*Sleeping Luna and the Lycan King* Solange Daye, 2025-06-14 What if Sleeping Beauty woke up in the claws of the Beast?

\*\*\* I promise not to touch you until you are begging for it, Leonidas whispers into my ear. Despite the odd feeling growing between my legs, I scoff loudly. What makes you think I would allow you to touch me? Just a hunch, he smiles. His fingers are working nimbly against the fastenings of my gown. Within what feels like seconds, he has stripped me of the gown, and I am left in nothing but the corset and thin undergarments. He takes a step back to admire his handy work, and a mischievous grin crosses his lips. That corset looks uncomfortable, he says. I grind my teeth together, knowing that if I let him remove it, I will be exposed. It is. Do you trust me? He winks in my direction. No, I admit. That's a shame, he replies. He stares at me with a darkened gaze before he scoops me into his arms and lays me properly on the bed. Goodnight, Princess, he whispers as he tucks me into bed. How many women have you helped out of their dresses, the words fly out of my mouth before I can stop them. And much to my surprise, I sound jealous. Now, why would you want to know that? He smirks. I don't know, I reply. I just do. Leonidas comes back to the edge of the bed. More than you could possibly imagine. \*\*\* Taken from her family and her realm at just a few days old, Alora has spent her whole life hearing about the evil Lycan King who will hunt for her when she turns eighteen. She is a Fae Princess, in a strange realm full of monsters. Each one is more fierce than the last, but the worst ones hide behind false kindness. **Mistake With The Alpha** Xterian,2025-01-04 Let's sleep more, he grumbled. I looked at him. No, we have to stand up. It's already dawn I said to him. Now he is awake looking at me. He's such a beauty to behold. Morning beauty he said to me. I smiled at him and touched his cheek. Morning Alpha. No alpha. I'm so tired of hearing that name from you. Call my name he said softly. I shook my head. I couldn't even bring myself to call his name despite the intimacy we shared yesterday. If you shake your head again, I'll make you shake your legs he whispered. Is that a threat? I asked, laughing. Yes he kissed my earlobe and I moaned. \*\*\*\*\* Samantha had never thought in her life that she was going to make a costly mistake that would change her destiny forever. I have to say that he's a sexy ass man. He's easily 6'5 and that isn't a common height for a human male. He has beautiful dark skin and he's pretty toned, though not as muscular as many of our pack members. He has dark brown eyes and long thick lashes. His hair is tapered and there's a scar that runs down his left cheek, stopping at his chin. Just sexy. What do you think, Raven? I don't know, but I feel....different. Different? What do you mean? I don't know. Well that isn't helpful, but what can I do. I breath in deeply, but there's no recognizable scent. He doesn't smell like anything which is peculiar on it's own. Do you notice anything? No, Kelvin. I have no idea what he is. Mate! \*\*\*\*\* Lycans have been hunted for decades, but Meena Steward is one of the few that have survived. **The Lycans** JENIKA. SNOW,2025-05-12 The Lycans Volume Three contains the following titles: The Alpha Evelyn I'd never felt like I was missing anything in my life, not until my only friend left to start a journey to find out her own history. It had been clear in the ugliest way that I relied on her company too much over the years. I needed to make my own path,

create my own story. But then one video call changed my entire life, and I was thrown into a new world where creatures that had only ever been in fiction and movies were now very much real. And one of them was coming after me. A werewolf-Lycan-from myth and lore. He said I was his. He said he was coming for me. So there was only one thing for me to do. Run. Cian said he wouldn't stop until he found me, until he put his mark on my neck. He said he'd go to the ends of the world to make me his mate in all ways. He'd have one hell of a chase on his hands, because I wasn't going to make this easy on him. That was my plan until everything changed--and someone else was hunting us. Bite Marks Adryan I was ruthless, brutal. A sociopath by all accounts. The leader of the American Vampire Clan, a male who all feared because I was merciless. And then I found my mate. Kayla. So fragile. Breakable. So human. I'd make her mine, and she'd hate me for it. I wanted to give her pain with pleasure, wanted to break her skin and lick up the blood I spilled... take Kayla into me like she'd take me into her. I'd have her surrendering to my needs. I'd give her my body but wouldn't be able to give her my heart. How could I when it wasn't something I had to offer, when I was nothing but a coldhearted killer? So when the threats come to my front door, it's time to show my female she's mated to the most dangerous vampire in the world.
