

Stellium En Casa 1

M Mosston

Curso básico de astrologia - vol.2 Marion D. March, Joan McEvers, 2022-11-03 O Curso Básico de Astrologia apresenta uma forma prática, rápida e detalhista de aprender astrologia com lições claras e eficientes. Neste segundo volume, as autoras compartilham os fundamentos para a montagem de um mapa astrológico e sua interpretação, dando destaque às lições sobre os cálculos, além de fórmulas, efemérides e conhecimentos mais sofisticados sobre planetas retrógrados, nodos lunares e padrões nos mapas astrais. A obra ainda ajuda a entender a lógica de construção de um mapa e traz exemplos de mapas natais de personalidades do mundo das letras, das artes, dos esportes e da política de diversos países, que ajudam no aprofundamento do estudo sobre o tema.

Aulas de Astrologia Aprenda Astrologia com o seu Mapa Natal. Sem um mapa, você não pode chegar ao seu destino. Alina A Rubi/Alina Rubi, 2023-03-19 A astrologia é uma ciência exata e holística. Nos tempos antigos, nos tempos medievais, você tinha que estudar muitos anos para ser um astrólogo. Sendo a mãe ciência, você teve que aprender sete anos de astrologia com antecedência para poder se dedicar à medicina, arquitetura, pintura ou qualquer outra disciplina. A astrologia é o complemento de qualquer técnica de crescimento pessoal, oferece-lhe a oportunidade de saber qual é a sua missão vital, de saber a que chegou nesta reencarnação e quais são os seus desafios nesta vida, ou seja, conhecer o seu mapa natal. O mapa natal permite-lhe conhecer-se muito melhor ao ponto de compreender, por exemplo, porque não encontra o seu parceiro ideal, ou porque os seus parceiros duram tão pouco tempo, ou confirmam que tomou uma boa decisão, ou porque tem uma relação tão conflituosa com um membro da sua família, ou porque vive uma crise muito forte no seu trabalho etc. O mapa natal explica por que e por que você dá uma situação e quem você é, dá-lhe informações sobre como e quando essas questões serão resolvidas, marcando as mudanças que sua alma pede que você faça.

Aulas de Esoterismo, Astrologia e Tarô Alina A. Rubi/Angeline A. Rubi, 2023-04-02 Un libro lleno de conocimientos esotéricos. Magia blanca, magia verde, magia azul, magia roja y magia dorada. Pitágoras, Leonardo da Vinci, Isaac Newton y René Descartes son solo unos pocos ejemplos de los más importantes eruditos que creyeron en el esoterismo y practicaron artes mágicas. Muchos de los trabajos de Shakespeare están delicadamente entretejidos con creencias mágicas. Sigmund Freud era notoriamente supersticioso, y Carl Gustav Jung hizo un estudio de la magia, tan serio y profundo, que muchos de sus detractores lo acusaron de incursionar exageradamente en el misticismo. La Astrología es una ciencia exacta, holística.

En la Antigüedad, en la época medieval, había que estudiar muchos años para ser astrólogo. Al ser la “ciencia madre”, había que aprender previamente siete años de astrología para poder dedicarse a la medicina, arquitectura, pintura o cualquier otra disciplina. La Astrología es el complemento a cualquier técnica de crecimiento personal, te ofrece la oportunidad de conocer cuál es tu misión vital, saber a qué has venido en esta reencarnación y cuáles son tus desafíos en esta vida, es decir a conocer tu mapa natal. La carta natal te permite conocerte mucho mejor hasta el punto de comprender, por ejemplo, porque no encuentras tu pareja ideal, o porque tus parejas te duran tan poco tiempo, o confirmarte que tomaste una buena decisión, o porque tienes una relación tan conflictiva con un miembro de tu familia, o porque vives una crisis muy fuerte en tu trabajo etc. La carta natal te explica el porqué y el para que dé una situación y quién eres, te aporta información sobre el cómo y cuándo se resolverán estos asuntos, marcándote los cambios que tu alma te pide realizar. O Tarot é uma prática antiga, um caminho pelo qual começamos a compreender para consigo mesmos, para o nosso sagrado interior. O Tarô é um oráculo, um meio, pelo qual, de alguma forma, e através de seus desenhos e cores, estimulamos nossa esfera psíquica, a parte mais profunda que vai além do racional. Quando movemos as cartas, um mecanismo secreto e poderoso é colocado em operação, para abrir portas e meios que nos conectam ao Universo. O Tarô é cheio de segredos, simbolismos maravilhosos e poderosos que vão além de uma grande obra pictórica. Magia, clarividência, ou como você quiser defini-la em você, despertará pouco a pouco, à medida que você pratica e entra no
