You Are Eating an Orange. You Are Naked. Sheung-King, 2020-10-27 Finalist for the 2021 Amazon Canada First Novel Award Longlisted for Canada Reads 2021 A young translator travels from his home in Toronto to Hong Kong, Macau, Prague, Tokyo. His unnamed lover comes with him: in restaurants and hotel rooms, they entertain each other with comic and enigmatic folk tales. Yet their verbal play and philosophical questions mask the fragility of their own relationship, which is made still more tenuous by the woman's unexplained disappearances. *You Are Eating an Orange. You Are Naked.* is an intimate novel of memory and longing that challenges Western tropes and Orientalism. Embracing the playful surrealism of Haruki Murakami and the atmospheric narratives of filmmaker Wong Kar-wai, Sheung-King's debut is at once lyrical and punctuated, and wholly unique, and marks the arrival of a bold new voice in Canadian literature. Praise for *You Are Eating an Orange. You Are Naked.*: Sheung-King has written a wonderfully unexpected and maverick love story but also a novel of ideas that hopscoches between Toronto, Macau, Hong Kong, Tokyo, and Prague. It is enchanting, funny, and a joy to read. —Kyo Maclear, author of *Birds Art Life* A tale that oozes the horror and confusion of love, while staying somehow still desperately romantic. It gives the cold shoulder to the dominant gaze and its demands to control the Asian body, carving out a thrilling space beyond whiteness. I didn't want it to end. —Thea Lim, author of *An Ocean of Minutes*, finalist for the Scotiabank Giller Prize

Other Rivers Peter Hessler, 2024-07-09 An intimate and revelatory account of two generations of students in China's heartland, by an author who has observed the country's tumultuous changes over the past quarter century More than two decades after teaching English during the early part of China's economic boom, an experience chronicled in his book *River Town*, Peter Hessler returned to Sichuan Province to instruct students from the next generation. At the same time, Hessler and his wife enrolled their twin daughters in a local state-run elementary school, where they were the only Westerners. Over the years, Hessler had kept in close contact with many of the people he had taught in the 1990s. By reconnecting with these individuals—members of China's "Reform generation," now in their forties—while teaching current undergrads, Hessler gained a unique perspective on China's incredible transformation. In 1996, when Hessler arrived in China, almost all of the people in his classroom were first-generation college students. They typically came from large rural families, and their

parents, subsistence farmers, could offer little guidance as their children entered a brand-new world. By 2019, when Hessler arrived at Sichuan University, he found a very different China, as well as a new kind of student—an only child whose schooling was the object of intense focus from a much more ambitious cohort of parents. At Sichuan University, many young people had a sense of irony about the regime but mostly navigated its restrictions with equanimity, embracing the opportunities of China's rise. But the pressures of extreme competition at scale can be grueling, even for much younger children—including Hessler's own daughters, who gave him an intimate view into the experience at their local school. In Peter Hessler's hands, China's education system is the perfect vehicle for examining the country's past, present, and future, and what we can learn from it, for good and ill. At a time when anti-Chinese rhetoric in America has grown blunt and ugly, *Other Rivers* is a tremendous, essential gift, a work of enormous empathy that rejects cheap stereotypes and shows us China from the inside out and the bottom up. As both a window onto China and a mirror onto America, *Other Rivers* is a classic from a master of the form.

Making Waves Frederick Lau, Christine R. Yano, 2018-02-28 Musical sounds are some of the most mobile human elements, crossing national, cultural, and regional boundaries at an ever-increasing pace in the twentieth and twenty-first centuries. Whole musical products travel easily, though not necessarily intact, via musicians, CDs (and earlier, cassettes), satellite broadcasting, digital downloads, and streaming. The introductory chapter by the volume editors develops two framing metaphors: "traveling musics" and "making waves." The wave-making metaphor illuminates the ways that traveling musics traverse flows of globalization and migration, initiating change, and generating energy of their own. Each of the nine contributors further examines music—its songs, makers, instruments, aurality, aesthetics, and images—as it crosses oceans, continents, and islands. In the process of landing in new homes, music interacts with older established cultural environments, sometimes in unexpected ways and with surprising results. They see these traveling musics in Hawai'i, Asia, and the Pacific as "making waves"—that is, not only riding flows of globalism, but instigating ripples of change. What is the nature of those ripples? What constitutes some of the infrastructure for the wave itself? What are some of the effects of music landing on, transported to, or appropriated from distant shores? How does the Hawai'i-Asia-Pacific context itself shape and get shaped by these musical waves? The two poetic and evocative metaphors allow the individual contributors great leeway in charting their own course while simultaneously referring back to the influence of their mentor and colleague Ricardo D. Trimillos, whom they identify as "the wave maker." The volume attempts to position music as at once ritual and entertainment, esoteric and exoteric, tradition and creativity, within the cultural geographies of Hawai'i, Asia, and the Pacific. In doing so, they situate music at the very core of global human endeavors.

Notes On A Beermat Nicholas Pashley, 2010-06-01 First published in 2001 to national acclaim, *Notes on a Beermat* is Nicholas Pashley's ode to the amber nectar of the gods, a witty meditation on beer and everything that goes with it—from socializing to the solitary pleasures of a beer and a book, to the qualities necessary in a good pub. Most books about beer focus on the beverage itself, how to make it and how to buy it. *Notes on a Beermat*, the only Canadian book of its kind, explains how to drink beer and why it is absolutely necessary. With characteristic wit and charm, Pashley observes, for example, that “to ensure a steady and regular supply of beer, it was necessary to cultivate grain. This in turn transformed early man from the hunter-gatherer to the agriculturist. Even then, beer was making people smarter.” Whether you're out for an after-work drink with colleagues or you're looking for a seat at your favourite watering hole, Pashley is your guide. His stories about searching for the perfect pub, the best time of day to drink beer and the silliest pub conversation he's ever had will leave you laughing into your pint.
