**How to Survive and Thrive When Bad Things Happen** Jim Taylor, PhD, 2019-06-08 Few of us go through life without experiencing some sort of crisis, whether health, financial, relationship, career, or personal safety. Crises happen and they are often out of our control. But the one thing we can control is how we respond to them. Yet, our natural instincts often hinder us as we confront today's crises that are complex, amorphous, and not readily solvable. Changing our reaction to a crisis is an immense challenge, yet with powerful lessons provided in these pages, anyone can turn crises into opportunities for reflection, positive action, and growth. . A crisis mentality can overwhelm you when bad things happen. Turning crises into opportunities empowers you to overcome the darkness that can engulf you in troubled times and allow you to seek the light that can guide you through hard times. Exploring the essential psychological, emotional, and interpersonal factors that

most impact your reaction to a crisis, Jim Taylor provides you with deep insights and practical tools that help you move from a crisis mentality of fear, pessimism, and panic that controls you to an opportunity mindset of calm, confidence, and courage that you control in a crisis. He offers compelling examples, both recent and historical, well-known and unfamiliar, to bring these issues to life. Illustrations from government, large and small business, and ordinary people will highlight who responded well and who did not. Break free from the crisis mentality and embrace an opportunity mindset with nine strategies that will not only help you to survive, but actually thrive, when bad things happen.

**Of Mess and Moxie** Jen Hatmaker, 2017-08-08 NEW YORK TIMES BESTSELLER Life is messy for each of us. But Jen Hatmaker reminds us that it's okay to admit that we're all in the same boat. Join New York Times bestselling author and honorary big sister Jen as she shares hilarious tales, shameless honesty, and unconditional hope for the woman who's forgotten her moxie. We will endure discouragement, heartbreak, failure, and suffering. All of us. And more than once. But we are the very same folks who can experience triumph, perseverance, joy, and rebirth. More than once. And in more than one category. And in more than one season. And that? That's moxie. Moxie reaches for laughter, for courage, for the deep and important truth that women are capable of weathering the storm. We are not victims, we are not weak, we are not a sad, defeated group of sob sisters. Yes, life is hard, but we are incredibly resilient. *Of Mess and Moxie* shines a light on Jen's own triumphs and tragedies into a sigh of relief for all normal, fierce women everywhere. Whether it's the time she drove to the wrong city for a fourth-grade field trip or the way she learned to truly forgive, she offers a reminder to those of us who sometimes hide in the car eating crackers that we do actually have the moxie to get back up and face our messes head-on. After all, this race is not a contest--there's enough abundance to go around. This book will give you the encouragement you need to remember that: Your mess is normal You are not in competition with your peers--your seat at the table is secure You have incredible gifts to offer Come alongside Jen as she teaches us that we can all choose to live undaunted and in the moment, no matter what the moments hold, and we really can lead vibrant, courageous, grace-filled lives.
