Packed full of festive pop-culture quizzes, Christmas trivia to fascinate and holly jolly games to play - as well as colouring and dot-to-dot pages to distract, and cracking cracker jokes to make you chuckle (and groan). The perfect Christmas companion for work Christmas parties, entertaining friends and family, entertaining kids (including kids), when you're too full to move, there's nothing on the TV, it's too wet for a walk and the pub isn't open yet. A book everyone will love, actually...

The Right Answer John K. Delaney,2018-05-29 The first declared candidate for president in 2020 delivers a passionate call for bipartisan action, entrepreneurial innovation, and a renewed commitment to the American idea The son of a union electrician and grandson of an immigrant, John K. Delaney grew up believing that anything was possible in America. Before he was fifty, he founded, built and then sold two companies worth billions of dollars. Driven by a deep desire to serve, in 2012 he stepped away from his businesses, ran for Congress, and won. Now he has a new mission: unifying our terribly divided nation and guiding it to a brighter future. As a boy, Delaney learned the importance of working hard, telling the truth and embracing compromise. As an entrepreneur, he succeeded because he understood the need to ensure opportunity for all, focus on the future, and think creatively about problem-solving. In these pages, he illustrates the potency of these principles with vivid stories from his childhood, his career in business, his family, and his new life as a politician. He also writes candidly about the often frustrating experience of working on Capitol Hill, where many of his colleagues care more about scoring political points than improving the lives of their fellow Americans. With a clear eye and an open heart, he explains that only by seeing both sides of an argument and releasing our inner entrepreneur can we get back to constructive, enlightened governing. Seventy years ago, John F. Kennedy appealed to our best instincts when he said, "Let us not seek the Republican answer or the Democratic answer but the right answer." In this inspiring book, John K. Delaney asks all of us to cast aside destructive, partisan thinking and join him in an urgent endeavor: working together to forge a new era of American greatness.

A Circle of Firelight Curtis Edmonds,2021-11-20 What results is a charming tale that allows every reader to smile knowingly. A sturdy, well-crafted, and vibrant fantasy. - Kirkus The execution is for the most part charming and clever, with lively dialogue, easy pacing, and fleshed-out protagonists... Edmonds's novel evokes the magic of portal fantasies while

grounding it with emotionally resonant relationships. -- Booklife On the battlefield of dreams, the strongest weapons are imagination--and love. Ashlyn Revere is a bright, determined and resourceful college graduate trying to get a job in publishing. When Ashlyn and her sister Penny are left comatose after an automobile accident, they find themselves in Summervale, a beautiful and perilous realm straight from the pages of fantasy novels--which is ruled by a mysterious Dark Lord. When Ashlyn discovers that Penny is being held captive, she enlists the help of a talking black rabbit and a scarlet knight to save her sister. She learns that Penny is deep within her own fantasy of Regency romance--and that she sees being in a coma as a way to escape from her daily struggles with cystic fibrosis. Ashlyn tries to rescue her anyway, but a fire-breathing dragon and a real-world seizure complicate her plans. As Penny recovers from her injuries and leaves Summervale, Ashlyn is rescued by a servant of the Dark Lord who promises to show her just how precarious her own medical situation is. In the real world, Ashlyn's medical condition has worsened, forcing her doctors to consider risky surgery. Ashlyn rejects an offer from the Dark Lord to remain in Summervale forever, and chooses to raise an army of knights to fight for her freedom and independence. Penny must face a choice of her own. As Ashlyn hovers between life and death, Penny learns that Ashlyn would be a good match to provide the donor set of lungs that Penny needs to free her from the constraints of cystic fibrosis. As doctors battle to save Ashlyn's life, she leads her forces against the Dark Lord in a desperate conflict in the streets of an imaginary Manhattan--while Penny must find the answer to her own destiny in a dying circle of firelight. Can the sisters rescue themselves--and each other? A CIRCLE OF FIRELIGHT blends postmodern fantasy and real-world emotional conflict in a daring tale that will delight adult and young adult readers alike.
