ATF - National Firearms Act Handbook U.S. Department of Justice,2019-03-17 This handbook is primarily for the use of persons in the business of importing, manufacturing, and dealing in firearms defined by the National Firearms Act (NFA) or persons intending to go into an NFA firearms business. It should also be helpful to collectors of NFA firearms and other persons having questions about the application of the NFA. This publication is not a law book. Rather, it is intended as a ?user friendly? reference book enabling the user to quickly find answers to questions concerning the NFA. Nevertheless, it should also be useful to attorneys seeking basic information about the NFA and how the law has been interpreted by ATF. The book's Table of Contents will be helpful to the user in locating needed information. Although the principal focus of the handbook is the NFA, the book necessarily covers provisions of the Gun Control Act of 1968 and the Arms Export Control Act impacting NFA firearms businesses and collectors.

Troubleshooter Gregg Hurwitz,2009-03-17 The series that started it all! The maestro of pulse-pounding suspense delivers an explosive new white-knuckle thriller featuring deputy U.S. Marshal Tim Rackley -- a lawman driven by honor, morality, and a thirst for justice. The leader of one of the country's most violent biker gangs, Den Laurey should have been behind bars. But thanks to a daring escape on an L.A. freeway, several deputy marshals are dead and Laurey is riding free. Rackley, back on the Service's warrant squad, is in hot pursuit of the outlaw and his ruthless gang -- with a media whirlwind and the entire Los Angeles law-enforcement community driving him. Just when Laurey is within his grasp, circumstances force Rackley to let him go -- with devastating results. A few miles up the road, a sheriff's deputy is attacked: Tim's pregnant wife, Dray. Driven by guilt, Tim vows to hunt Laurey down -- a search that will lead him into a dark world of deception and lies, a

world of criminals and undercover cops, drugs and mutilation. And the key to the violent puzzle lies in the discarded corpses of women -- women for whom Tim must seek justice when no one else will. With the stakes rising, Tim must unravel a horrifying secret and confront a deadly terror that reaches from the back alleys of Mexico to the poppy fields of Afghanistan ... and threatens to explode on the dark streets of L.A.
