Sir William Gurney Benham

Enough Is Enough Mel Caparros,

Enough Is Enough Rick Scarborough, 2008 It's no secret that Christians have had a major impact on the last two presidential elections, and Dr. Rick Scarborough believes that now is not the time to retreat. Now more than ever it is critical that all Bible-believing Americans step up and let our voices be heard. Scarborough challenges Christians to become involved in political action by revealing the issues that have caused the demise of America's Judeo-Christian foundation and outlining several key steps readers can take right where they live if they agree that it's time to get involved! Discover America's rich Christian foundations and the journey to the current political landscape. Enough Is Enough will motivate every person who reads it to influence our country's policies and culture with biblical values.

Enough is Enough! Stop Playing Church and Reconnect with God C.N. Many who have been waiting have allowed the cares of this world to cause them to forget their foundational teachings. This book reveals how the world is affecting the church and what is needed to affect the world. This book is to encourage laymen to stir up the gifts within them. To reignite teachings that have become dormant in our lives. The church has become like a social club and we need to get it back to being the glorious church that should be living daily in the finished works of Jesus because the world needs us.
