

Frank Peretti The Visitation

Stephen J. Vicchio

The Frank Peretti Collection Frank E. Peretti, 2015-06-16 Now available in one volume—three thrillers from Frank Peretti! *The Oath* An ancient sin. A long forgotten oath. A town with a deadly secret. Something evil is at work in Hyde River, an isolated mining town in the mountains of the Pacific Northwest. Under the cover of darkness, a predator strikes without warning—taking life in the most chilling and savage fashion. The community of Hyde River watches in terror as residents suddenly vanish. Yet, the more locals are pressed for information, the more they close ranks, sworn to secrecy by their forefathers' hidden sins. Only when Hyde River's secrets are exposed is the true extent of the danger fully revealed. What the town discovers is something far more deadly than anything they'd imagined. Something that doesn't just stalk its victims, but has the power to turn hearts black with decay as it slowly fills their souls with darkness. *The Visitation* The sleepy, eastern Washington wheat town of Antioch has become a gateway for the supernatural—from sightings of angels and a weeping crucifix to a self-proclaimed prophet with an astounding message. The national media and the curious all flock to the little town—a great boon for local business but not for Travis Jordan. The burned-out former pastor has been trying to hide his past in Antioch. Now the whole world is headed to his backyard to find the Messiah, and in the process, every spiritual assumption he has ever held will be challenged. The startling secret behind this visitation ultimately pushes one man into a supernatural confrontation that has eternal consequences. *Monster* Some monsters are real. Miles away from the hectic city, Reed and Rebecca hike into the beautiful Northwester woods. They are surrounded by gorgeous mountains, waterfalls, and hundreds of acres of unspoiled wilderness. During their first night camping, an unearthly wail pierces the calm of the forest. Then something emerges from the dense woods. Everything that follows is a blur to Reed—except the unforgettable image of a huge creature carrying his wife into the darkness. Enter into deep wilderness where the rules of civilization no longer apply. A world where strange shadows lurk. Where creatures long attributed to overactive imaginations and nightmares are the hunters . . . and people are the hunted.

Peretti 2 in 1: *Monster* and *The Visitation* Frank Peretti, 2009-02-27 *Monster* and *The Visitation* is authored by Frank Peretti and bundled into a 2-in-1 collection.

The Visitation Frank E. Peretti, 1999-05-07 *Needful Things* meets a Pentecostal revival in this Christian suspense novel about a mysterious stranger coming to a sleepy Northwestern town claiming to be a prophet. Travis Jordan, a widower and

burned-out pastor, hoped to disappear into the quiet, unassuming town of Antioch, Washington. Then a man claiming to be the new Christ arrives, performing miracle after miracle, and the national spotlight soon follows. As the town escalates in its religious fervor, Travis must battle with his own questions about his faith and the increasing extremism and zealotry overtaking the town. The startling secret behind this visitation will ultimately push him into a supernatural confrontation that has eternal consequences. Stand-alone thriller Book length: approximately 100,000 words Includes discussion questions for book clubs

The Encyclopedia of Christian Literature George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is one of the defining elements of Christian experience. As vigorous in the 1st century as it is in the 21st, Christian literature has had a significant function in history, and teachers and students need to be reminded of this powerful literary legacy. Covering 2,000 years, The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books. In addition to an overview of the Christian literature, this two-volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio-bibliographical essays describing the principal writers and their works. These essays examine the evolution of Christian thought as reflected in the literature of every age. The companion volume also features bibliographies, an index, a timeline of Christian Literature, and a list of the greatest Christian authors. The encyclopedia will appeal not only to scholars and Christian evangelicals, but students and teachers in seminaries and theological schools, as well as to the growing body of Christian readers and bibliophiles.

The Legend of the Anti-Christ Stephen J. Vicchio, 2009-07-01 In The Legend of the Anti-Christ, Stephen Vicchio offers a concise and historical approach to the history of the idea of the Anti-Christ, including precursors to the idea, the development of the idea in the New Testament, as well as the understandings of the legend of the Anti-Christ in the history of Christianity. Vicchio also raises the question of why there is so much emphasis in the modern world about the idea.

The Visitation; Monster Peretti, Frank E., 2008-06-12 The Monster: The sleepy, eastern Washington wheat town of Antioch has suddenly become a gateway for the supernatural--from sightings of angels and messianic images to a weeping crucifix. Then a self-proclaimed prophet mysteriously appears with an astounding message. The national media and the curious flock to the little town--a great boon for local business, but not for Travis Jordan. The burned-out former pastor has been trying to hide his past in Antioch. Now the whole world is headed to his backyard to find the Messiah, and in the process, every spiritual assumption he has ever held will be challenged. The startling secret behind this visitation ultimately pushes one man into a supernatural confrontation that will forever alter the lives of everyone involved. Visitation: Something's out there... Reed Shelton organized this survival weekend. Hired the best guide in the region. Meticulously trained, studied, and packed while encouraging his wife, Beck, to do the same. But little did they know that surviving the elements would become the least of their worries. During their first night of camping, an unearthly wail pierces the calm of the forest. Then

someone--no, something--emerges from the dense woods and begins pursuing them. Everything that follows is a blur to Reed--except for the unforgettable image of a huge creature carrying his wife into the darkness. Dependant on the efforts of a small town and a band of friends, Reed knows they have little time to find Beck. Even more important, he soon realizes that they aren't the only ones doing the hunting. Something much faster, more relentless--and definitely not human--has begun to hunt them. Frank Peretti is at the top of his game in this New York Times best-selling novel of survival of the fittest. Nothing is as it first appears in this thriller where things that go bump in the night are only a heartbeat away.

Encyclopedia of Contemporary Christian Fiction Nancy M. Tischler, 2009-09-10 A biographical encyclopedia of American and British Christian-themed writers from World War II to the present, covering acclaimed literary works and popular evangelical fiction. *Encyclopedia of Contemporary Christian Fiction: From C.S. Lewis to Left Behind* spans the entire breadth of Christian-themed British and American writing from World War II to the present—well-known and less familiar authors, acclaimed literary novels, and popular writing in a variety of genres (mysteries, thrillers, romances), works that explore matters of faith, works that challenge orthodoxy and church practices, and works wholly written by and for devout evangelicals. *Encyclopedia of Contemporary Christian Fiction* offers 90 alphabetically organized entries covering the field's most important writers. Each entry includes a brief biography, religious and educational background, a survey of major works and themes, and a summary of critical response, as well as a bibliography of major works and criticism. By examining evocative, sometimes overlooked Christian elements in modern fiction, and by exploring the depth and scope of popular evangelical fiction, *Encyclopedia of Contemporary Christian Fiction* offers the richest, most complete portrait of the role of faith in modern English writing ever published.

Jaded A. J. Kiesling, 2004 Church may seem irrelevant, but God still matters! Help and hope for believers who are fed up with a watered down version of the church and desire a more authentic way to worship.

Cross-Examined Films Matthew King, 2017-12-06 After spending nearly a quarter of a lifetime watching popular and independent films, Matthew King, RN, makes a point to criticize the Christian church for its lack of engagement with films. He believes that the lack of engagement and the strong denunciation of films only because of their sexual or violent content

has lost an entire generation because of the inability to speak the millennial language of popular Hollywood films. With searing prose and biting confrontation, King attempts to engage films through the lens of theology, philosophy, and political analysis to assist the church in identifying positive as well as negative examples of the topics within to better engage an entire generation. Through this investigation, Christians and non-Christians alike will be both enlightened and surprised at what popular films have unconsciously taught them from a young age.
