**Giovanni Diodati**

*Disciples of Bone and Shadow* Alex T, 2019-09-23 Disciples of bone & shadow takes place in the world of Uzrun, a tidally locked planet where survival is possible only in the region known as the Fractured Dominion. It is in this harsh world where the player characters will try to survive in the shadow of the perennial Fortresses, in a land where only the strongest survive, and those seeking the power found in sorcery will only find corruption and madness instead. Disciples of bone & shadow is a one player, pen & paper role-playing game. With its sophisticated, free-form character creation system you will be able to create new characters and start delving into ruins, caves, and exploring the wilderness of the Twilight in a matter of minutes. With the help of the tables and systems found in the rule-book you will be able to generate a fresh, new world on the fly, with no previous preparation required.

Between life and death lies a chasm of pain beyond imagining. . . . Elysia may be a heavenly off-world destination, but beyond it, in the siren city of Fiallan, the Circe have punished Charlie Madigan's partner, Hank, into a torturous state between life and death. With all the proper legal channels cleared, Charlie heads to Elysia, not knowing what she'll find, or if she'll ever see the siren again . . . while at home, jinn crime boss Grigori Tennin has begun an all-out hunt for the divine being Ahkneri. Tennin's tactics set off a chain reaction that puts Charlie in the crosshairs of the shadowy creature known as Death, and stirs Ahkneri from her long sleep—and if Vengeance awakes, Atlanta will never be the same.

*Disciple's Diary* Cinthia W. Pratt,2012-08-31 Disciples Diary is the second book in Cindees series written for women journeying to become all that God has created them to be. This edition is a collection of poems, devotional teachings, and reflective narrative, intended to encourage and to provoke thought in those disciplined daughters; who may discover that they are now traveling across terrain much like the territories that the heroine in the story crosses. Her Valley of Shadows may be found sitting at the bedside of a terminally ill loved one. Her Wide Wilderness of Want may appear in the form of a bankruptcy or through the loss of a business or a home. Divorce-court proceedings may compose the walls of the dark pit of loneliness, in which the disciple daughter now sits trapped as she watches the fogs of confusion and doubt begin to roll in overhead. A rebellious child, an unfaithful spouse, and seemingly countless unanswered prayers may all contribute to the tangled briars and twisted branches of the wilderness thicket that blocks the suns warmth and light from the path on which the present-day sojourner now travels. Such is the terrain that might be traced on the map of a modern-day disciple daughter. *Fearfully Female and Wonderfully Woman: Becoming All That God Created* is the first book in Cindee's series and is designed to be a navigational guide for Christian women of all ages and backgrounds. While *Disciples Diary* is designed as a devotional collection; this book is more informational in format. Topics addressed in this study include body image, self-esteem, developing healthy friendships, growing old in a youth oriented culture, developing our spiritual gifts, and finding our place of ministry. *Fearfully Female and Wonderfully Woman* would be a valuable reference tool as well as a guide for individual or small group study.
