Detox for Women Natalia Rose,2009-04-07 Women long for the kind of beauty and health that can only come with clean cells. Yet many women find detox plans difficult to follow and are disappointed with the results. In her ten years of working privately with celebrity clients at leading Manhattan spas, Natalia Rose has discovered that traditional detox plans don't work for adult women because their microbial balance is completely out of whack. In fact, doing the wrong kind of detox can make their symptoms even worse! Here is the solution. Rose has formulated a very specific detox prescription for women that is easy to follow and gentle on the system, yet yields fantastic results that are both immediate and lasting. In *Detox for Women*, she brings you her powerful step-by-step plan that will help you shed weight, look years younger, and radiate energy in only 28 days. Like Rose's celebrity clients, you will love this plan! Rose steers readers away from traditional detox fare like fruit and nuts and cautions against eating too much raw food too soon. And while many detox programs do not allow you to

eat at all, during the next 28 days you will enjoy Cooked foods that are easy to digest Treats like dark chocolate and wine Recipes that hark back to favorite foods like pumpkin pie and guacamole Sunshine for Breakfast! Rose's own elixir for health and beauty Great restaurants—this plan can even be tailored for eating out! You will also luxuriate in relaxing baths, get plenty of fresh air, and enjoy meals that are simple to prepare, beautiful to look at, and delicious to eat. Like Rose's clients, you will probably also find that this way of living is so easy and rewarding that you will even want to make permanent changes after the 28 days are over. With inspiring stories from real women, Natalia Rose doesn't just give you a detox prescription but also real hope for the kind of transformation you have always wanted.

The Raw Food Detox Diet Natalia Rose,2024-02-27 A top nutritionist provides her simple, proven five-level diet plan to safely make the transition to eating raw foods, and to detoxify and achieve a perfect body no matter how you eat now. The raw food craze has taken off, as raw restaurants spring up and celebrities, models, and other fans tout the effects of eating raw. However, many people who are intrigued by raw food simply don't know how to make the transition from what they're eating now, or how to achieve the benefits of eating raw without giving up their lifestyle or the foods they love. Natalia Rose, an in-demand nutritionist, shows how in *The Raw Food Detox Diet*. Whether your diet is primarily made up of meat and potatoes, or tofu and tempeh, you can incorporate the flavour and lasting health benefits of raw food into your life. Over time, our bodies build up poisons and store waste from food that is not fully eliminated. Raw food helps to detoxify the body by flushing out these poisons and setting us back on a course toward greater energy, clearer skin and shinier hair, and a slim, natural figure. But making the transition to a raw diet too quickly can have negative effects on the body. Instead, the healthier way is to make a gentle change based on your previous diet and current needs. You do not conform to *The Raw Food Detox Diet*; it conforms to you, and you choose how far you want to go. Whether you're looking to live an all-raw lifestyle, or just to improve your energy and shape while still eating the foods you love, this groundbreaking diet book will energize and inspire you to achieve your goals safely and easily.
