

Supper Of The Lamb Capon

Royal Historical Society (Great Britain)

The Supper of the Lamb Robert F. Capon,1989-10-01 From the gifted chef and Episcopalian priest Robert F. Capon comes “one of the funniest, wisest, and most unorthodox cookbooks ever written.” —(New York Times) Writing with a light and easy style that belies his gusto for food and for life, Father Capon has produced a wholly delightful book that is filled with the wisdom of a man in harmony with himself, his world, and, as 'The Supper of the Lamb' amply demonstrates, with his table.

The Supper of the Lamb Robert Farrar Capon,1969 From a passionate and talented chef who also happens to be an Episcopalian priest comes this surprising and thought-provoking treatise on everything from prayer to poetry to puff pastry. In *The Supper Of The Lamb*, Capon talks about festial and ferial cooking -- the first geared toward the uninhibited gorging a la gourmand for those rare and special occasions, the second toward the more subdued talent of making prime ingredients work a little harder and stretch a little longer without scrimping on taste or pleasure. Using these different methods as his guide, along with dozens of recipes, Capon offers an intellectual and philosophical exposition on food and faith. Copyright © Libri GmbH. All rights reserved.

The Supper of the Lamb Robert Farrar Capon,2002-07-02 From a passionate and talented chef who also happens to be an Episcopalian priest comes this surprising and thought-provoking treatise on everything from prayer to poetry to puff pastry. In *The Supper of the Lamb*, Capon talks about festal and ferial cooking, emerging as an inspirational voice extolling the benefits and wonders of old-fashioned home cooking in a world of fast food and prepackaged cuisine. This edition includes the original recipes and a new Introduction by Deborah Madison, the founder of Greens Restaurant in San Francisco and author of several cookbooks.

Broken Bread Tilly Dillehay,2020-06-02 God Cares More About How You Eat than What You Eat Christians should have their heads on straight about food—but too often our eating is complicated by burdens and rules, by diets and dependencies. So how can we keep a spiritually healthy view of what we eat? Should Christians stop eating white sugar? Does the Bible ask

us to go paleo? Most questions about food aren't really about nutrition but about how we understand God. In *Broken Bread*, Christian Book Award-winner Tilly Dillehay challenges us to abandon the concept of good and bad foods and instead offers a way to... celebrate food without obsession make healthy choices without bondage to rules feed our families without feeling frazzled find satisfaction without using food as an emotional crutch This isn't another diet book. You won't find any system or plan for eating but rather a joyful call to develop a vision of Christ that informs the way you eat. Take delight in food again, and discover a feast for today that whispers of the eternal feast to come.

Kingdom, Grace, Judgment Robert Farrar Capon, 2002-03-11 Here in one volume is Robert Farrar Capon's widely praised trilogy on Jesus' parables — The Parables of the Kingdom, The Parables of Grace, and The Parables of Judgment. These studies offer a fresh, adventurous look at all of Jesus' parables, treated according to their major themes. With the same authorial flair and daring insight that have earned him a wide readership, Capon admirably bridges the gap between the biblical world and our own, making clear both the original meaning of the parables and their continuing relevance today.

New England Shepherd, 1974

Mudhouse Sabbath Lauren F. Winner, 2003 With characteristic wit, intellectual sharpness, and passion for authenticity, the groundbreaking author of *Girl Meets God* illuminates eleven spiritual lessons that Judaism has taught her.

Breaking Bread Sara Covin Juengst, 1992 By examining the Biblical customs connected with food, Juengst discovers new meaning in familiar passages and presents six theological themes related to food and feasting. Palmer says that Juengst shows how food is woven as intricately as faith into the entire fabric of our lives.

The Astonished Heart Robert Farrar Capon, 1996 Capon shows how the church has lost its astonishment over the Good News and has made Christianity into a religion that focuses on requirements and restrictions rather than on gospel. Recovery of astonishment is his saving remedy.

Light Theology and Heavy Cream Robert Farrar Capon, 2004 Robert Farrar Capon is well known as the author of the modern classic *The Supper of the Lamb* (awesomely funny, wise, beautiful, moving, preposterous, said *The New York Times*) and other acclaimed books such as *Genesis*, *the Movie*. In *Light Theology & Heavy Cream: The Culinary Adventures of Pietro & Madeleine*, Capon returns to the kitchen to present a spirited collection of pieces he describes as culinary and theological snack food. Providing significant nutritive value in terms of both cooking and thinking, Capon offers them as a lark. The protagonists of this endeavor are Pietro and Madeleine, a husband and wife with clear resemblances to the author and his wife, Valerie. With Capon's signature wit and precision, Pietro and Madeleine explore such diverse topics as creativity, addiction, televangelism, spirituality, the correct way to slice a leg of lamb, and the virtues of diners. Given the irony of a God who saves the world by foolishness and weakness, Capon writes, and the hilarity by which he gives us corn, wine, and oil--not to mention his wonderfully two-faced creatures such as butter, salt, tobacco, and pork fat--this is no world in which to land on

one side of a paradox. Nibbling away on Light Theology & Heavy Cream is to encounter an author who has always been perfectly substantial and perfectly silly at the same time, but here propels himself faster and farther in both directions. You challenge me to match the sum total of the world's miseries with a fast, but then you complain that I fall short because I have eaten lobster instead of beetles or something. Why, I could starve myself stone cold to death and still fall short. To use your very own argument, the world's miseries are tractable only to God's grace, not my merits. A lobster, obediently ingested, can remind me of that as well as anything else, eaten or not eaten, on the same principle. --from the first chapter
