Untitled Karen Dionne Karen Dionne,1934-12-25 Two generations of sisters. An unthinkable crime. A secret that could ruin a family. Most of us have read about or known of people who have been imprisoned unjustly for years or even decades. But what if you discovered that you had unjustly imprisoned yourself? After spending 15 years in a mental hospital as a self-inflicted punishment for her childhood crime, a young woman learns that she might not have killed her mother as she has always believed.

**The Marsh King's Daughter** Karen Dionne,2017 In this tale of psychological suspense, a woman must risk everything to hunt down the dangerous man who shaped her past and threatens to steal her future: her father.

*Beneath the Stairs* Jennifer Fawcett,2023-03-28 ... A woman returns to her hometown after her childhood friend attempts suicide at an alleged haunted house--the same place where a traumatic incident shattered their lives twenty years ago. Few in sleepy Sumner's Mills have stumbled across the Octagon House hidden deep in the woods. Even fewer are brave enough to trespass. A man had killed his wife and two young daughters there, a shocking, gruesome crime that the sleepy upstate New York town tried to bury. One summer night, an emboldened fourteen-year-old Clare and her best friend, Abby, ventured into the Octagon House. Clare came out, but a piece of Abby never did. Twenty years later, Clare receives word that Abby has attempted suicide at the Octagon House and now lies in a coma. With little to lose, Clare returns to her roots to uncover the darkness responsible for ruining their lives.--Provided by publisher.

*The Wicked Sister* Karen Dionne,2020-08-04 She thought she'd buried her past. But what if it's been hunting her this whole time? From the bestselling and award-winning author of *The Marsh King's Daughter* comes a startling novel of psychological suspense as two generations of sisters try to unravel their tangled relationships between nature and nurture, guilt and betrayal, love and evil. You have been cut off from society for fifteen years, shut away in a mental hospital in self-imposed exile as punishment for the terrible thing you did when you were a child. But what if nothing about your past is as it seems? And if you didn't accidentally shoot and kill your mother, then whoever did is still out there. Waiting for you. For a decade and a half, Rachel Cunningham has chosen to lock herself away in a psychiatric facility, tortured by gaps in her memory and the certainty that she is responsible for her parents' deaths. But when she learns new details about their murders, Rachel returns, in a quest for answers, to the place where she once felt safest: her family's sprawling log cabin in

the remote forests of Michigan's Upper Peninsula. As Rachel begins to uncover what really happened on the day her parents were murdered, she learns--as her mother did years earlier--that home can be a place of unspeakable evil, and that the bond she shares with her sister might be the most poisonous of all.

A Textbook of Cultural Economics Ruth Towse,2019-08-15 This second edition offers a comprehensive, up-to-date overview and analysis of cultural economics in the digital creative economy.

The Dark Lake Sarah Bailey,2017-10-03 A tight-knit community is shocked by revelations from decades past in this enthralling (Associated Press) literary mystery that will keep you racing toward the end (Lisa Gardner). The lead homicide investigator in a rural town, Detective Sergeant Gemma Woodstock is deeply unnerved when a high school classmate is found strangled, her body floating in a lake. And not just any classmate, but Rosalind Ryan, whose beauty and inscrutability exerted a magnetic pull on Smithson High School, first during Rosalind's student years and then again when she returned to teach drama. As much as Rosalind's life was a mystery to Gemma when they were students together, her death presents even more of a puzzle. What made Rosalind quit her teaching job in Sydney and return to her hometown? Why did she live in a small, run-down apartment when her father was one of the town's richest men? And despite her many admirers, did anyone in the town truly know her? Rosalind's enigmas frustrate and obsess Gemma, who has her own dangerous secrets--an affair with her colleague and past tragedies that may not stay in the past. Brilliantly rendered, *The Dark Lake* has characters as compelling and mysteries as layered as the best thrillers from Gillian Flynn and Sophie Hannah.

The Killing: Uncommon Denominator Karen Dionne,2014 An original novel based on the AMC series developed by Veena Sud. The Killing is based on the Danish series *Forbrydelsen*.

*Family Planning* Elizabeth Letts,2006 From the author of *Quality of Care* comes a compelling novel of extraordinary events in the life of an ordinary woman.

*The Vintage Book of International Lesbian Fiction* Naomi Holoch,Joan Nestle,1999 This groundbreaking anthology of lesbian stories presents literary voices from 27 countries and provides a glimpse of lesbian life in unfamiliar, often exotic climes.
