Keeper of the Lost Cities Illustrated & Annotated Edition Shannon Messenger,2020-08-04 A New York Times bestselling series A USA TODAY bestselling series A California Young Reader Medal-winning series In this riveting series opener, a

telepathic girl must figure out why she is the key to her brand-new world before the wrong person finds the answer first. This special edition contains beautiful black-and-white illustrations and commentary from Shannon Messenger! Twelve-year-old Sophie has never quite fit into her life. She's skipped multiple grades and doesn't really connect with the older kids at school, but she's not comfortable with her family, either. The reason? Sophie's a Telepath, someone who can read minds. No one knows her secret—at least, that's what she thinks... But the day Sophie meets Fitz, a mysterious (and adorable) boy, she learns she's not alone. He's a Telepath too, and it turns out the reason she has never felt at home is that, well...she isn't. Fitz opens Sophie's eyes to a shocking truth, and she is forced to leave behind her family for a new life in a place that is vastly different from what she has ever known. But Sophie still has secrets, and they're buried deep in her memory for good reason: The answers are dangerous and in high-demand. What is her true identity, and why was she hidden among humans? The truth could mean life or death—and time is running out.

Angry and Keefe's Book of Modern Bedtime Fables Rob Schmidt, Angry and Keefe's Modern Bedtime Fables Volume III: The Human Element The third installment in the Modern Bedtime Fables series, The Human Element continues Angry and Keefe's signature blend of dark wit, biting satire, and twisted morality tales. In this volume, the duo turns their gaze toward humanity itself—our triumphs and failures, our cruelty and kindness, our ability to build and destroy in equal measure. From allegorical nightmares to cautionary tales wrapped in absurdity, these fables explore the contradictions of human nature with a sharp, unflinching eye. Whether dissecting the pitfalls of progress, the absurdities of social norms, or the fragile balance between self-interest and empathy, The Human Element delivers its lessons with a mix of humor, horror, and the kind of wisdom that lingers long after the last page is turned. Perfect for lovers of modern folklore, philosophical musings, and storytelling that refuses to pull its punches, this collection is both a mirror and a magnifying glass—revealing, distorting, and ultimately forcing us to confront the truth of what it means to be human.
