

Things My Son Needs To Know About The World

Robert Browning

Things My Son Needs to Know about the World Fredrik Backman, 2019-05-07 The #1 New York Times bestselling author of *A Man Called Ove* shares an irresistible and moving collection of heartfelt, humorous essays about fatherhood, providing his newborn son with the perspective and tools he'll need to make his way in the world. *Things My Son Needs to Know About the World* collects the personal dispatches from the front lines of one of the most daunting experiences any man can experience: fatherhood. As he conveys his profound awe at experiencing all the "firsts" that fill him with wonder and catch him completely unprepared, Fredrik Backman doesn't shy away from revealing his own false steps and fatherly flaws, tackling issues both great and small, from masculinity and mid-life crises to practical jokes and poop. In between the sleep-deprived lows and wonderful highs, Backman takes a step back to share the true story of falling in love with a woman who is his complete opposite, and learning to live a life that revolves around the people you care about unconditionally. Alternating between humorous side notes and longer essays offering his son advice as he grows up and ventures out into the world, Backman relays the big and small lessons in life, including: -How to find the team you belong to -Why airports explain everything about religion and war -The reason starting a band is crucial to cultivating and keeping friendships -How to beat *Monkey Island 3* -Why, sometimes, a dad might hold onto his son's hand just a little too tight This is an irresistible and insightful collection, perfect for new parents and fans of Backman's "unparalleled understanding of human nature" (Shelf Awareness). As he eloquently reminds us, "You can be whatever you want to be, but that's nowhere near as important as knowing that you can be exactly who you are."

This Is My Story Theron J. Houston, 2016-04-21 In *This Is My Story: I Once was Lost, Volume II*, Theron J. Houston continues with an anthology of his life. In this book, you will see how God has become an essential part of his life and his discovery of the power of prayer. When your life appears to be out of order and out of control, we all still have a God that is a God of order, and he is still in control. This book will not only make you think but it will inspire you and inform you that our Heavenly Father has a divine purpose for your life.
