

Barreras De Entrada Y Salida En Una Empresa

Carlos Dávila L. de Guevara

Estrategias para el liderazgo competitivo Arnaldo C. Hax,2004

Dirección de Marketing Philip Kotler,2003

Metodologías avanzadas para la planificación y mejora Joaquín Membrado Martínez,2007-09-05 El proceso de planificación estratégica permite la definición de la estrategia e incluye como elemento fundamental un análisis tanto externo como interno, que dará lugar a lo que se conoce como análisis DAFO. Una magnífica herramienta para llevar a cabo el análisis interno es la autoevaluación EFQM. El modelo EFQM de Excelencia es un conjunto de criterios que recogen buenas prácticas de gestión de organizaciones excelentes. El cuadro de Mando Integral (Balance Scorecard) es un modelo de gestión estratégica que ayuda a las organizaciones a desplegar su estrategia y hacer un seguimiento y mejora de la misma. El despliegue de la estrategia se materializa en objetivos estratégicos, indicadores, metas e iniciativas. Aquellas iniciativas que tengan una gran cantidad de datos, requieran un análisis estadístico y tengan un gran impacto en los resultados empresariales, podrán abordarse con la metodología seis sigma, conocida como DMAIC (definir, medir, analizar, mejorar y controlar). El texto recoge, a partir del proceso de planificación estratégica, como integrar las herramientas antes citadas de una manera sencilla y práctica, para ayudar a las empresas a la mejora de su gestión y sus resultados. INDICE RESUMIDO: Excelencia a la gestión y resultados económicos. Modelo EFQM de Excelencia. Planificación estratégica. El despliegue de la estrategia mediante el Cuadro de Mando Integral. El nuevo Seis Sigma: una estrategia para la mejora. Anexo: Sistemas de Gestión de la Calidad-ISO 9001:2000 y Modelo EFQM de Excelencia.

Tratado de defensa de la libre competencia Pinkas Flint Blanck,2002

Cómo crear y hacer funcionar una empresa María de los Ángeles Gil Estallo,Joaquin Andres Monzon Graupera,1996

Diccionario enciclopédico de estrategia empresarial Francisco J. Manso Coronado,2003 Este Diccionario en el fondo, pretende ser una guía práctica, una herramienta de referencia, que ayude a la comprensión adecuada de la cultura existen, al día de hoy, de la estrategia empresarial. Está formado por más de 400 entradas que representan los términos y expresiones más comúnmente manejadas en esta cuestión. De alguna manera contribuye, dentro de la corriente general, a estabilizar la terminología. Como en estrategia empresarial se usan a menudo símbolos, acrónimos y abreviaciones, se ha considerado de utilidad acompañar todos los titulares de las entradas con su correspondiente traducción al inglés. Es de

justicia tener en cuenta la gran influencia, principalmente pero no solo, de Estados Unidos en el desarrollo y difusión universal de la cultura del Management y su derivada Strategic Management, conocida en nuestra lengua como Dirección Estratégica Empresarial. Aprovechando la traducción al inglés de dichos titulares de las entradas del Diccionario, se acompaña un glosario ordenado alfabéticamente en dicha versión que puede servir de complemento al ordenamiento en lengua española de las entradas principales. Esta obra puede ser de gran utilidad para los profesionales de empresa que se preocupen por domesticar el lenguaje y los conceptos relacionados con la estrategia empresarial. Pero también, como material lectivo para profesores, estudiantes e investigadores que mantengan relación profesional con el tema. Además, dada la profusión de términos relacionados con la economía en general -especialmente procedentes de la llamada Nueva Economía- y con la estrategia empresarial en particular, lanzados a través de los diferentes medios de comunicación, puede resultar también de utilidad para aquellos que simplemente quieren entender las noticias económicas que, cada vez más, se refieren a la actividad empresarial, y que los diccionarios comunes todavía no recogen y sobre todo no desarrollan.

Dirección de Marketing Philip Kotler, Kevin Lane Keller, 2006

Clienting Luis María Huete Gómez, 2007-11 Márketing y servicios para rentabilizar la lealtad. Con los años, los conceptos y enfoques de gestión empresarial deben reinventarse a sí mismos para que puedan aplicarse a las nuevas y futuras situaciones. Estas nuevas ideas empresariales influirán directamente en la forma de hacer empresa de los nuevos directivos.

Millennials, la generación emprendedora José María Álvarez Monzoncillo, Guillermo de Haro Rodríguez, 2017-07-05 La generación millennial ha nacido en un momento de gran innovación tecnológica, su madurez y su futuro están condicionados por cambios sociales, demográficos, económicos y tecnológicos que hay que conocer para entender cómo toman decisiones y se plantean su futuro. Este libro combina aspectos más teóricos con casos prácticos que ilustran esa relación entre cambios económicos, sociales y tecnológicos. También remarca determinadas empresas referentes o tractoras que han impulsado dichos cambios y motivado a otras para seguir el mismo camino, impactando de ese modo en industrias enteras que hace unos años no existían.
