Invisible Rainbows L. Smith Linthicum, 2010-12-15 This is a book that my pastor, church congregation, family, friends, even grandchildren can read comfortably, but at the same time get the message that life happens to all of us; there are highs and lows, but the choices we make determines whether a honest and meaningful existence can be achieved. Its about the spirit of giving and the art of forgiving. It shows we can learn to deal with loved ones inner self then cope with the results of their decisions. We learn from Hannah Moss that to simply love with conviction is to survive all the heartaches and disappointments, as well as pleasures life throws our way. And that maintaining a personal relationship with our Lord and Savior as she does softens the blows that reality slaps you with from time to time. Also, we learn that having a sense of humor helps to lower the hurdles as we run this race of life, measuring each step carefully before leaping. What we know for sure gives us hope for tomorrow while enjoying what God has given us today, considering the truth that it is all temporary.
