

Socrates Sayings About Life

Familiar short sayings

Socrates Socrates, Gordon Jacobs, 2017-03-25 Most people, including ourselves, live in a world of relative ignorance. We are even comfortable with that ignorance, because it is all we know. When we first start facing truth, the process may be frightening, and many people run back to their old lives. But if you continue to seek truth, you will eventually be able to handle it better. In fact, you want more! It's true that many people around you now may think you are weird or even a danger to society, but you don't care. Once you've tasted the truth, you won't ever want to go back to being ignorant.

Socrates Words of Wisdom Sreechinth C, The most exemplary and strangest of the Greek philosophers, Socrates is viewed as the founding figure of Western philosophy. Even today his beliefs in the quest for truth are considered great by his admirers. Socrates became famous through his contribution to the field of ethics and moral philosophy. Here we have made an effort to compile his vast thoughts and give you an extraordinary reading experience. This book throws light towards Socrates' sayings about life, relationship and many more. It is through the works of his ardent disciple, Plato, the world has acquired information about Socratic and his ideology. Socrates is noted for his contributions to Epistemology. Here we have the impeccable collections of words from this greatest luminary who paved the stones of western philosophy...

The Dicts and Sayings of the Philosophers John William Sutton, 2006-11-01 At the forefront of the medieval wisdom tradition was *The Dicts and Sayings of the Philosophers*, a long prose text that purports to be a compendium of lore collected from biblical, classical, and legendary philosophers and sages. *Dicts and Sayings* was a well-known work that traveled across many lands and was translated into many languages. It became popular in England in the fifteenth century, and cemented its place in English literary history on 18 November 1477, when William Caxton printed an edition of *Dicts and Sayings* that was perhaps the first book ever printed in England. *Dicts and Sayings* is presented as a series of truisms handed down from a wise speaker to a receptive audience. The text introduces its audience to a long series of eminent wise men, with each philosopher's words of wisdom being preceded by a biographical story that ranges from a few words to several manuscript pages.
