Belle Fox-Martin

Ready or Not Cara Bastone, 2024-02-13 A surprise pregnancy leads to even more life-changing revelations in this “absolutely buoyant read” (Elle). “Bastone delivers on this truly heartwarming, funny, and real story. Come for the dog bar, stay for the special, slow-burn romcom.”—Abby Jimenez, New York Times bestselling author A BEST BOOK OF THE YEAR: The Washington Post, NPR, Elle Eve Hatch lives for surprises! Just kidding. She expects every tomorrow to be pretty much the same as today. She loves her cozy apartment in Brooklyn that’s close to her childhood best friend Willa, and far from her midwestern, traditional family who has never really understood her. While her job is only dream-adjacent, it’s comfortable and steady. She always knows what to expect from her life . . . until she finds herself expecting after an uncharacteristic one-night stand. The unplanned pregnancy cracks open all the relationships in her life. Eve’s loyal friendship with Willa is feeling tense, right when she needs her the most. And it’s actually Willa’s steadfast older brother, Shep, who steps up to help Eve. He has always been friendly, but now he’s checking in, ordering her surprise lunches, listening to all her complaints, and is . . . suddenly kinda hot? Then, as if she needs one more complication, there’s the baby’s father, who is (technically) supportive but (majorly) conflicted. Up until this point, Eve’s been content to coast through life. Now, though—maybe it’s the hormones, maybe it’s the way Shep’s shoulders look in a T-shirt—Eve starts to wonder if she has been secretly desiring more from every aspect of her life. Over the course of nine months, as Eve struggles to figure out the next right step in her expanding reality, she begins to realize that family and love, in all forms, can sneak up on you when you least expect it.

Promise Me Sunshine Cara Bastone, 2025-03-04 How do you find yourself after you lose the one you loved the most? NATIONAL BESTSELLER • Grieving the loss of her best friend, a young woman's life is turned upside down when she meets a grumpy stranger who swears he can help her live again, in this heartwarming, slow-burn romance by the author of *Ready or Not*. Lenny's a bit of a mess at the moment. Ever since cancer stole away her best friend, she has been completely lost. She's avoiding her concerned parents, the apartment she shared with her best friend, and the ever-laminated "live again" list of things she's promised to do to survive her grief. But maybe if she acts like she has it all together, no one will notice she's falling apart. The only gigs she can handle right now are temporary babysitting jobs, and she just landed a great one, helping overworked, single mom Reese and her precocious daughter, Ainsley. The only catch: Ainsley's uncle, Miles, always seems to be around, and is kind of. . . a walking version of the grumpy cat meme. Worse - he seems to be able to see right through her. Surprisingly, Miles knows a lot about grief and he offers Lenny a proposition. He'll help her complete everything on her "live

again” list if she’ll help him connect with Ainsley and overcome his complicated relationship with Reese. Lenny doubts anything can fill the void her best friend has left behind, but between late night ferry rides, midnight ramen, and a well-placed shoulder whenever she needs it, Miles just won’t stop showing up for her. Turns out, sometimes your life has to end to find your new beginning.

No Matter What Cara Bastone, 2026-03-03 Sometimes love sends you back to the drawing board After a traumatic accident threatens the foundations of their happy marriage, a couple tries to rebuild and find their way back to each other - and themselves - in this tender, slow-burn romance by the bestselling author of Ready or Not and Promise Me Sunshine. Roz and Vin can’t look each other in the eyes anymore, let alone share a bed. It’s been a year since they survived a life-altering accident and their marriage hasn’t been the same. But Roz has held out hope they can fix things...until she discovers Vin signed a new lease. So she does what any soon-to-be-divorced Manhattanite would do: sign up for figure drawing class. Between Roz’s determined attempts to improve her artistic skills and her adventures with her best friend Raffi, she can almost ignore Vin’s impending move-out date and his footsteps in their previously unoccupied guest room. But it would all be a lot easier if Vin wasn’t Raffi’s older brother, and if she didn’t still find him incredibly, debilitatingly attractive and kind. So kind, in fact, that Vin offers to let Roz draw him. What is she supposed to say? It’s probably better than her original plan of finding some random male model online, and she needs all the practice she can get. Plus, that’s sure to make a separation easier, right? Focus on every detail of your estranged spouse’s body while drawing them in the nude? But after the year

they've spent avoiding each other, it feels good to see and be seen by one another again. As Roz works to capture the wholeness of the person she fell in love with, will they both be able to draw upon the feelings they buried deep inside to finally heal together?

Make Reinvention Your Superpower Glenn Llopis, 2025-04-09 What got you to where you are today won't prepare you for the changes of tomorrow. Almost without exception, no matter what job you have, what role you serve, what expertise you've developed, what standing you've built within your sphere of influence—there's something in the works that could make it all seem obsolete in a flash. At least, that's how it feels. But just because a particular expertise, job, or skill might not be in demand in a few years doesn't have to mean you, as a person, are not in demand. There are many threats, but it's not the threats themselves that make us vulnerable—it's our inability to respond, be nimble, demonstrate resilience, and reinvent. Most people are not prepared to direct their own reinvention. They've been navigating their careers based on the particular rules of each specific job, rather than on what matters to them. They've stepped into the sand and adapted their ways to the corporate ways. They've forgotten how to have new ideas after being trained that success depends on how well they execute old ideas. They're stuck in career quicksand. This book is for those of you who feel stuck and don't know how to get out of the quicksand, who are worried about an uncertain future, or are young and eager and want to avoid this quicksand from the start. Reinvention is a continuous cycle of discovery plus action: Learn. Unlearn. Relearn. Repeat. In this book, Glenn Llopis shares six skills to navigate your self-directed journey of reinvention. He combines research-based insights with practical tools to help you apply this wisdom to your work and to your life immediately, in your own way. With Glenn's help, you will deconstruct what you've become—how you've adapted yourself in order to achieve in the world as it was. You will learn how to reconstruct who you are—in order to be ready to thrive in a future that's still unclear. You will make reinvention your superpower.

Call Me Maybe Cara Bastone, 2025-11-06 'Cara Bastone is one of the most talented writers in the romance genre today. With her signature blend of heart, humor, and honesty, Cara's books remind you that the best stories begin and end with hope' Lyssa Kay Adams The audio bestseller, available for the first time in print! True love is on the line in Cara Bastone's charming, laugh-out-loud rom-com, perfect for fans of Netflix's Love is Blind, Jo Watson, Lauren Layne and Hannah Orenstein! 'The thing I love most about Cara Bastone's books is her ability to find the romance in ordinary lives, the swoon in simple places...just normal folks falling in love. I ADORE it' 5* reader review Paint your toes. Pick up the wrong coffee and bagel order. Drive from Brooklyn to Jersey in traffic so slow you want to tear your hair out. It's amazing all the useless things I can accomplish while on hold for three hours with customer service. Three hours when I should be getting the Date-in-a-Box website ready to launch at the big business expo in a few days. Except my shiny new website is glitching, and my inner rage-monster is ready to scorch some earth...when he finally picks up. Not the robot voice I expected but a real live human named

Cal. He's surprisingly helpful and really knows his stuff, even if he's a little awkward...in an adorable way. And suddenly I'm flirting with him? And I think he's flirting back. And suddenly it's been hours, and we're still on the phone talking and ordering each other takeout while he troubleshoots my website. And suddenly we're exchanging numbers and sending texts and DMs every day, leaving voice mails (who even does that anymore?!). And suddenly I'm wondering if it's possible for two people to fall in love at first talk. Because I'm falling...hard. Readers are loving Call Me Maybe! 'An adorable and thoroughly enjoyable read...I didn't want it to end' 'This is a short, sweet romance that I really enjoyed. Both Cal and Vera were great characters and I loved how this book starts with their conversation which was so much fun to read!...I was rooting for them so much' 'I love the concept of this book ...I felt it captured it perfectly in ebook form. I've never read anything like it and for that I loved it!' 'A short fun read. I loved both of the main characters...Looking forward to reading more from this author'

Can't Help Falling Cara Bastone,2020-08-25 The more you resist, the deeper you'll fall Serafine St. Romain doesn't need her psychic powers to know she's no longer in Tyler Leshuski's good graces. True, she did tear him to pieces when he asked her out, accusing him of being shallow and selfish. Despite the energy crackling between them, the gorgeous sports writer is a no-strings, no-kids kind of guy. And Serafine, raised in the foster system, intends to be a foster parent herself. She won't compromise that dream, even for a man as annoyingly appealing as Tyler. In a simpler world, Tyler would already have gotten Serafine out of his system. For him, women equal fun. Not this kind of bone-deep, disconcerting desire. Life gets even more complicated when he becomes the guardian of his much younger sister. Suddenly, he's way out of his depth. Serafine's the only person who can connect with Kylie. He can't jeopardize that for a fling. But maybe...just maybe...he's finally ready to risk everything on forever.
