Falling Upward Richard Rohr, 2013-01-03 A valuable new companion journal for the best-selling *Falling Upward* In *Falling Upward*, Fr. Richard Rohr seeks to help readers understand the tasks of the two halves of life and to show them that those who have fallen, failed, or gone down are the only ones who understand up. The Companion Journal helps those who have (and those who have not) read *Falling Upward* to engage more deeply with the questions the book raises. Using a blend of quotes, questions for individual and group reflection, stories, and suggestions for spiritual practices, it provides a wise guide for deepening the spiritual journey. . . at any time of life. Explains why the second half of life can and should be full of spiritual richness Offers tools for spiritual growth and greater understanding of the ideas in *Falling Upward* Richard Rohr is a regular contributing writer for *Sojourners* and *Tikkun* magazines This important companion to *Falling Upward* is an excellent tool for exploring the counterintuitive messages of how we grow spiritually.

Every Thing Is Sacred Richard Rohr, Patrick Boland, 2021-02-16 In this companion to *The Universal Christ*, Richard Rohr and Patrick Boland offer forty reflections and practices exploring what it means to live “in Christ.” In his landmark book *The Universal Christ*, Richard Rohr articulated a transformative view of what it means to recognize Jesus as “Christ”—as a portrait of God’s constant, unfolding work in the world. Now, in partnership with Patrick Boland, a psychotherapist and member of Rohr’s Center for Action and Contemplation community, he invites readers to engage with the themes of the book through spiritual practice. Each reflection in this book draws on a key passage of *The Universal Christ*, paired with prayers, journal prompts, and embodied exercises that invite readers into a more personal encounter with the truth that the presence and compassion of the Christ are in every thing. Whether read daily for the season of Lent or explored over the course of a year, *Every Thing Is Sacred* is a hope-filled journey into the love at the heart of all things.

Seeking a New Theology David F. Marshall, 2021-08-04 For those who think their beliefs are no longer valid, for all who wonder if there is any truth in religion, for anyone questioning why theology doesn't make sense--this is book for you. Here are arguments against some claims of faith. Science helps us gain new insights into what we used to believe. Recent discoveries in physics and other modern sciences have opened doors that may help you gain a new, more positive perspective on religion. For any of you who want to understand theological conundrums, here are some believable answers, including what happens when we die and whether we exist after death. A quick survey of world religions compares the beliefs of

Christianity and how these present challenges lead to doubt; however, some interesting historical and scientific findings can aid you in gaining more insights which can foster your faith. These discoveries are capable of nurturing a sense of wholeness, overcoming doubts about the relevance of your faith. When that happens, your attitudes become more positive about learning what you can believe. This book helps you do that.

Immortal Diamond Richard Rohr,2012-01-02 Dissolve the distractions of ego to find our authentic selves in God In his bestselling book Falling Upward, Richard Rohr talked about ego (or the False Self) and how it gets in the way of spiritual maturity. But if there's a False Self, is there also a True Self? What is it? How is it found? Why does it matter? And what does it have to do with the spiritual journey? This book likens True Self to a diamond, buried deep within us, formed under the intense pressure of our lives, that must be searched for, uncovered, separated from all the debris of ego that surrounds it. In a sense True Self must, like Jesus, be resurrected, and that process is not resuscitation but transformation. Shows how to navigate spiritually difficult terrain with clear vision and tools to uncover our True Selves Written by Father Richard Rohr, the bestselling author of Falling Upward Examines the fundamental issues of who we are and helps us on our path of spiritual maturity Immortal Diamond (whose title is taken from a line in a Gerard Manley Hopkins poem) explores the deepest questions of identity, spirituality, and meaning in Richard Rohr's inimitable style.

Jesus' Alternative Plan Richard Rohr,2022-09-06 When Jesus talked about the Kingdom of God, he was talking about an utterly different way of relating to human society as we know it. Discover a transformative understanding of faith in Jesus' Alternative Plan: The Sermon on the Mount by acclaimed spiritual leader and Franciscan priest Richard Rohr. In this updated edition of Jesus' Plan for a New World, Rohr explores the implications of Christ's best-known teachings in the Sermon on the Mount, offering a fresh perspective on what it means for Christian life today. Through his insightful analysis and commentary, Rohr explains the historical and cultural context of each of these Bible verses, shedding light on the revolutionary nature of Jesus' blueprint for an alternative way of being. From the Beatitudes to overturning conventional wisdom and challenging traditional power structures, this paperback book provides guidance and inspiration for those seeking the true heart of their faith. The enlightening book offers a new way of understanding and living as a Christian woman or man, according to the teachings of Jesus. Whether you are a long-time follower of Jesus, a knowledge truth seeker, or are just beginning to study his religious sermons, Jesus' Alternative Plan: The Sermon on the Mount offers a clear yet challenging look at the vision presented by the holy Jesus. Gain a transformative understanding of his preaching and embark on a spiritual journey toward a complete relationship with the Kingdom of God.

Things Hidden Richard Rohr,2016-05-19 Sacred Scripture and Christian spirituality belong together. In this exploration of the central themes of Scripture, Richard Rohr transforms the written word, discovering in these ancient texts a new and

vital meaning, relevant and essential to all believers. He uncovers what the Bible says about morality, power, wisdom and the generosity of God in a manner that inspires in us a life-changing response. Rohr's Christian vision of abundance, grace and joy - counteracting the scarcity, judgement and fear we know in our world - has the power to revolutionize how we relate to ourselves and all around us. 'Things Hidden is an invitation of gospel proportion to move on into the life God intends, a life of joy and obedience.' Walter Brueggemann, Professor Emeritus of Old Testament at Columbia Theological Seminary

Eager to Love Richard Rohr, 2020-03-05 Francis of Assisi is one of the most beloved of all saints. Both traditional and entirely revolutionary, he was a paradox. He was at once down to earth and reaching toward heaven, grounded in the rich history of the Church while moving toward a new understanding of the world beyond. Globally recognized as an ecumenical teacher, Richard Rohr started out—and remains—a Franciscan friar. The loving, inclusive life and preaching of Francis of Assisi make him a recognizable and beloved saint across many faith traditions. He was, as Rohr notes, “a master of ‘making room for it’ and letting go of that which was tired or empty.” Francis found an “alternative way” to follow Jesus, one that disregarded power and privilege and held fast to the narrow path of the Gospel. Rohr helps us look beyond the birdbath image of the saint to remind us of the long tradition founded on his revolutionary, radical, and life-changing embrace of the teachings of Jesus. Rohr draws on Scripture, insights from psychology, and literary and artistic references, to weave together an understanding of the tradition as first practiced by St. Francis. Rohr shows how his own innovative theology is firmly grounded in the life and teaching of this great saint and provides a perspective on how his alternative path to the divine can deepen and enrich our spiritual lives. The audio edition of this book can be downloaded via Audible.

Just This Richard Rohr, 2018-06-21 Just This is a collection of brief and evocative meditations and practices that invite us to cultivate the gift of waking up to the beauty of reality in all its glorious ordinariness. With his signature blend of contemplation, theology, and pastoral sensitivity, Fr Richard Rohr creates a spaciousness for the soul to grow into a kind of seeing that goes far beyond merely looking to recognizing and thus appreciating.

The Best of Being Catholic Kathy Coffey, 2012 A kaleidoscope of spiritual values in Catholicism that don't divide but bring people together and will instill peace and love in those who take the time to better understand them. Here are beautiful, simple, profound ideas that few people think about these days when they talk about the Catholic Church. Yet they are truths that make a positive difference in peoples' lives. They include: Catholicism is a community that remembers Jesus Catholics draw on a rich tradition of spirituality They always have something to celebrate The church is a family It has splendid heroes and heroines It takes staunch stands on peace and justice It has universality At a time when many Catholics have grown frustrated with their church, *The Best of Catholicism* reminds them of the positive values and practices that they will never

read about in the daily news.

Things Hidden Companion Guide Richard Rohr, 2023-02-07 Discover the hidden connections between Scripture and your own spiritual life. In *Things Hidden: Scripture as Spirituality*, Franciscan friar and bestselling author Richard Rohr lays out his case for a view of the Bible as a living text that can transform your way of seeing the world. This companion to *Things Hidden* offers a way for you to delve even deeper into a vibrant relationship with God through Scripture. The purpose of this guide is threefold: To allow you to reflect on the major themes running through the Hebrew and Christian Scriptures To learn and engage in Christian contemplative practices that deepen those reflections To set intentions for becoming a more loving and engaged presence in the world. Questions for journaling and reflection, meditation prompts, and prayer practices encourage you to focus on both action and contemplation. Through these concrete lessons in linking Scripture and spirituality, you can find personal meaning in Fr. Richard's many insights. The guide also contains detailed suggestions for adapting the material for small groups, offering a way for faith communities to grow together in their understanding and appreciation of the Bible.

The Shurtleff and Lawton Families William Shurtleff, Lawton L. Shurtleff, 2005 A beautiful family history and genealogy with many design innovations.

Wondrous Encounters Richard Rohr, 2010-10-18 Rohr's meditations on the daily readings of Lent are not for the sake of mere information, or even for academia (although the author hopes it will satisfy both), but for the sake of our transformation into our original image and likeness, which is the very image of God. What always and finally matters for all of us is encounter! Father Rohr begins each meditation with a single title or phrase that sums up the point. Then he offers the meditation followed by key passages from the readings. He ends each meditation with a Starter Prayer that invites you to self-disclosure and to enter the wondrous divine dialogue with clarity, insight—and holy desire! There are two moments that matter. One is when you know that your one and only life is absolutely valuable and alive. The other is when you know your life, as presently lived, is entirely pointless and empty. You need both of them to keep you going in the right direction. Lent is about both. The first such moment gives you energy and joy by connecting you with your ultimate Source and Ground. The second gives you limits and boundaries, and a proper humility, so you keep seeking the Source and Ground and not just your small self.—From the Introduction

Eager to Love Companion Guide Richard Rohr, 2024-10-01 St. Francis of Assisi may be one of Catholicism's most popular saints, but he is also perhaps the most misunderstood, often caricatured in birdbaths and gardens. In this *Eager to Love Companion Guide*, globally recognized teacher Richard Rohr invites readers into the dynamism of Franciscan spirituality. As Pope Francis has also done in several encyclicals, Rohr invites readers into the expansive and inclusive tradition founded on St. Francis's revolutionary embrace of the teachings of Jesus. It is recommended that this guide is read alongside Rohr's *Eager to Love: The Alternative Way of Francis of Assisi*.

The Universal Christ Richard Rohr, 2019-03-05 NEW YORK TIMES BESTSELLER • From one of the world's most influential spiritual thinkers, a long-awaited book exploring what it means that Jesus was called "Christ," and how this forgotten truth can restore hope and meaning to our lives. "Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book."—Melinda Gates In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity: Jesus. Most know who Jesus was, but who was Christ? Is the word simply Jesus's last name? Too often, Rohr writes, our understandings have been limited by culture, religious debate, and the human tendency to put ourselves at the center. Drawing on scripture, history, and spiritual practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant, unfolding work in the world. "God loves things by becoming them," he writes, and Jesus's life was meant to declare that humanity has never been separate from God—except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God, and more about learning to recognize the Creator's presence all around us, and in everyone we meet. Thought-provoking, practical, and full of deep hope and vision, *The Universal Christ* is a landmark book from one of our most beloved spiritual writers, and an invitation to contemplate how God liberates and loves all that is.

Silent Compassion Richard Rohr, 2023-07-11 "At the heart of this offering is an invitation to be still. Such stillness, however, is not a barren field, devoid of substance. It is a silence replete with beauty. It is what Buddhism refers to as *sunyata*, the boundlessness that characterizes the truth of existence." —Mirabai Starr, from the foreword In *Silent Compassion: Finding God in Contemplation*, Richard Rohr focuses on finding God in the depths of silence. Divine silence is more than the absence of noise; it has a life of its own. We are invited into its living presence to find the wholeness of being

and peace it brings. This book will inspire you and show that the peace of contemplation is not something just for monks, mystics, and those divorced from the worries of the world, but rather for all people who can quiet their own mind to listen in the silence. What's more, this silence can absorb paradoxes, contradictions, and the challenges of life, ultimately connecting us with the great chain of being. While different faiths use different languages and different words, silence can become a common place for all to experience God. In May 2013, the Festival of Faiths conference in Louisville, Kentucky, featured His Holiness the Dalai Lama in an event called "Sacred Silence: Pathway to Compassion." Richard Rohr was selected as the Christian presence among a small group of "world renowned experts on contemplative practice and compassion." Others represented Buddhism, Hinduism, Islam, and Judaism. Silent Compassion curates the Franciscan friar's talks from that event as well as interviews that place his thoughts in the context of his larger work as founder of the Center for Action and Contemplation. This is an updated and expanded edition of Rohr's original presentation on the subject.
