Sociología jurídica e infancia Laura Lora,2023-03-01 Los capítulos de este libro trazan panoramas de la sociología jurídica con la finalidad de mantener actualizado el conocimiento respecto de las relaciones sociales que están en continua transformación. Se considera a la sociología jurídica como la disciplina que estudia al derecho desde el punto de vista de la acción social, y a esta como una acción comunicativa -en este sentido se une tanto lo macro como lo microsociológico del derecho-. La atención se corre del objeto en sí a sus particulares manifestaciones. Asimismo, el libro aborda temas especializados sobre sociología jurídica tales como son el acceso a la justicia y el género en relación con la infancia, que han sido estudiados a partir de las experiencias y prácticas de profesionales especializados en lo jurídico, lo político, lo sociológico y el psicoanálisis. Incluye trabajos elaborados por los integrantes del Proyecto Ubacyt titulado “Los conflictos socio-jurídicos en torno a la infancia”, junto a estudios y perspectivas psicoanalíticas de estos temas. Cuenta también con textos de Vincenzo Ferrari, un relevante académico italiano, cuya trayectoria internacional de investigación y de docencia en el campo de las ciencias sociales -especialmente la filosofía y la sociología jurídica-, además de sus vínculos académicos con la comunidad de la Facultad de Derecho de la Universidad de Buenos Aires, fueron reconocidos mediante la distinción del título de doctor honoris causa.
