Great Debates in American History: Finance, part 2, and indexes Marion Mills Miller, 1913

The Martyred Madonna Elizabeth Heidelsen, 2014-06-12 In ardent dedication to defend civil liberties, the author speaks from the viewpoint of a progressive conservative aiming to resolve injustices placed upon the vulnerable, defenseless, & disadvantaged. In effort to propel a voice of the majority of citizens who have no podium for projecting, no platform infrastructure for representational campaigning, & have felt the pain of being denied the basic rights that our forefathers founded this nation upon, the author bluntly examines the areas of organizational structure of Supremacist holding that prevents citizens from maintaining and upholding equal rights & freedoms. Despite growing up in the Midwest under conservative morals & standards of living, the author developed her own sense of logical understanding of how religious organizations, governmental structures, & societal legalities are utilized to persuade mass control of citizens within the realms of national, state, & local county regulations. In experiencing her own personal injustices within governmental systems, the author is able to analyze & determine potential resolutions & outlines for intervention against denied liberties. Her perspective applies the solution of common sense to complex concerns where impracticality & abuse of authority are being grossly applied. Through personal hardship & in joining other advocates in civil rights defense, the author is empowered in independent thinking, a progressive Conservative outlook, & a mindset of equality. As an Elementary school teacher who has fought her home States CPS system for 4 years in effort to reunify with her only son, her voice of determined victory against gross injustices is conveyed.

Out of Nihility Wu ZiQi,2020-05-19 Since the birth of the Yinyang Continent, the two races of Yin and Yang had been born and bred. The Yang Race possessed the attribute of 'goodness', and possessed all sorts of superpowers to defend their 'goodness'. The attribute of the Yin Clan was 'evil'. Demons, demons, ghosts, and other creatures belonged to it. They wanted to enslave the Yang Clan and control the entire continent. A youth who had comprehended 'creating from nothing' from the 'Classic of Virtue' was not tolerated by the current Heavenly Dao and had his body destroyed. His soul, by chance and coincidence, was taken in by the Yinyang Continent and reborn into the body of an ordinary Yang Clan youth. None: The Yang race is good, forsaken by the Evil God; the Yin race is evil, born of the Good God. Tell me what is evil and what is good? Close]
