God, Why? Chas Stevenson, 2010-05 If God is good, why do bad things happen? Is God in total control of life on earth? Does everything happen for a divine reason? Does God punish us? Is God testing us? What about the judgment of God? What about Job's suffering and Paul's thorn? When does God answer prayer? Isn't it time to get the right answers about God and eliminate those big, nagging question marks? Yes, it is time. In *God, Why?* Chas Stevenson presents powerful, precise, scriptural logic that eradicates popular spiritual myths and flawed teaching that has misled and confused people about God's character and God's good will. You're about to make a delightful discovery of Bible truths that will clear the hazy image of God and bring the reality of who he is and how he works into plain sight. If you have a personal relationship with God already, *God, Why?* will bring relief to your soul, strengthen your faith, and empower you for life. If you aren't sure about God, it will resolve the spiritual inconsistencies that may have obstructed your view of God. And for everyone, *God, Why?* will end the confusion by accurately answering the tough questions. At last, a solid explanation of why things happen that will leave you happy...with hope and certainty about God Almighty!

Summary of Harold S. Kushner's When Bad Things Happen to Good People Everest Media,2022-06-10T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The misfortunes of good people are not only a problem to the people who suffer and their families, but also to everyone who wants to believe in a just and fair world. They inevitably raise questions about the goodness of the world and God. #2 We often ask why good people suffer, and why bad things happen to good people. We assume that we deserve what we get, and that our misfortunes come as a punishment for our sins. But Er, Judah's first-born, was wicked in the sight of the Lord, and the Lord killed him. #3 The idea that bad things happen to people because God is a righteous judge who gives them what they deserve is a neat and attractive solution to the problem of evil, but it has several serious limitations. It teaches people to blame themselves, and it makes them hate God even as it makes them hate themselves. #4 The belief that people get what they deserve over the course of time is an attempt to make sense of life's trials. But it is a false belief, because life may seem unfair and innocent people may seem to be suffering, but if we wait long enough, we will see the righteousness of God's plan emerge.

WHY BAD THINGS HAPPEN TO GOOD PEOPLE GODSWORD GODSWILL ONU,2015-03-30 Many people wonder why bad things happen to good people. You have to realize that there are many things which are hidden from us; and they are known to God. And we do not have to worry ourselves to know about many of them, especially when knowing the true nature and reason may not avail any good. We are not God; and we cannot know everything. Yet God reveals what He wants us to know to us. The Spirit of God reveals many things to us; but He reveals what God wants us to know. And you may not have to use what God told you about a situation to generalize and apply it to some other situations. If you do, you may be erring and deceiving yourself and others.

Why Bad Things Happen to Good People and What Can Be Done About It Ken Yabuki M.Div. MFT,2015-04-24 Life is full of challenges. Some of the challenges we face in life are so painful that we invariably ask, Why is this happening to me? The Bible promises a day in the future when there will be no more pain and no more sorrow when the Lord establishes a new heaven and a new earth (Revelation 21:1-4). But until then, bad things will continue to happen. But we are not helpless. The Bible provides answers to suffering that will help us deal with the painful challenges we face. By following Biblical prescriptions we can grow spiritually and emotionally. Life's difficulties will no longer be viewed as evils, but as challenges to be overcome with victory; life's adversities can be made to work for us rather than against us.

When Bad Things Happen To Good People Michael Ibeneme, 2014-11-26 There are times in our lives when everything seems to fall apart, when everything seems to go wrong for us wherever we turn and whatever we do. At such moments it seems as if life itself has turned against us and we wonder if we are being punished for something we have done. We scream, we struggle, we pray, we battle; but all we perceive is an uncanny pushback that negates all our efforts and shoves us further down the slippery slope of frustration. We often observe to our chagrin, at such times, that so many people around us who do not care about God or godliness, or about uprightness and morality seem to enjoy a life of ease and comfort, sheltered from most of the pain and misfortune with which we ourselves are beset. Doubts often creep into our minds as we wonder if God is in control and if He actually notices that judgment is being taken away from people like us who honor Him in our lives. Prominent among others, we seek answers to questions such as, why do bad things happen to good people?

What the Bible REALLY Says About Peter Tullener, 2019-09-23 The question of why bad things happen to good people is a very old and difficult question to answer. It is a question that most people ask at some point in their lives. It has also been used as an excuse for people not to believe in a loving God and not to follow His ways since the beginning of man's existence on the earth until today. Many people have accepted Jesus Christ as their Lord and Savior, only to turn away from Him because of some major tragedy or disaster that has happened to them or someone they know. Some people have refused to believe in a loving God because they have had a disabled, ill, or stillborn child born to them or born to someone close to them. Others, because they have been unable to get what they really wanted out of life after trying their very best, or even begging God for a particular thing for many years. The biblical scriptures provide many answers to the reasons that these bad things happen to good and evil people. The answers to some of these questions may surprise you, but they will also bring you understanding and peace. This book searches out, and explains, the many scriptures and hidden truths in the Christian Bible, which all plainly and simply explain why bad things happen to good people. - Peter Tullener

What Happens to Good People when Bad Things Happen Robert A. Schuller, 1995 One of the twentieth century's most extraordinary Americans, Pearl Buck was the first person to make China accessible to the West. She recreated the lives of ordinary Chinese people in *The Good Earth*, an overnight worldwide bestseller in 1932, later a blockbuster movie. Buck went on to become the first American woman to win the Nobel Prize for Literature. Long before anyone else, she foresaw China's future as a superpower, and she recognized the crucial importance for both countries of China's building a relationship with the United States. As a teenager she had witnessed the first stirrings of Chinese revolution, and as a young woman she narrowly escaped being killed in the deadly struggle between Chinese Nationalists and the newly formed Communist Party. Pearl grew up in an imperial China unchanged for thousands of years. She was the child of American missionaries, but she spoke Chinese before she learned English, and her friends were the children of Chinese farmers. She took it for granted that she was Chinese herself until she was eight years old, when the terrorist uprising known as the Boxer Rebellion forced her family to flee for their lives. It was the first of many desperate flights. Flood, famine, drought, bandits, and war formed the background of Pearl's life in China. Asia was the real, the actual world, she said, and my own country

became the dreamworld. Pearl wrote about the realities of the only world she knew in *The Good Earth*. It was one of the last things she did before being finally forced out of China to settle for the first time in the United States. She was unknown and penniless with a failed marriage behind her, a disabled child to support, no prospects, and no way of telling that *The Good Earth* would sell tens of millions of copies. It transfixed a whole generation of readers just as Jung Chang's *Wild Swans* would do more than half a century later. No Westerner had ever written anything like this before, and no Chinese had either. Buck was the forerunner of a wave of Chinese Americans from Maxine Hong Kingston to Amy Tan. Until their books began coming out in the last few decades, her novels were unique in that they spoke for ordinary Asian people-- translating my parents to me, said Hong Kingston, and giving me our ancestry and our habitation. As a phenomenally successful writer and civil-rights campaigner, Buck did more than anyone else in her lifetime to change Western perceptions of China. In a world with its eyes trained on China today, she has much to tell us about what lies behind its astonishing reawakening.

The 21 Reasons Bad Things Happen to Good People Dave Earley, 2014-05-14 Why does God allow bad things to happen to good people? Earley provides 21 key reasons, carefully drawn from Scripture and accompanied by contemporary, real-life stories that promise encouragement through the pain.

Why Good People Suffer Buck Dingler, 2016-03-27 Why do bad things happen to good people? I started writing this book years ago to answer my own questions around pain and suffering. I came in with my own doubts and misgivings; my religion if you will and the love of God and His Holy Spirit broke down years and years of hurt and wrong teaching in my life. I hope this book answers the questions you have as well as give you hope and understanding.

Why Bad Things Happen to Good People Billy Graham, Adrian Rogers, John A. Huffman, Jr., Thomas K. Tewell, James Kennedy, Robert H. Schuller, Robert Anthony Schuller, Michael W. Foss, William Bouknight, Reverend Chuck Smith, 2017-03-10 The authors are: Billy Graham, Adrian Rogers, John A. Huffman, Jr., Thomas K. Tewell, James Kennedy, William Bouknight, Reverend Chuck Smith, Michael W. Foss, Robert Anthony Schuller, Robert H. Schuller, Dr. Roger Swearington. Why bad things happen to good people is a topic that has increasingly captured my attention-and for two principal reasons: First, the number of dedicated Christians and Jews to whom this question seems to remain quietly disturbing-in times of personal crisis, occasionally even evoking a desperate plea: Why, God? Second, the effect upon agnostics. This appears even more devastating and often more decisive: If this is how Christianity or Judaism works in times of need; if this is how God operates, I'm not interested! Such is not an uncommon agnostic's response. There are, no doubt, a number of other personal, historical, sociological, and family factors in play, which would more precisely define any given agnostic's reluctance to accept God or to join a church or synagogue.
