Stories

We Who Wrestle with God Jordan B. Peterson, 2024-11-19 A revolutionary new offering from Dr. Jordan B. Peterson, renowned psychologist and author of the global bestseller *12 Rules for Life*. In *We Who Wrestle with God*, Dr. Peterson guides us through the ancient, foundational stories of the Western world. In riveting detail, he analyzes the Biblical accounts of rebellion, sacrifice, suffering, and triumph that stabilize, inspire, and unite us culturally and psychologically. Adam and Eve and the eternal fall of mankind; the resentful and ultimately murderous war of Cain and Abel; the cataclysmic flood of Noah; the spectacular collapse of the Tower of Babel; Abraham's terrible adventure; and the epic of Moses and the Israelites. What could such stories possibly mean? What force wrote and assembled them over the long centuries? How did they bring our spirits and the world together, and point us in the same direction? It is time for us to understand such things, scientifically and spiritually; to become conscious of the structure of our souls and our societies; and to see ourselves and others as if for the first time. Join Elijah as he discovers the Voice of God in the dictates of his own conscience and Jonah confronting hell itself in the belly of the whale because he failed to listen and act. Set yourself straight in intent, aim, and purpose as you begin to more deeply understand the structure of your society and your soul. Journey with Dr. Peterson through the greatest stories ever told. Dare to wrestle with God.

Tired of Trying Ashley Morgan Jackson,2023-08-01 What if that hard thing you're going through is not happening to you but for you? You've tried it all—saying the right words and prayers, reading the right Bible verses—but nothing seems to work. What do you do when your faith doesn't seem to be “working” anymore? Ashley Morgan Jackson is no stranger to this kind of spiritual exhaustion and discouragement. Much like the biblical character Jacob, Ashley wrestled with God, trying desperately to keep trusting Him despite her pain. It was here she found that sometimes God requires us to hold on to Him so we can let go of everything holding us back. Rich with biblical encouragement, personal story, and practical application, *Tired of Trying* is an invitation to wrestle—and face God in your greatest fears, pains, and unanswered questions. You'll learn to: break out of the cycle of frustration by saying yes to wrestling; identify the lies you are believing about God, yourself, and your circumstances and replace them with truth; shift your perspective so you can choose faith, persevere, and discover God's purpose for you. Choosing to wrestle isn't easy or quick—but it does have purpose. What seemingly tears us down may be an opportunity to grow. God is good at redeeming heartache. When we reach the place where the only choice is to run to God or run from Him, we can hold tight . . . because transformation and blessing will come.

We Wrestle with God University Press,2024-10-24 University Press returns with a short, intriguing history of Christianity. *We Wrestle with God: A Brief History of Christianity* takes readers on a fascinating journey through the complex and often turbulent evolution of one of the world's most influential religions. Beginning with its humble origins as a small Jewish sect, the book traces how Christianity spread through the Roman Empire, survived brutal persecution, and eventually became the faith of emperors and kings. Along the way, it explores how the teachings of Jesus have been reinterpreted, reshaped, and sometimes distorted to suit the needs of different eras, from the transformative moment of Constantine's conversion to the rise of powerful medieval popes and the chaos of the Protestant Reformation. The book offers an insightful look at pivotal

events like the Great Schism, the Crusades, and the Inquisitions, examining how these moments of division and conflict shaped the course of Christianity. It also delves into the enduring tension between faith and reason, highlighting the Church's struggle with scientific progress during the Renaissance and the Enlightenment. *We Wrestle with God* is not just a history of theological debates or church politics; it's a story of how human beings have continually wrestled with the meaning of faith, the power of institutions, and the quest for truth. As the book brings us to the present day, it reflects on Christianity's uncertain future, considering whether its core teachings can evolve to meet the needs of a rapidly secularizing world. Engaging and accessible, this book invites readers to discover the surprising ways in which Christianity has shaped, and been shaped by, the cultures it encountered, leaving a lasting legacy that continues to spark debate and inspire believers around the globe.

Even the Devil Quotes Scripture Robyn J. Whitaker, 2023-05-11 “We are meant to take the Bible seriously, not literally.” —from the Introduction In *Even the Devil Quotes Scripture*, Robyn J. Whitaker looks to the Bible as a guide to interpreting the Bible, and her findings breathe new life into our understanding and use of Scripture. As it turns out, the uses of Scripture within Scripture are flexible, open to frequent reinterpretation, and rarely literal. For instance, Ezra and Nehemiah reinterpret laws about whether Jews can marry foreigners in the wake of the Babylonian exile. Their contradiction of earlier traditions found in Deuteronomic law do not invalidate Scripture but rather represent its diverse applications for the prophets’ specific situations. In the Gospel of Matthew, Jesus presents a more demanding interpretation of Mosaic law in the Sermon on the Mount, while in Mark’s Gospel he all but ignores its prohibition of working on the Sabbath. Yet the common ethos of the two gospels prioritizes compassion over legalism. Ultimately, Whitaker ascertains one definitive characteristic of inner-biblical interpretation: love. After all, the Old Testament passage most frequently quoted in the New Testament is Leviticus 19:18: “Love thy neighbor.” Thus, Whitaker proposes a hermeneutic of love—a litmus test for the validity of a scriptural interpretation measured in charity. Ideal for any devoted reader of the Bible, *Even the Devil Quotes Scripture* opens our eyes to the Bible as a living, loving gift of God’s unfolding revelation.

Nurture in Time and Eternity Robert Cummings Neville, 2016-07-04 The dimension of eternity has been lost from much contemporary religious consciousness. Liberals tend to focus on action within time, as do conservatives, who see history as a battleground for a war of good against evil. Spiritual life, however, also requires nurturing a sense of eternity within time. These sermons from Marsh Chapel at Boston University follow the lectionary in highlighting the places of temporal life within eternity, and the places eternity is found in temporal life. The liturgical year is employed as the venue for articulating a

comprehensive theology on the themes of the temporal and eternal aspects of Christian nurture.
