The Lovee Method Sharon Brock,2021-08-17 The LOVEE Method is a five-step mindfulness tool to cultivate emotional resilience and process difficult emotions, such as anxiety, anger, or depression. The meditation practices of LOVEE (Label, Observe, Value, Embrace, and Equanimity) have been proven by neuroscience research to reduce stress and develop self-compassion and inner strength. In this teaching memoir, health journalist Sharon Brock shares her personal story with breast

cancer and how she uses mindfulness meditation to navigate this challenging time. With honesty, courage, and humor, Sharon weaves these practices into her memoir as she reveals the emotional roller coaster one faces when coping with cancer--from the fear of death, to drastic changes in her physical body, to how the illness affects her love life. Her engaging vulnerability makes this book not only a practical guide, but also a comforting source of support for women to feel understood and not alone on this journey. This book is unique in that it highlights the intersection of science and spirituality. Sharon's story serves as evidence that Eastern modalities and Western medicine can work together for optimal healing. With the help of The LOVEE Method, Sharon grew stronger and wiser through her journey, and with this book, she hopes to help other women on this path to experience this same awakening.

Practicing the Power of Now Eckhart Tolle, 2001 A collection of simple meditations and exercises helps readers heighten their consciousness of the present and live in the moment more completely.

Quotes by Eckhart Tolle Lilith Regan, 2020-04 Realize deeply that the present moment is all you ever have. Life is the dancer and you are the dance. What a liberation to realize that the voice in my head is not who I am. Who am I then? The one who sees that. Being spiritual has nothing to do with what you believe and everything to do with your state of consciousness. Where there is anger, there is always pain underneath. Whatever you think the world is withholding from you, you are withholding from the world.

Practicing the Power of Now Eckhart Tolle, 2009-04 Presents specific practices and clear keys that show how to discover the grace, ease, and lightness that come when one sees the world in the present moment.

Stillness Speaks Eckhart Tolle, 2003 Eckhart Tolle, the bestselling author of 'The Power of Now', brings insights into the power of stillness and shows us how to become our true selves by embracing silence.

The Power of Now Eckhart Tolle, 1999-09-27 Eckhart Tolle is emerging as one of today's most inspiring teachers. In The Power of Now, already a word-of-mouth bestseller in Canada, the author describes his transition from despair to self-realization soon after his 29th birthday. Tolle took another ten years to understand this transformation, during which time he evolved a philosophy that has parallels in Buddhism, relaxation techniques, and meditation theory but is also eminently

practical. In *The Power of Now* he shows readers how to recognize themselves as the creators of their own pain, and how to have a pain-free existence by living fully in the present. Accessing the deepest self, the true self, can be learned, he says, by freeing ourselves from the conflicting, unreasonable demands of the mind and living present, fully, and intensely, in the Now.
