Don't Sweat the Small Stuff Richard Carlson, 2011-05-26 'Don't Sweat the Small Stuff has the power to change our individual and collective lives. I am deeply grateful to Dr Richard Carlson and his beloved wife Kristine for their wisdom and compassion in bringing transformational practices and perspectives to millions of readers.' Shauna Shapiro, author of The Art and Science of Mindfulness Many of us would like to live our lives in a calmer and less stressful way, and to be able to let go of our problems. This book can show you how to stop letting the little things in life drive you crazy. Dr Richard Carlson teaches us, in his gentle and encouraging style, simple strategies for living a more fulfilled and peaceful life. We can all learn to put things in perspective, and by making the small daily changes he suggests, including surrendering to the fact that sometimes life isn't fair, and asking yourself, 'Will this matter a year from now?', Dr Richard can help everyone to see the bigger picture. Repackaged to inspire and guide a new generation, this is a Mind, Body and Spirit classic.

**The Power of the 5 Ps** Marva T. Dixon, 2012-05 Let not your true purpose be defined by the organization, the system . . . or that you be defined by it! Understand the policies and laws that dictate what you should say or do within the boundaries of the system. Excel in the practices of your field, defining what and how you perform your art and how you shall be known! Seek out people of quality who provide guidance and truly care about your success. Yield to prayer , maintaining your faith in good and bad times even when things don't make sense, knowing your goal is to make a difference! Professional educators are now living in an era where there is increased concern about the quality of education in public schools in America. States are beginning to take a greater role in monitoring and maintaining higher academic standards. Communities across the country are scrutinizing the expense of public education. Local school districts are expressing concern about the district's ability to continue providing high-quality teaching and other related services with diminishing resources. Parents everywhere, regardless of ethnicity, socioeconomic status, or cultural family background want the assurance that their child will receive adequate and appropriate academic preparation that will lead to a productive livelihood for their child's future. The intended result of this book is to serve as a guide and inspiration to educators whether they serve in the capacity of a teacher, paraprofessional, or administrator as they continue their journey in the field of public education, especially during these most challenging times. America needs every person involved in the education of youth to remain steadfast. Each educator makes a difference in the lives of youth. America's youth need and are counting on you.

Parent-Child Relations: A Guide to Raising Children (Revised Edition) Hisham Altalib ,AbdulHamid Ahmad AbuSulayman ,Omar Hisham Altalib ,2024-03-11 Modern families face challenges unprecedented in human history. The time, attention and vigilance required of parents is exhausting and consuming family life. Parents are required to balance complex schedules, be technology aware, social media informed, constantly monitor children's screen time and media communication, cope with academic problems, shield them from the dangers of immorality, find inventive ways to overcome their boredom, organize extracurricular activities, and handle everything within financially constrained circumstances that increasingly require both to be working. Little wonder that anxiety is on the rise and parents are increasingly fearing for their children's future. The authors in this book attempt to address parents' concerns and equip them with the confidence and tools necessary to work towards understanding and addressing the real needs of both themselves and their children, to nurture the child's character, self-confidence, life skills, moral boundaries, spiritual development and much more. There is no quick-fix. Myths are debunked, and practical tips offered throughout which can be implemented immediately, with fun activities outlined at the end of each chapter with the aim of improving parent-child relationships through bonding, love, patience, openness, respect and communication.

**Nurturing the Soul of Your Family** Renée Peterson Trudeau,2013-01-15 What would it feel like to experience more ease, harmony, and flow in the midst of navigating homework squabbles, mealtimes, commutes, and the other challenges of everyday life? *Nurturing the Soul of Your Family* is a guidebook for personal and spiritual renewal from the award-winning author of *The Mother's Guide to Self-Renewal*. **What Works in School Leadership?** Linet Arthur, Debra McGregor, 2024-10-31 The key purpose of school leadership is to improve learning. *What Works in School Leadership?* examines research evidence and leadership models that focus on learning and provides resources that will help readers to understand their school's culture and develop strategies to change and improve their schools. It introduces and explains contemporary research, leadership theories and real-world examples to identify what works (and doesn't work) in school leadership. Recognising that leadership occurs at all levels in schools, this book addresses factors that underpin successful distributed, middle and team leadership. Chapters identify how leaders can effectively recruit, retain and motivate their staff, as well as the ways in which professional development can be supported. Key aspects of inclusive leadership that address diversity and equity are also considered in depth. Each school is unique and there is no magic formula that will guarantee instant results in every school; with this in mind, *What Works in School Leadership?* provides readers with a range of research evidence and resources to enable them to select strategies that will create a positive learning environment for staff and pupils at their own school. This is essential reading for school leaders, those aspiring to leadership and anyone studying or researching school leadership.
