**Cruisicology** David Cashman, Philip Hayward, 2020-10-05 Since the 1990s the cruise industry has become one of the largest employers of musicians in the world. Thousands of professional musicians work on cruise ships daily, entertaining millions of passengers. *Cruisicology: The Music Culture of Cruise Ships* provides the first in-depth account of the culture and the industrial determinants of cruise ship music. Based on interviews with working musicians and coauthor David Cashman's experience as a cruise ship musician, this book investigates how music is organized and made onboard a cruise ship. David Cashman and Philip Hayward study the working life of musicians, why and how corporate shipping lines include music onboard their vessels, the history of musicians on passenger shipping, and the likely future directions of musical entertainment within the industry. Cashman and Hayward illustrate the positive and negative experience of artists making music every day in confined spaces with close proximity to their audiences.

**Outside the Jukebox** Scott Bradlee, 2025-05-01 From the creator of the sensation Postmodern Jukebox -- with millions of fans globally -- comes an inspirational memoir about discovering what you love and turning it into a creative movement. With student loan debt piling up and no lucrative gigs around the corner, Scott Bradlee found himself in a situation all too familiar to struggling musicians and creative professionals, unsure whether he should use the little income he had to pay his rent or to avoid defaulting on his loans. It was under these desperate circumstances that Bradlee began experimenting, applying his passion for jazz, ragtime, and doo wop styles to contemporary hits by singers like Macklemore and Miley Cyrus--and suddenly an idea was born. Today, Postmodern Jukebox -- the rotating supergroup devoted to period covers of pop songs, which Bradlee created in a basement apartment in Queens, New York--is a bona fide global sensation, having collected more than three million subscribers on YouTube while selling out major venues around the world and developing previously unknown talent into superstar singers. From its Etta James-inspired rendition of Radiohead's Creep to its New Orleans jazz interpretation of Meghan Trainor's All About That Bass, the group has established a sound like no other, crafting hits as exquisitely sublime as they are humorously absurd. But it wasn't always as easy as the YouTube videos make it look. As he worked to establish Postmodern Jukebox, Bradlee struggled through the obstacles that every self-employed artist or entrepreneur with a vision faces: how to collaborate successfully on teams with divergent visions, how to outrun the naysayers, how to chase the next innovation when your reputation makes others start to pigeonhole you, and so many of the

other challenges lining the path to success. Taking readers through the false starts, hilarious backstage antics, and unexpected breakthroughs of Bradlee's journey from a lost musician to a musical kingmaker -- and presenting all the entrepreneurial insights he learned along the way -- Outside the Jukebox is an inspiring memoir about how one musician found his rhythm and launched a movement that would forever change our relationships to our favorite songs.
