**Love Letters to My Girlfriend** Relationship Journal, 2018-05-19 How much better would your relationship be if you took a few minutes every day to write a love letter to your girlfriend? Here are 150 lined pages. Bring your own pen. Each day, write a note to your girlfriend. Share that note. You can cut the page out, slip it into an envelope and present it. Or better yet, leave it in the book, and have your lover read your latest missive every night. When the book is filled, give it to her, so she can look over the last few months to relive the moments you shared. Your love will grow stronger, and your intimacy will be worlds better because your communication will be on such a deep level. This is a powerful tool. Give love in your own words.
