

# Willow The Wonderer Big W

**Reeta Dhar**

Willow the Wonderer: Space Odyssey Reeta Dhar,2023-10-11 Discover the series: Willow the Wonderer Willow the Wonderer is an enchanting new children's storybook series from debut Australian author, Reeta Dhar and internationally acclaimed illustrator, Darren Pryce. Willow is an endearing little donkey who is deeply curious about life. Join him on epic quests as he unravels life's mysteries and discovers its wonders and wisdom. Written in perfect rhyme, the melodious stanzas sweep young readers away on adventures through the natural world, whilst exquisitely crafted illustrations beckons them to uncover hidden marvels in Willow's world. Each captivating tale is also designed with a specific early childhood education goal in mind. Synopsis: Book 3 - Willow the Wonderer: Space Odyssey Willow the Wonderer is whisked away on an epic space odyssey. Looking back at the Earth, he realises the same wisdom that has dawned upon many astronauts before him ... Willow the Wonderer feels alone one day and wonders why he is different from others everywhere. He sets off to search for other creatures like him but alas, only sees things that are different some way. As he is about to give up, he gets beamed up into space by cosmic starlight! Willow travels through space and time taking in the beauty, strength and fragility of the Earth. As he looks back at the Earth, a profound wisdom dawns upon him - the same wisdom that has dawned upon many astronauts before him. Willow finally realises that which makes us all the same and inherently connected to each other. It even makes him feel at peace with being a little different. Space Odyssey can also be read as a poetic introduction to the science of astronomy. A note from the author and illustrator: Willow the Wonderer started as a shared dream to write stories that plant seeds of wisdom in young minds; seeds that we hope blossom with time and guide our young readers in their journey through life. We also wanted the books to make early childhood learning effortless. But mostly we wanted to create beautiful stories that the little ones (and big ones) simply fall in love with. These are stories we wish we'd grown up with. - Reeta and Darren
