Her compulsion leads her to one-night stands, steamy hookups and events she shamefully regrets. The only person who knows her secret happens to have one of his own. Loren Hale's best friend is his bottle of bourbon. Lily comes at a close second. For three years, they've pretended to be in a real relationship, hiding their addictions from their families. They've mastered the art of concealing flasks and random guys that filter in and out of their apartment. But as they sink beneath the weight of their addictions, they cling harder to their destructive relationship and wonder if a life together, for real, is better than a lie. Strangers and family begin to infiltrate their guarded lives, and with new challenges, they realize they may not just be addicted to alcohol and sex. Their real vice may be each other.

Broken King K.M. Scott,2025-02-12 Ronan I had it all once. The beautiful girlfriend who loved me. A talent that was going to take me as far as I wanted to go. I was living the dream. But I lost her because I made a terrible mistake, and then one horrible night, I lost any chance to play ball again. Everything I thought I had going for me disappeared, leaving me with nothing to live for. Now I'm left to pick up the pieces. I'd give anything for another chance with Kate, but can I truly expect anyone to love me now that I'm not who I used to be? Kate He was the boy I fell in love with in high school, my first boyfriend. My first everything. I planned to spend the rest of my life being madly in love with him. Until it all fell apart. I never gave up hoping we might end up together, even though I moved on with my life. I heard he got drafted to a minor league baseball team, and even though we weren't together, I was proud of him for finally living his dream. Now the boy I loved is a man in pain, and there's nothing I can do. I want to believe there's a second chance for us, but is it too late?

Cruel King K.M. Scott,2023-08-08 Ava The King boys have been the center of my life for as long as I remember. Theo has been my best friend since I was four, and our families are as close as can be. Except Matthias. The oldest King son never failed to look miserable whenever I was around, and every word out of his mouth to me was cruel. Until a snowstorm trapped us in his house, and we shared two perfect days together. That was five years ago. Now his father's dying, and he's back at the estate and more vicious than ever, as if our time together meant nothing to him. I should hate him. I should be able to forget him now that I have a chance to be happy with someone else. There's just one problem. I can't stop thinking about the man who stole my heart one snowy night all those years ago. Matthias She thinks I don't remember our time together. She's wrong. I've never forgotten. Not when I moved to a different continent. Not when I didn't hear from her for five years. Not even though I've tried my damndest to forget her. I want to hate her. I should. But I can't. All I can do is look on with jealousy as Ava finds happiness with another man. What do you do when the one person standing in the way of your happiness is your own brother?

The Sensuous Bad Boy K.M. Scott,2023-02-28 The fourth NeXt duet, Sensuous and Desirous, by New York Times bestselling author K.M. Scott in a one-volume book! Alex March is all about having a good time. He loves being single. Life is meant to be enjoyed, and he intends on squeezing as much fun out of this world as he can. He's living the dream as the head chef at CK, the best restaurant in Tampa, so when he's offered the chance to be on the new cooking reality show Chef on Chef, he figures why not take the chance. Kat Truesdale hates Alex from the moment she sees him walk on the set. He's

everything she loathes in men. Arrogant, overconfident, and far too good looking, he's one of the golden boys of this world. The reality show is a competition for a million-dollar prize, and she intends on walking away the winner. Alex may think he's got this in the bag, but not if Kat has anything to say about it. Only one of them can come out on top, but if they're lucky, maybe they can get something other than money out of the reality show. Let the games begin!

Notorious K.M. Scott, 2021-03-31 Cade March loves his life. Free to do as he likes and wealthy enough to afford whatever his heart desires, he's all about having fun. As the only son of Stefan March, he's the spitting image of his father in every way. And that's the problem. At least for everyone else. Hailey Canton lives a very different life. Still recovering from a betrayal that's left her shaken and no longer believing in love, she only has the desserts she makes for her parents' small restaurant to make her feel like she can do anything. The cakes and cookies she lovingly creates are works of art, but to her, they're simply a lifeline so she doesn't give up. What happens when the very thing she's feared comes into her life in the form of a gorgeous man with no idea that life has any limits and who fears nothing? Wild King K.M. Scott, 2024-08-01 Kellen It was only supposed to be a well-deserved, three-day break from life back in the city. Three days in the islands without interruptions from work or anything else. Then I met her. She was beautiful and sexy, and she insisted we didn't share names. I would have been crazy not to agree to a long weekend of anonymous sex. I don't know when it happened, but it turned into more. I started thinking about forever with my mystery woman. That doesn't sound like something a bad boy ever considers, but there it is. I'd found the woman for me. And just when I had it all, I blew it. Salem He crashed into my life like a hurricane. He was sexy and charming, but he was a bad boy through and through, untamed and wild. I should have run away the moment he walked up to my table. Instead, I let myself be seduced by his soulful dark brown eyes and a body made for pleasure. I thought I could be safe if I kept our time together anonymous. How wrong I was. Fate has a way of giving people what they deserve, and it seems to think I should have a chance to make him suffer. Now this good girl has to decide if she still cares for that bad boy she met in the islands or wants to exact her revenge.
