My America Karen Katz,2021-06-01 From author and illustrator Karen Katz, My America is a picture book celebration of immigration to the United States told through the experiences of children who have come from around the world. Children come to live in America from many different countries, and for many different reasons . . . In this beautiful celebration of immigration, children from around the world tell their stories, sharing their love of where they're from and where they live now—homes old and new. As they describe the foods they eat, the languages they've learned, the sports they play, and more, the differences and similarities that link us all are revealed.

I Like Myself Toni Sturdivant,2023-05-16 Support young Black children in developing a positive racial identity. It is critical that young children begin to form a positive sense of their own identity. I Like Myself uses the latest research into positive identity formation to provide practical solutions for educators. It links together lesson planning insights, academic activities, and children's book recommendations that are designed to facilitate positive racial identity in Black children, covering topics including hair texture, skin tone, language, self-esteem, and media representation. Supplementing and complementing any curriculum, this critical resource provides information across social-emotional, academic, and fine arts domains that stay faithful to curricular goals while specifically targeting the racial identity needs of Black preschoolers. Targeting the Black identity specifically, the lessons are designed to be engaging, meaningful and effective for all students, so each child feels valued and accepted while also gaining the knowledge and skills that they need to be successful. Featuring recommendations for over 150 children's books to support positive identity formation in Black children and 70+ activities and ideas to pair with children's book read-alouds.

Talking, Drawing, Writing Martha Horn,Mary Giacobbe,2023-10-10 In the early grades, talking and drawing can provide children with a natural pathway to writing, yet these components are often overlooked. In Talking, Drawing, Writing: Lessons for Our Youngest Writers , authors Martha Horn and Mary Ellen Giacobbe invite readers to join them in classrooms where they listen, watch, and talk with children, then use what they learn to create lessons designed to meet children where they are and lead them into the world of writing. The authors make a case for a broader definition of writing, advocating for

formal storytelling sessions, in which children tell about what they know, and for focused sketching sessions so that budding writers learn how to observe more carefully. The book's lessons are organized by topic and include oral storytelling, drawing, writing words, assessment, introducing booklets, and moving writers forward. Based on the authors' work in urban kindergarten and first-grade classes, the essence and structure of many of the lessons lend themselves to adaptation through fifth grade. The lessons follow a consistent format: What's going on in the classroom? What do children need to learn next? Materials needed to teach the lesson Language used in each lesson Reasons behind why certain books are chosen and suggestions for additional children's books The authors show the thinking behind their teaching decisions and provide a way to look at and assess children's writing, giving us much more than a book of lessons; they present a vision of what beginning writing can look and sound like. Perhaps most powerfully, they give us examples of the language they use with children that reveal a genuine respect for and trust in children as learners.

Layers of Learning JoEllen McCarthy, 2023-10-10 What could happen if we viewed every read aloud as an invitation to learn more about literacy and ourselves? In *Layers of Learning: Using Read Alouds to Connect Literacy and Caring Conversations*, author JoEllen McCarthy explores read aloud strategies designed to enhance your reading and writing standards by capitalizing on the way literature can impact caring communities. *Layers of Learning* is structured around four key elements: Community, Agency, Respect, and Empowerment, or CARE. The book provides tools necessary to emphasize reading and writing connections, character education, and culturally responsive teaching, all while championing the power of read alouds. Inside you'll find: Over 200 picture book suggestions introducing the Heartprint Framework, which demonstrates how you can layer literacy with life lessons 60 read aloud based connections that support caring classroom conversations, lesson planning, and extensions Instructional opportunities for nurturing readers and writers during workshop time, small-group gatherings, or individual conferring sessions Literacy Snapshot photo essays with ideas on how to adopt or adapt Continuing connections with additional resources and invitations for further learning *Layers of Learning* pulls together the ideas that the books we share not only serve an academic purpose, but also convey big, affective messages. This can lead to richer and more meaningful classroom conversations.

Anxious to Talk About It Second Edition Carolyn B. Helsel, 2021-05-18 Get better about having the hard conversations about racism. In a new season of civil unrest and activism around racism, some white people are still anxious to talk about it. In this updated version of her popular 2018 release, anti-racism teacher Carolyn Helsel offers 30% new content to contextualize the conversation for this new season of the racial justice movement. This new edition includes an updated introduction, fresh stories reflecting current events, new research, and tips for parents and teachers. *Anxious to Talk about It* helps whites engage their feelings of anxiety, shame, and guilt, and work through them so that they can join conversations with more courage and confidence. Reflection questions close each chapter.

Rethinking Multicultural Education Wayne Au, 2009 Moving beyond a simplistic focus on heroes and holidays, foods and festivals, *Rethinking Multicultural Education* demonstrates a powerful vision of anti-racist social justice education. Practical, rich in story, and analytically sharp, *Rethinking Multicultural Education* reclaims multicultural education as part of a larger struggle for justice and against racism, colonization, and cultural oppression-in schools and society. The book features 40 chapters, split into 4 sections: Anti-Racist Orientations; Language, Culture, and Power; Transnational Identities; Multicultural Classrooms; and Confronting Racism in the Classroom. Winner of the 2010 Skipping Stones Honor Award.

Give Your Child the World Jamie C. Martin, 2016-06-07 Young children live with awe and wonder as their daily companions. But as they grow, worries often crowd out wonder. Knowing this, how can parents strengthen their kids' love for the world so it sticks around for the long haul? Thankfully, parents have at their fingertips a miracle vaccine--one that can boost their kids' immunity to the world's distractions. Well-chosen stories connect us with others, even those on the other side of the globe. Build your kids' lives on a story-solid foundation and you'll give them armor to shield themselves from the world's cynicism. You'll give them confidence to persevere in the face of life's conflicts. You'll give them a reservoir of compassion that spills over into a lifetime of love in action. *Give Your Child the World* features inspiring stories, practical suggestions, and carefully curated reading lists of the best children's literature for each area of the globe. Reading lists are organized by region, country, and age range (ages 4-12). Each listing includes a brief description of the book, its themes, and any content of which parents should be aware. Parents can introduce their children to the world from the comfort of home by simply opening a book together. *Give Your Child the World* is poised to become a bestselling family reading treasury that promotes literacy, develops a global perspective, and strengthens family bonds while increasing faith and compassion.

Handbook of Research on Teaching Diverse Youth Literature to Pre-Service Professionals Hartsfield, Danielle E., 2021-06-25 Perspectives and identity are typically reinforced at a young age, giving teachers the responsibility of selecting reading material that could potentially change how the child sees the world. This is the importance of sharing diverse literature with today's children and young adults, which introduces them to texts that deal with religion, gender identities, racial identities, socioeconomic conditions, etc. Teachers and librarians play significant roles in placing diverse books in the hands of young readers. However, to achieve the goal of increasing young people's access to diverse books, educators and librarians must receive quality instruction on this topic within their university preparation programs. *The Handbook of Research on Teaching Diverse Youth Literature to Pre-Service Professionals* is a comprehensive reference source that curates promising practices that teachers and librarians are currently applying to prepare aspiring teachers and librarians for sharing and teaching diverse youth literature. Given the importance of sharing diverse books with today's young people, university educators must be aware of engaging and effective methods for teaching diverse literature to pre-service teachers and librarians. Covering topics such as syllabus development, diversity, social justice, and activity planning, this text is

essential for university-level teacher educators, library educators who prepare pre-service teachers and librarians, university educators, faculty, adjunct instructors, researchers, and students.

A Blueprint for the Promotion of Pro-Social Behavior in Early Childhood Elda Chesebrough, Patricia King, Martin Bloom, Thomas P. Gullotta, 2004-06-24 It is clear that violence by youth is not to be found only on city streets, in city schools and among city youth but anywhere and everywhere wrathful, disenfranchised young people reside. In this volume, the editors share their insights on the latest research for how families can promote optimal development in children from birth to age six, so they can grow into healthy, happy and competent young adults. Topics include social-emotional learning; neighborhood and community influences; the role of teachers and other caregivers; and more. The volume includes the actual Bingham Childhood Prosocial Curriculum, so that it can be implemented at any center. A Blueprint for the Promotion of Pro-Social Behavior in Early Childhood will be a helpful resource for clinical child psychologists, school psychologists, early childhood educators, as well as for upper-level students of these areas.

The City Parent Handbook Kathy Bishop, Julia Whitehead, 2004-08-25 For adults, the frenetic pace, constant movement, and variety of cultural, social, and retail offerings of life in a big city can be as exhilarating as a day at Disneyland. But, for an unprepared parent, those very same attributes can make raising small children in the city as jarring as a ride on Magic Mountain. Fortunately, family life in an urban setting can be a stimulating and enriching experience, just as long as parents are armed with the information they need to navigate the unique waters of city life and kids. THE CITY PARENT HANDBOOK: The Complete Guide to the Ups and Downs and Ins and Outs of Raising Young Kids in the City (A Rodale Trade Paperback Original; Publication Date: September 1, 2004; Price: \$17.95) by Kathy Bishop and Julia Whitehead is a practical advice book, reference guide, and survival manual all rolled into one. Written with insight and humor by two New York City mothers, it provides invaluable information from a slew of experts across the country as well as insider tips that can come only from those who have been there. Geared to people just considering raising kids in a city as well as to parents who

already shiver with night sweats over how to get in to that great city school or whether they will be evicted because their tots are being, well tots, it provides the city spin on a plethora of child-rearing topics. Starting with finding the right neighborhood for raising little ones, authors Bishop and Whitehead walk readers through virtually every imaginable aspect of child rearing in urban areas. Part One deals with the all-important basics: the fundamentals of family apartment living; staying sane in small spaces; handling those urban health hazards and safety issues; and the nuances of city childcare. Part Two takes the reader out and about, providing a primer on playgrounds; ways to help kids connect with nature and fitness when open spaces are in short supply (of course, it includes a list of the best city pets); tactics on getting around with kids in tow-from strollers to breastfeeding-on-the-go; ideas for making the most of city culture and all things entertainment, including museums, performing arts, theatre, ethnic celebrations and dining out. And it deals with the psychosocial impacts a city can have on even the youngest children, giving advice on how to turn the potential negatives of city exposure - jadedness, rudeness, intolerance - into the character-forming experiences you always hoped to offer your child. Part three focuses on education, providing ground rules valuable to any parent dealing with the urban education conundrum, a solid digest of the basics of private and public city systems and actions the smart city parent should take to obtain a great education for their child. Throughout THE CITY PARENT HANDBOOK are helpful City Savvy Tips, City Parent Rules, Urban A-Lists, and City Wise Warnings, which deliver constructive, real-life suggestions and information including: "The four rules for choosing the best city neighborhood for your family" "Ten must-haves for making the most of storage in cramped quarters" "How and why you must talk the ER talk with your pediatrician" "Why urban lead is more of a problem than you may have thought, and the easy steps you can take to protect your child against poisoning" "Three critical rules for negotiating traffic with children, and the stupid but common traffic moves that need to be avoided at all costs" "Potentially lifesaving lessons to teach children and caregivers about fire safety" "Why city caregiving is different and what you need to know to make it work (questions you should ask during interviews, how to work with a nanny who doesn't speak your language, where to find the best caregiving for your family and how to make sure everyone flourishes)." "What private school admissions directors look for when deciding whether to admit your child and the common mistakes parents make that eliminate their child from consideration" Once equipped with the salient facts and information, city parents will be prepared for the challenges inherent in urban life and able to take full advantage of all that cities have to offer their children. THE CITY PARENT HANDBOOK is required reading for urban moms and dads who want to rear happy, healthy and well-adjusted kids without moving to the suburbs.

An Annotated Bibliography of Multi-cultural Literature and Related Activities for Children Three to Ten Years Guda Gayle-Evans, 2004 This annotated bibliography has extensive multi-cultural topics which include clothing, travel, intergenerational relationships, food, celebrations, folktales and moral issues such as good over evil.

Wild about Literacy Between The Lions,2010 The more than 150 activities in Wild About Literacy feature theme connections, vocabulary, materials and preparation, and extension ideas. Each chapter focuses on one component of literacy so teachers can use a targeted approach to help children learn essential literacy skills. The activities are easy and fun, and they are appropriate for small groups or for children who need one-on-one attention.
