The Politics of Childhoods Real and Imagined Priscilla Alderson, 2015-11-23 The second volume of Priscilla Alderson's popular and renowned book *Childhoods Real and Imagined* relates dialectical critical realism to childhood. By demonstrating their relevance and value to each other, Alderson presents a practical introductory guide for applying critical realism to research about children and young people. Each chapter summarises key themes from several academic disciplines and policy areas, ranging from climate change and social justice between generations, to neoliberalism, social reform and imagining utopias. Children's and adults' views and experiences are reviewed, and whereas the first volume deals with more personal and local aspects of childhood, this volume widens the scope into debates about global politics, which so seldom mention children. Each chapter demonstrates how children and young people are an integral part of the whole of society and are often especially affected by policies and events. This book is written for everyone who is researching, studying or teaching about childhood, or who cares for and works with children and young people, as well as those interested in critical realist approaches.

Cold Mountain Jason Nelson, 2020-09-15 Can You Mend A Frozen Heart? A mother's love is stronger than death, but love and death walk hand in hand when mortals cross paths with the immortal fey. Something has stirred up a fell and

bloodthirsty power in the depths of the forlorn forest, and a bitter wind and mournful howls echoing from a lonely mountain bring a chilling dread to the wilds beyond the borderlands. A goddess is angry, and her wrath heralds doom in the unforgiving lands of a savage frontier. Can the heroes find a way to make peace with the warlike clans of the lonely hills and quell the frightening powers of nature that threaten to rise up and devour scattered clan and nascent frontier kingdoms alike? With triumph and tragedy in the balance, do they dare ascend Cold Mountain? Cold Mountain is a Pathfinder Second Edition adventure for 4th-level characters that takes the heroes past the reach of civilization, coming face to face with strange and primitive folkways and faerie powers. This adventure brings an evocative atmosphere of Dark Ages-style barbarism and mysticism into a traditional fantasy campaign, delivering challenges to overcome with words and deeds as well as on the field of battle. Your players will need cunning, guile, and a silver tongue to succeed where their magic and their sword arms may not prevail. Treasury of Winter Victoria Jaczko, Jason Nelson, 2020-12-11 Treasures to Warm a Hero's Heart! The Treasury of Winter brings you three dozen magical items ideal for any Pathfinder Second Edition campaign but especially suited to adventures into the icy lands of the north, where frozen fey and winter witches rule a cold-hearted kingdom and seek to spread their wintry reach across this world and beyond. Even beyond the general themes of frost and fey, these treasures draw upon Russian myth, legend, and folk traditions, as befits a campaign where meeting Baba Yaga herself is a definite possibility, and where the veil between worlds dissolves to the point that heroes from a world of magic might venture forth to a war-torn world like our own on the trail of the queen of witches herself! This tome contains treasures of great value to those braving the long cold polar night, like the radiant censer, foxfire stole, hoarfrost halter, and sledge of the great bear, as well as those who exult in wielding the fury of the fantastic frost for themselves, like the diamond dice dagger, blizzard bottle, and hoarfrost halter. You will find items that draw deeply upon Slavic folklore, like the servant samovar, gorynych scale, bogatyr blade, and icon of timeless faith, alongside the curiously modern trappings where magic and the marvels of the modern age intersect, like the wire tangler, phosgene flail, invader's bugle, and pelisse of the light brigade. Even if your players just enjoy the wild whimsy of the winter wonderland, they will delight in treasures like the feyfrost brush, dancing reed flute, snowstone scepter, and many more they will find in the Treasury of Winter. Grab this 24-page magic item compendium for Pathfinder Second Edition and Make Your Game Legendary!
