**Women, Crime and Justice in Context** Anita Gibbs, Fairleigh Gilmour, 2022-01-17 Women, Crime and Justice in Context presents contemporary feminist approaches to key issues in criminal justice. It draws together key researchers from Australia and New Zealand to offer a context-specific textbook that covers all of the major debates in the discipline in an accessible way. This book examines both the foundational texts and cutting-edge contributions to the topic and acknowledges the unique challenges and debates in the local Australian and New Zealand context. Written as an entry-level text, it introduces undergraduate students to key theories and debates on the topics of offending, victimization and the criminal justice system. It explores key topics in feminist criminology with chapters exploring sex work, prison abolitionism, community punishment, media representations of crime and victims, and the impacts of digital technology on gendered violence. Centring on an intersectional approach, the book includes chapters that focus on disability, queer criminology, indigenous perspectives, migration and service-user perspectives. The book concludes by exploring future directions in feminist approaches to crime and justice. This book will be essential reading for undergraduates studying feminist criminology, gender and crime, queer criminology, socio-legal studies, intersectionality, sociology and criminal justice.

They were both registered nurses, living in Sydney, Australia. Anita, raised in the working class suburb of Mt. Druitt, was 1979 Miss Western Suburbs, in the Miss Australia Quest. After her marriage break down, Anita returned to live with her parents. Seven years after she won her title, when Anita was 26 years old, she was abducted while walking home from the Blacktown train station, raped, tortured and murdered at nearby Prospect, on the evening of the 2nd of February, 1986. Five men, including three brothers, were convicted of her murder and sentenced to life imprisonment, never to be released. Anita's fingers were broken, her bones dislocated, her nose and cheekbones fractured in the shocking assault upon her. The horrifically cruel murder of this kind and caring, lovely young nurse, caused mass outrage within Australia. This is the forensic numerological criminal analysis and profile of her killers.
