, marriage, work, and inclusivity in popular culture as well as a chronology of key achievements. This reference work is an ideal introduction to the roles women have played, both in the spotlight and behind it, throughout the history of popular culture in America. From the stars of Hollywood's Golden Age to the chart toppers of the 2020s, author Laura L. Finley documents how attitudes towards these icons have evolved and how their influence has shifted throughout time. The entries and essays also address such timely topics as feminism, the #MeToo movement, and the gender pay gap.

A Friend in the Music Business Bruce Pollock, 2014-01-01 (Book). On February 13, 1914, a group of the nation's most distinguished and popular songwriters gathered together in New York City to support the mission of ASCAP, a new organization for publishers and songwriters. A few years later, ASCAP received its mandate from the Supreme Court to collect royalties for the public performance of copyrighted material. Over the course the next century, ASCAP has been as prominent a force for the advancement and nurture and financial well-being of songwriters as any record label or publishing outfit one would care to name. With a responsive board of directors made up entirely of songwriter/composer and publisher members, ASCAP has defended creators' rights at every turn against those who would seek to devalue music. Today, with copyright under renewed assault, its mission is as resonant and vital as ever, along with its relatively new role as a nurturer of the young artists who represent the future of music. Award-winning music writer Bruce Pollock explores the growth and changes within this complex society and its relationship to emerging technologies, in the context of 100 years of an ever-evolving music business, to see how ASCAP has become, for those who hope to make a living making music, now more than ever, a friend in the music business.

Berkmann's Pop Miscellany Marcus Berkmann, 2021-06-03 Marcus Berkmann was for many years the pop critic of the Spectator, waiting like most freelancers to get fired. He's also the author of the bestselling Berkmann's Cricket Miscellany, concentrating on the ridiculous true stories and the weird characters of that most eccentric of sports. Here he combines the two, in a wildly entertaining ride through the galloping absurdities of pop, from Elvis Presley's real hair colour, through Janet Jackson's more intimate piercings, to Courtney Love's hatred of cheese. Why does Bono always wear sunglasses? Did Ozzy Osbourne really urinate on the Alamo? What actually happened at Keith Moon's 21st birthday party at the Holiday Inn in Flint, Michigan? There's sex, there's drugs, there's violence, there's even a little rock 'n' roll from time to time. But mainly there are vital questions, now finally answered. Which notable guitarist has unfeasibly tiny hands? Which Britpop star was forced to wear lederhosen as a child? Who said, 'The majority of pop stars are complete idiots in every respect'? And was she wrong?

Tabloid Valley Paula E. Morton, 2009 Paula Morton's rakish history goes behind the scenes to examine every facet of modern yellow journalism: what headlines sell and why, how the journalists gather the news, the recent and ongoing downturn in circulation, and, most important, what tabloid news says about American culture.--Inside back jacket.
