The Girl in the Lake Kate Hall, 2019-09-17

The Girl in the Lake India Hill Brown, 2022 Celeste knows she should be excited to spend two weeks at her grandparents' lake house with her brother, Owen, and their cousins Capri and Daisy, but she's not. Bugs, bad cell reception, and the dark waters of the lake ... no thanks. On top of that, she just failed her swim test and hates being in the water--it's terrifying. But her grandparents are strong believers in their family knowing how to swim, especially having grown up during a time of segregation at public pools. And soon strange things start happening--the sound of footsteps overhead late at night. A flickering light in the attic window. And Celeste's cousins start accusing her of pranking them when she's been nowhere near them! Things at the old house only get spookier until one evening when Celeste looks in the steamy mirror after a shower and sees her face, but twisted, different ... Who is the girl in the mirror? And what does she want?--

The Girl in the Lake Lauren Oliver, 2026-05-05 A young girl who claims to remember a past life draws a psychologist into a decades-old mystery in a haunting novel of suspense by New York Times bestselling author Lauren Oliver. Kate Willis, consultant for the Division of Perceptual Studies at the University of Virginia, is tasked with interviewing six-year-old Henley Haskell about the girl's alleged past-life recollections. The evaluation also marks a return for Kate to Stockbridge, Massachusetts, and to troubling recollections of her own. Here, twenty-four years ago, Kate's friend Becca McGuire vanished from her bunk at a now-shuttered summer camp and was never seen again--presumably drowned in Lake Sauquamet. But the mystery of her disappearance is only deepening. Because Henley's memories of her other life are ones that could only belong to Becca. For Kate, Henley's recurring, suffocating nightmares, and her disturbing illustrations of places she has never been, seem to spell out the unbelievable. Somewhere, somehow, the truth about what really happened to Becca is locked inside this little girl. As Henley's uncanny memories surface, so do old secrets--each one drawing Kate inexorably back to that terrible long-ago summer by the lake.
