And their adventures don't end there, as a lead from the past soon sends them tumbling into the candlelit terror of the Night of One Hundred Horrors!

Associate Professor Akira Takatsuki's Conjecture, Vol. 5 (light novel) Mikage Sawamura,2025-01-21 During the summer of his second year of university, to find out the truth behind his uncanny ability to detect lies and the "Festival of the Dead," Naoya decides to head out towards the old village of Koyama in Nagano with Takatsuki and Sasakura. It was a village he visited many times as a child, the village where his beloved grandparents lived. But now, it's no better than a ghost town. Reconnecting with his cousin, Naoya then hears of the ominous saying his late grandmother whispered until the day she died: "Naoya was taken by the mountain gods." Arriving at the village where, according to the rumors "the dead walk," the group begins their investigation. But suddenly, Naoya and Takatsuki are once again invited back to that midnight festival where it all began...

Strange things keep happening in an architectural office, and every occurrence seems to feature the number four. A weekly magazine puts out an article about a real-life mermaid sighting! But arguably the biggest mystery of all is the appearance of a dapper British gentleman on campus... Wait, he's Takatsuki's uncle?!

There, they will learn the secrets of the festival of the dead that Fukamachi saw on the muggy summer night of his youth that changed his life—and his ears—forever!
