

Laurell K Hamilton Meredith Gentry Series

Laurell K. Hamilton

Divine Misdemeanors Laurell K. Hamilton, 2010-07-27 You may know me best as Meredith Nic Essus, princess of faerie. Or perhaps as Merry Gentry, Los Angeles private eye. To protect my unborn children, I have turned my back on the crown, choosing exile in the human world with my beloved Frost and Darkness. Yet I cannot abandon my people. Someone is killing the fey, which has left the LAPD baffled and my guardsmen and me deeply disturbed. I thought I'd left the blood and politics behind in my own turbulent realm. But now I realize that evil knows no borders, and that nobody lives forever—even if they're magical.

Swallowing Darkness Laurell K. Hamilton, 2009-11-24 I am Meredith, princess of faerie, and at long last, I am with child—twins, fathered by my royal guard. Now I must stay alive to see my children born, as conspirators from every court plot against me and mine. They seek to strip my guards, my lovers, from me by poisoned word or cold steel. But I still have supporters, and even friends, among the goblins and the sluagh who will stand by me. Those who would defy and destroy me are destined to pay a terrible price. To protect what is mine, I will sacrifice anything—even if it means waging a battle against my darkest enemies and making the most momentous decision ever made as princess of faerie.

A Kiss of Shadows Laurell K. Hamilton, 2025-11-04 NEW YORK TIMES BESTSELLER • Meet Merry Gentry, paranormal P.I., and enter a thrilling, sensual world as dangerous as it is beautiful, full of earthly pleasures and dazzling magic, and ruled by the all-consuming passions of immortal beings once worshipped as gods . . . or demons. “I’ve never read a writer with a more fertile imagination.”—Diana Gabaldon Merry Gentry, princess of the high court of Faerie, is posing as a human in Los Angeles, working as a private investigator specializing in supernatural crime. But now the queen’s assassin has been dispatched to fetch her—whether she likes it or not. Suddenly Merry finds herself a pawn in her dreaded aunt’s plans. The job that awaits her: enjoy the constant company of the most beautiful immortal men in the world. The reward: the crown—and the opportunity to continue to live. The penalty for failure: death.

A Caress of Twilight Laurell K. Hamilton, 2008-12-18 From the #1 New York Times bestselling author of *A Stroke of Midnight* comes “[a] sexy, tension-charged dark fantasy mystery (Locus). “I’ve never read a writer with a more fertile imagination.”—Diana Gabaldon “I am Princess Meredith, heir to a throne—if I can stay alive long enough to claim it.” After eluding relentless assassination attempts by Prince Cel, her cousin and rival for the Faerie crown, Meredith Gentry, Los

Angeles private eye, has a whole new set of problems. To become queen, she must bear a child before Cel can father one of his own. But havoc lies on the horizon: people are dying in mysterious, frightening ways, and suddenly the very existence of the place known as Faerie is at grave risk. So now, while she enjoys the greatest pleasures of her life attempting to conceive a baby with the warriors of her royal guard, she must fend off an ancient evil that could destroy the very fabric of reality. And that's just her day job. . . .

A Lick of Frost Laurell K. Hamilton, 2007-10-23 I am Meredith Gentry, princess and heir apparent to the throne in the realm of faerie, onetime private investigator in the mortal world. To be crowned queen, I must first continue the royal bloodline and give birth to an heir of my own. If I fail, my aunt, Queen Andais, will be free to do what she most desires: install her twisted son, Cel, as monarch . . . and kill me. My royal guards surround me, and my best loved—my Darkness and my Killing Frost—are always beside me, sworn to protect and make love to me. But still the threat grows greater. For despite all my carnal efforts, I remain childless, while the machinations of my sinister, sadistic Queen and her confederates remain tireless. So my bodyguards and I have slipped back into Los Angeles, hoping to outrun the gathering shadows of court intrigue. But even exile isn't enough to escape the grasp of those with dark designs. Now King Taranis, powerful and vainglorious ruler of faerie's Seelie Court, has leveled accusations against my noble guards of a heinous crime—and has gone so far as to ask the mortal authorities to prosecute. If he succeeds, my men face extradition to faerie and the hideous penalties that await them there. But I know that Taranis's charges are baseless, and I sense that his true target is me. He tried to kill me when I was a child. Now I fear his intentions are far more terrifying.

A Stroke of Midnight Laurell K. Hamilton, 2006 An erotic vampire romance set in historical times. Synopsis: The village of Greenwich is rundown by an unknown blood disease, the only hope for survival is to stay isolated from everyone. Beautiful and spirited Serena Polland is unable to hide away from the rest of the world. Defying her mother, Serena takes a job at the makeshift hospital, working as a nurse. At this hospital, each night, she spends working side by side with the mysterious doctor, Alexander Debergman. For Alexander, life was nothing more than a mere two hundred years of solitude and darkness. His work was the only thing that could sustain him, until he met Serena. She was the sunlight he hadn't seen in centuries, she was a vision of warmth and beauty, love and desire. The unexpected happens when Serena not only loses her beloved mother to the sickness, but falls ill from it herself. When Alexander finds Serena fighting for her life and slowly losing the battle, he does the only thing he can do to save her life—make her what he is, a vampire.

Mistral's Kiss Laurel Hamilton, 2010-05-05

Seduced By Moonlight Laurell K. Hamilton, 2004-02-03 I am Meredith Gentry, P.I. and Princess Merry, heir to the throne of Fairie. Now there are those among me who whisper I am more. They fear me even as they protect me. And who can blame them? I've awakened the dazzling magic that's slumbered in them for thousands of years. But the thing is, I can't figure out

why. My aunt, the Queen of Air and Darkness, is no longer distracted by her usual sadistic hobbies. Her obsession has turned unwaveringly to me. The mission to get me pregnant and beat my cousin Prince Cel to the crown is taking longer than expected. Even though I spend each night with the Queen's Ravens, my immortal guards, no child has come of our decadent pleasures. But something else is happening. My magic courses through me uncontrollably. And as I lock my half-mortal body with their full-Sidhe blooded ones, the power surges like never before. It all began with the chalice. I dreamed of it, and it appeared, cool and hard, beside me when I awoke. My guards know the ancient relic well—its disappearance ages ago stripped them of their vital powers. But it is here with us now. My touch resonates with its force, and they're consumed with it, their Sidhe essences lit up by it. But even as they cherish me for this unexpected gift, there are those who loathe me for it. Me, a mongrel, only half fey and part mortal. The Unseelie court has suffered for so long, and there are some who would not have it weakened further by an impure queen. My enemies grow in number every day. But they do not know what I am capable of. Nor, for that matter, do I. . . . In *Seduced by Moonlight*, Laurell K. Hamilton brings the dark, erotic reign of the immortal fey to a startling new depth. Full of sensuality and the consuming anticipation of latent powers unleashed, this world of gods, shapeshifters, and immortal souls is unveiled in all of its supreme magnificence and its treacherous deceptions.

Divine Misdemeanors Laurell K. Hamilton, 2010-03-30

A Shiver of Light Laurell K. Hamilton, 2015-04-28 Merry Gentry, ex-private detective and full-time princess, is now the mother of triplets, a rarity in the high ranks of faerie. And not everyone is happy about it, including Taranis, King of Light and Illusion. He's using the human courts to sue for visitation rights, claiming that one of the babies is his. To save herself and her children, Merry will use the most dangerous powers in all of faerie: a god of death, a warrior known as the Darkness, the Killing Frost, and a king of nightmares. They are her lovers, and her dearest loves, and they will face down the might of the high courts of faerie—while trying to keep the war from spreading to innocent humans in Los Angeles, who are in danger of becoming collateral damage.

A Stroke of Midnight Laurell K. Hamilton, 1998 In her fourth appearance, private investigator and heir to the throne of Fairie Meredith Gentry continues her quest to produce a child. As pregnancy becomes more urgent, Merry must leave the protected beds of the Queen's Ravens and lay with other men--men whose designs and allegiances remain in question. Unabridged. 5 CDs.

A Caress of Twilight Laurell K. Hamilton, 2003-03-04 "I am Princess Meredith, heir to a throne—if I can stay alive long enough to claim it." After eluding relentless assassination attempts by Prince Cel, her cousin and rival for the Faerie crown, Meredith Gentry, Los Angeles private eye, has a whole new set of problems. To become queen, she must bear a child before Cel can father one of his own. But havoc lies on the horizon: people are dying in mysterious, frightening ways, and suddenly the very existence of the place known as Faerie is at grave risk. So now, while she enjoys the greatest pleasures of her life

attempting to conceive a baby with the warriors of her royal guard, she must fend off an ancient evil that could destroy the very fabric of reality. And that's just her day job. . . .

Mistral's Kiss Laurell K. Hamilton,1999-01

Swallowing Darkness Laurell K. Hamilton,2008 Merry Gentry is not your average private investigator. Half human, half faerie, she's caught in a struggle that threatens not only her life, but the lives of those she desires and holds dear. Her very existence and her rightful place on the throne of Faerie have long depended on her ability to produce an heir - and now, after many failed attempts, the services of her royal guards have found her pregnant... It is a triumphant moment, but revelation follows revelation: for Merry carries two babies, and she knows they have more than one father... And of course, there are those of her own flesh and blood who want Merry dead, but she is a fighter and wields a wild magic. And this is her world, where the magical and the mortal intertwine, where folklore, fantasy and erotically charged adventure collide...

Slay Laurell K. Hamilton,2023-11-07 Laurell K. Hamilton has captivated readers with her gritty, seductive tales of vampire hunter Anita Blake for thirty bloody fantastic years. Now, in the thirtieth novel in the #1 New York Times bestselling series, wedding bells are ringing. But before Anita can make it to the altar, she must face an obstacle more daunting than any supernatural threat.... Necromancer Anita Blake is small, dark, and dangerous. Her turf is the city of St. Louis. Her job: U.S. Marshal—Preternatural Branch. She's faced horrifying monsters and brutal killers and come out the other side still standing. Considering how things in her life tend to go, Anita never expected her walk down the aisle with Jean-Claude to go smoothly. They've already been confronted with naysayers and a power-hungry ancient evil, but now Anita has to do the one thing that actually scares her: introduce her very religious, very human relatives to her fiancé—the newly crowned vampire king of America. As Anita tries to keep the peace between the family she left behind and the family she's chosen, dark forces jump at the chance to take advantage of the chaos. With her happy-ever-after at risk and everyone's immortal souls hanging in the balance, Anita grapples with a hard truth: Blood makes you related, but loyalty makes you family.

Mistral's Kiss Laurell K Hamilton,2010-05-05 The time has come for Meredith Gentry to put aside her detective work and fulfill her ultimate obligation to the world of Faerie - where her efforts to conceive an heir to the throne of the Unseelie Court are crucial to restoring magic, and life itself, to the Fey kingdom. And though her quest to produce an heir may be full of sensual pleasures, it is also fraught with peril: the shadows of intrigue stalk the royal court, and sabotage lurks at any turn. Merry's cousin schemes and plots, determined to see her fall. But, in the once-dead gardens of the world of faerie, something has re-awakened an all-powerful, malign magic. And Merry's own powers have turned wildly - dangerously - unpredictable. As plots and counterplots are hatched and strategies and subterfuges played out, the destiny of an entire world turns upon the fortunes of Merry Gentry: object of obsession, target of treachery and pawn of uncertain fate.

Ardeur Laurell K. Hamilton,2010-04-06 Laurell K. Hamilton's Anita Blake, Vampire Hunter series is a literary sensation,

thanks to its strong female hero, well-fleshed (both literally and literarily) characters and unabashed attitude toward sex. The world Hamilton has created is powerfully compelling and stunningly complex—and it gets deeper, richer and more perilous, with every book. Straddling the series' dominant themes of sex and power, *Ardeur* gives Anita fans a deeper look into the dynamics, both personal and political, that have kept readers fascinated throughout the run of the series. Why is the *ardeur* the very best thing that could have happened to Anita, personally (aside from all the sex it requires her to have with hot men)? How is Anita's alternate United States a logical legal extension of our own? And as the series continues, what other bargains might Anita have to make with herself and others in order to keep the people she loves safe from harm? The collection includes essay introductions by Hamilton, giving context and extra insight into each essay's subject.

Serpentine Laurell K. Hamilton, 2018-08-07 Vampire hunter Anita Blake has always managed to overcome everything she faces. But this time there's a monster that even she doesn't know how to fight... A remote Florida island is the perfect wedding destination for the upcoming nuptials of Anita's fellow U.S. Marshal and best friend, Edward. For Anita, the vacation is a welcome break, as it's the first trip she gets to take with just wereleopards Micah and Nathaniel. But it's not all fun and games and bachelor parties... In this tropical paradise, Micah discovers a horrific new form of lycanthropy, one that has afflicted a single family for generations. Believed to be the result of an ancient Greek curse, it turns human bodies into a mass of snakes. When long-simmering resentment leads to a big blow-up within the wedding party, the last thing Anita needs is more drama. But it finds her anyway when women start disappearing from the hotel, and worse, her own friends and lovers are considered the prime suspects. There's a strange power afoot that Anita has never confronted before, a force that's rendering those around her helpless. Unable to face it on her own, Anita is willing to accept help from even the deadliest places. Help that she will most certainly regret—if she survives at all, that is...

Circus of the Damned Laurell K. Hamilton, 2000-08

Laurell K Hamilton Meredith Gentry Series Introduction

In the digital age, access to information has become easier than ever before. The ability to download Laurell K Hamilton Meredith Gentry Series has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Laurell K Hamilton Meredith Gentry Series has opened up a world of possibilities. Downloading Laurell K

Hamilton Meredith Gentry Series provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Laurell K Hamilton Meredith Gentry Series has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Laurell K Hamilton Meredith Gentry Series. These websites range from academic databases offering research papers and journals to online

libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Laurell K Hamilton Meredith Gentry Series. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Laurell K Hamilton Meredith Gentry Series, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Laurell K Hamilton Meredith Gentry Series has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Laurell K Hamilton Meredith Gentry Series Books

1. Where can I buy Laurell K Hamilton Meredith Gentry Series

books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
