Shantel Tessier

The Ritual Shantel Tessier, 2025-11-24 THE CHOSEN ONE Barrington University is home of the Lords, a secret society that requires their blood in payment. They are above all—the most powerful men in the world. They devote their lives to violence in exchange for power. And during their senior year, they are offered a chosen one. I VOW. YOU VOW. WE VOW. People think growing up with money is freeing, but I promise you, it's not. My entire life has been planned out for me. I never got the chance to do what I wanted until Ryat Alexander Archer came along and gave me an option for a better life. He offered me what no one else ever had—freedom. I chose to be his. He made me believe that anyway, but it was just another lie. A way that the Lords manipulate you into doing what they want. After being sucked into the dark, twisted world of the Lords, I embraced my new role and allowed Ryat to parade me around like the trophy I was to him. But like all things, what started out as a game soon became a fight for survival. And the only way out was death. Things to know about The Ritual It is MF TW (Please see the author's note on the inside) J/P (jealous/possessive) Hero OTT (over the top) Hero This is a 152K word romance that contains dark themes that may be triggering to some.

Carnage Shantel Tessier, 2025-11-24 A PUPPET The men in the secret society known as the Lords think they rule the world. And in a way, they do. Each has sold their soul to the devil at a young age in exchange for power and wealth. Like anything else, they have different levels of success. The more they're willing to serve, the more power they have. Among them are the Spade brothers, who run Carnage. It's where the Lords who have not held up their oath go to live out the rest of their lives in shackles. Tucked away from the world as if they never existed. I VOW. YOU VOW. WE VOW. I once belonged to a Lord—Saint Beckham Carter. Although nothing was holy about him, I still kneeled as if he could grant me eternity in a world where only evil existed. At the time, I willingly vowed to be his and allowed him to share me with his “brothers.” But things changed. And what I thought couldn't get any better got exceptionally worse. So I did the only thing I could and ran from him, knowing I could never return. Now he's found me and dragged me back to his hell, where he will make me his pet. The world already thinks I'm dead, so no one will miss me. And I'm just another name on a long list of those who will never know freedom. What he doesn't know is why I ran from him in the first place. A Lord doesn't listen to reason, so it's not like he'd care anyway. Saint was born a Lord, and he will die as one. If life has taught me anything, it's that we all pay for our sins. And Saint will never let me forget that my place is at Carnage, serving him on my knees until death is granted.

Madness Shantel Tessier,2025-11-24 HIS SECRET A Lord takes what he wants. But like anything else, even he can get greedy and betray his oath. That's where Carnage comes in. A Spade brother runs their prison for those who have wronged their society. It just so happens to be where the Lords have sent me. I VOW. YOU VOW. WE VOW. Most women within the Lords don't get the chance to prove themselves worthy of the brand or the power that comes with it, but there's always an exception. I'm one of them. Finally, my time had come to be assigned to a Lord. Not just any Lord but a Spade brother—Haidyn Jamison Reeves. I had everything under control until he found out what I was hiding. Everyone in our world knows the only way to get to the top is to sacrifice something the Lords want. So when Haidyn gave me a choice—become his toy or turn me over to the Lords—the decision was easy. I've worked too hard to get this far to allow a man to take what I've earned. I chose to become his dirty little secret over admitting I failed. It didn't take long for him to unravel my web of lies, thread by thread, until nothing was left. He took over my life, blurring the lines until I discovered that what I thought I wanted was no longer what I needed. But even in our world, nothing lasts forever. Time had run out. The hourglass lay broken on the floor, shattering not only my future but everything I knew. I never thought that falling in love with a Spade brother would reveal so many secrets. And when they all came to light, the Lord who blackmailed me was the only one I could count on.

The Sacrifice Shantel Tessier,2025-11-24 HIS LADY A Lord is to marry after he graduates from Barrington University, an elite college for the rich. A Lady's job is to help him fit into a world unaware of his secret society. The Lord does not get to choose who he spends the rest of his life with. But there is always an exception to the rule. And I just so happen to be his. I VOW. YOU VOW. WE VOW. I was to wed a Lord of my parents' choosing. Wealth can't buy you everything, or I would have had freedom years ago. Instead, my strict parents made sure I lived a dull life in a mansion resembling a prison. But on my wedding day, I was handed over to another man—an even more ruthless Lord that my family hated. Tyson Riley Crawford only wanted me for his revenge. I'm nothing more than a debt to be paid. I didn't have a say in the matter. So when I said my vows before the congregation, I knew I'd break them. Consequences be damned. Too bad I underestimated my husband and didn't realize he was more determined to punish me than I was to succeed at escaping. He'll make me choke on those words I used to bind myself to him. Yet even he couldn't have seen what our future held. Ultimately, we're all just pawns in a game that none of us can win unless you're willing to pay the ultimate sacrifice ... and even that may not be enough. In the background a new Wizard and Stone are found, creating a sensation throughout the area. The Lady Farim the Wise is the Wizard of the Stone of Harmony. The introduction of this fourth Stone causes some major ripples within the world of magicians. As with the others, she becomes involved with the school, teaching history. Once the first class graduates, it is soon realized that they will be in need of their magical tools, Stones of power and calling orbs. Not having any tools available, the search is on to locate more.

Hemingway's Quarrel with Androgyny Mark Spilka, 1990 Hemingway's Quarrel with Androgyny confronts the entrenched mystique surrounding the hard drinker, bullfighter, and creator of characters steeled by their own code. Spilka stresses Hemingway's lifelong dependence on and secret identification with women, and in doing so shatters the myths of male bonding and heroic lives of men without women. He develops the biographical, literary, and cultural implications of Hemingway's lifelong quarrel with androgyny to reveal a more psychologically complex man and writer than the mystique has allowed.

Rethinking Bakhtin Gary Saul Morson, Caryl Emerson, 1989 Employer-sponsored deferred compensation and welfare benefit plans play major roles today in employee compensation packages. As the popularity of these plans has increased, so has the complexity of the law in this area. This volume is designed to help employee benefits professionals fit deferred compensation arrangements and welfare benefits into employee compensation packages so as to maximize the ultimate financial benefits and minimize the related costs. Special attention is devoted to the tax aspects of such arrangements due to the complexity and potential impact of the Internal Revenue Code. These essays extend Bakhtin's concepts in important new directions and challenge Bakhtin's own use of his most cherished ideas. Four sets of paired essays explore the theory of parody, the relation of de Man's poetics to Bakhtin's dialogics, Bakhtin's approach to Tolstoy and ideological literature generally, and the dangers of dialogue, not only in practice but also as an ideal. Gender and History in Medieval English Romance and Chronicle Laura D. Barefield, 2003 This reading of canonical texts of medieval English literature - Sir Gawain and the Green Knight and Chaucer's Man of Law's Tale - alongside Geoffrey of Monmouth's *Historia regum Britanniae* and other Anglo-Norman and English chronicles offers a broader context for reading the romance narratives and re-evaluates romance conventions in light of the genealogical priorities of these chronicles. By arguing that maternity is featured as a position of power, *Gender and History in Medieval English Romance and Chronicle* adds to our understanding of women and sovereignty, and the ways gender and authority were rhetorically linked to medieval texts.
