

# Dancing Queen On The Piano

**Ian Cole**

*Dancing Queen* Benny Andersson, Bjorn Ulvaeus, Abba, 1975

**ABBA** Ian Cole, 2020-02-23 ABBA was the biggest selling pop group of the Seventies. Between their first single in 1972, when the group was not yet called ABBA, and their final singles in 1982, ABBA recorded and released 98 unique songs. In addition they recorded versions of some of their biggest hits in Swedish, German, French, and Spanish; performed a number of songs in concert that were never released on record; and recorded a number of songs that didn't see the light of day at the time, but have been released from the archive the decades since the group 'took a break'; at the end of 1982. Everyone remembers ABBA's biggest hits - songs like 'Waterloo', 'Mamma Mia', 'Fernando', 'Dancing Queen', 'Take A Chance On Me', 'Chiquitita', and 'The Winner Takes It All' - but there are many gems to be found on the eight studio albums and 21 singles released during the group's lifetime. 'ABBA: Song by Song'; is a look at every single song by the Swedish supergroup, written by a life-long ABBA fan. Find out what inspired the songs, what went in to recording them, and their impact around the world in the 1970s and 80s and beyond.

**My My!** Giles Smith, 2024-05-09 'A lovely book - as bright, shiny and uplifting as an Abba hit' Daily Mail '[A] witty and affectionate account . . . It's not a stretch to say that, at its core, My My! is a book about time, death and the possibility of immortality' Sunday Times My My! The story of ABBA told through a selection of their greatest hits. This year is the fiftieth anniversary of Waterloo (the song, not the battle) - a seminal moment in pop history which saw Swedish sensation ABBA burst on to the international music scene. How is it that half a century later this seventies Eurovision act is bigger than ever - reaching listeners of all ages and spinning off into musicals, museums and holograms? Giles Smith, writer and music fan, sets out to find out why. My My! is a celebration of ABBA through the ages. It's one fan's way of saying: thank you for the music.

*New York Magazine*, 1995-12-18 New York magazine was born in 1968 after a run as an insert of the New York Herald

Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

*How Music Works* John Powell,2024-09-24 An exceptionally informative discussion of the hows and whys of music. . . . Enjoyable . . . with a wealth of information written in a most engaging style. — Seattle Post-Intelligencer What makes a musical note different from any other sound? How can you tell if you have perfect pitch? Why do ten violins sound only twice as loud as one? Do your Bob Dylan albums sound better on CD or vinyl? John Powell, a scientist and musician, answers these questions and many more in *How Music Works*, an intriguing and original guide to acoustics. In a clear and engaging voice, Powell leads you on a fascinating journey through the world of music, with lively discussions of the secrets behind harmony timbre, keys, chords, loudness, musical composition, and more. From how musical notes came to be (you can thank a group of stodgy men in 1939 London for that one), to how scales help you memorize songs, to how to make an oboe from a drinking straw, John Powell distills the science and psychology of music with wit and charm. Enlightening. — Publishers Weekly Readers . . . should glean some useful background for music study while simultaneously being entertained. — Library Journal By reading Powell's book we can gain a more solid knowledge of the foundations of music and therefore be better able to appreciate it. — New York Journal of Books Any readers whose love of music has somehow not led them to explore the technical side before will surely find the result a thoroughly accessible, and occasionally revelatory, primer. — The Spectator

**1001 Songs** Toby Creswell,2011-08-01 When RockWiz, the hugely popular SBS TV rock trivia show, look for questions, there is one resource they continually turn to - Toby Creswell's 1001 Songs. The stories behind the great songs of all time - from Gershwin to Missy Elliott, from Bob Dylan to Alicia Keys, Sinatra to Offspring, Leonard Cohen to Pulp are all in there. RockWiz 1001 Songs tells the stories behind the best and most popular songs of the last century. It reveals background facts that will fascinate and intrigue, biographical information on each performer and also boasts a guide to the definitive and the oddball covers of songs. The book also features over 400 show-stopping photographs and album covers. Not bound by ranking, era or album, RockWiz 1001 Songs is presented just like an iPod on random. Discover how Ike and Tina Turner stole River Deep, Mountain High, how matching Body Shop shampoo inspired Courtney Love to write a song after the death of Kurt Cobain, and just who the other members of Sheryl Crow's Tuesday Night Music Club actually were. RockWiz 1001 Songs provides endless entertainment and insider information on over a thousand artists and songs, right up to the minute - the perfect book for music buffs, keen listeners, and anyone who's ever had a song stuck in their head.
