Bernstein Meets Broadway Carol J. Oja, 2014 With an innovative historical framework, Carol J. Oja explores the emergence during World War II of Leonard Bernstein, Jerome Robbins, Betty Comden, and Adolph Green. At center stage are the mixed-race cast of *On the Town*, which was their first Broadway show, the web of gay relationships surrounding the ballet *Fancy Free*, and a nightclub act called *The Revuers*.

Mixed Blessings Cabot Barden, 2012-03 *Mixed Blessings* is a work of fiction. It is the story of Toby Martin, a young musician who plays in a pop band in the seventies. As Toby reaches manhood, he discovers that life is not all fun and games like it was when he was just a teen. The book explores his triumphs, tragedies, the heartaches and high points in his life, and his test of faith, as he matures and tries to balance his music career with being a responsible young adult and family man, living in a small southern town. From the first chapter when his band opens for one of the hottest rock bands of that era, to seeing his best friend go from a tragic loss to finally finding happiness, along with experiencing his own loss of a loved one. He and his two best friends, Corey Gable and Fred Litton, who refer to themselves as the Three Muskyteers, experience life at it's fullest. Come join Toby and his friends for this ride of their life through the seventies.

Broadway Sheet Music Donald J. Stubblebine, 1995 Stubblebine, also the author of *Cinema Sheet Music* (1991), provides a comprehensive listing of the published songs from every composer in all Broadway shows, 1918 through 1993. Each of the 2,562 entries include the show's title, year the show opened, a listing of all songs in the production with composers and lyricists, and the show's leading players. The sheet music cover is also described, along with a one-line synopsis of the show. A limited number of shows that closed before reaching Broadway are also included. Indexed by song and by composer/lyricist. c. Book News Inc.

New Selected Writings of Michael Thomas Michael Thomas, 2016-04-19 What may look to the untrained eye like a barren landscape, looks to the trained eye like an illustration of wondrous beauty. What we see is less important than the perspective from which we see it. Michael Thomas sees things from way outside the box, and so has a fresh perspective we all can benefit from. It is difficult for an academic to see the ways of the world and it is uncommon for a worldly man to appreciate the realm of the academic. It is a singular gift when one man can walk in both worlds, as a practicing normal human being as well as a student of mankind. Read this book and see for yourself.
