*Hammer Complete* Howard Maxford, 2018-12-17 A Booklist Starred Review[]; A Booklist Top 10 Reference Book "This tome contains everything anyone would want to know about the British company... [Maxford's] love for his subject is palpable... Numerous black-and-white photographs provide a sense of the period and people involved. ...a hefty read... The ultimate resource for die-hard fans of Hammer Film Productions."—Library Journal "This superb encyclopedia is likely the definitive work on Britain's most celebrated genre film producer. ...this book covers the entirety of the studio's filmography, not neglecting its forays into crime films and comedies. Although Maxford is obviously a big fan, he doesn't pull any punches about Hammer's missteps and Hammer Complete functions as a guide to film quality as well as a purely factual work. ...tons of illustrations, including rare foreign-market posters. ....A major achievement"—Booklist "Highly recommended"—ARBA "Ultimate A to Z of everything Hammer...excellent Hammer Historical Tome"—Little Shoppe of Horrors "Hammer Complete is every bit the monster as the vampire adorning its cover.... It's thorough as hell...more thorough than thorough"—Flick Attack "Deserves immense praise...there is plenty of new and insightful material here...a huge, well-researched reference book that no Hammer aficionado should be without"—Cinema Retro "Maxford is a superb writer, his book is well researched, entertaining, and good-humoured. It's also an invaluable book: if you purchase it, you will never part with it. Kudos to McFarland for producing such a well-bound and presented book. Well done! No disposable download compare to a thing of beauty and joy forever as Hammer Complete"—Hellbound "It is really hard to be not excited when a book comes out on one of your favorite studios that is just a few pages shy of a 1000! Sure, some of you that ask, do we really need another book on Hammer Films? Well if it is as massive and thorough as this one, then that would be a definite yes! I have been waiting on this book to come out since McFarland announced it well over a year ago, but had no idea how colossal of a tome this would be. Buy this book. If you are any kind of Hammer fan that craves information about the studio that dripped blood, then you must own this. It will be a never ending source of not only is a few minutes to browse through this before you come across a few titles that is going to make you want to go watch them again. That is a sign of a great book. I know I will be pulling this out each and every time I do any research on Hammer."—Kitley's Krypt "It's thorough as hell...more thorough than thorough"—Bookgasm "Massive volume...a true treasure trove of information about all things Hammer...valuable"—ICv2. Think you know everything there is to know about Hammer Films, the fabled "Studio that Dripped Blood?" The lowdown on

all the imperishable classics of horror, like *The Curse of Frankenstein*, *Horror of Dracula* and *The Devil Rides Out*? What about the company's less blood-curdling back catalog? What about the musicals, comedies and travelogues, the fantasies and historical epics—not to mention the pirate adventures? This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail, including budgets, shooting schedules, publicity and more, along with all the actors, supporting players, writers, directors, producers, composers and technicians. Packed with quotes, behind-the-scenes anecdotes, credit lists and production specifics, this all-inclusive reference work is the last word on this cherished cinematic institution.

**The EmBodyment of American Culture** Heinz Tschachler, Maureen Devine, Michael Draxlbauer, 2003 American culture has literally become fixated on the body at the same time that the body has emerged as a key term within critical and cultural theory. Contributions thus address the body as a site of the cultural construction of various identities, which are themselves enacted, negotiated, or subverted through bodily practices. Contributions come from literary and cultural studies, film and media studies, history and sociology, and women studies, and are representative of many theoretical positions, hermeneutic, historical, structuralist, feminist, postmodernist. They deal with representations and discursifications of the body in a broad array of texts, in literature, the visual arts, theater, the performing arts, film and mass media, science and technology, as well as in various cultural practices.

**International Index to Film Periodicals**, 1998

*Golden Horrors* Bryan Senn, 2015-09-03 From the grindhouse oddities to major studio releases, this work details 46 horror films released during the genre's golden era. Each entry includes cast and credits, a plot synopsis, in-depth critical analysis, contemporary reviews, time of release, brief biographies of the principal cast and crew, and a production history. Apart from the 46 main entries, 71 additional borderline horrors are examined and critiqued in an appendix.

Science Fiction, Fantasy and Horror Film Sequels, Series and Remakes Kim R. Holston, Tom Winchester, 2018-02-12 Science fiction, fantasy and horror movies have spawned more sequels and remakes than any other film genre. Following Volume I, which covered 400 films made 1931-1995, Volume II analyzes 334 releases from 1996 through 2016. The traditional cinematic monsters are represented--Dracula, Frankenstein, the Wolf Man, a new Mummy. A new wave of popular series inspired by comics and video games, as well as *The Lord of the Rings* trilogy, could never have been credibly produced without the advances in special effects technology. Audiences follow the exploits of superheroes like Captain America, Iron Man, Spider-Man and Thor, and such heroines as the vampire Selene, zombie killer Alice, dystopian rebels Katniss Everdeen and Imperator Furiosa, and Soviet spy turned American agent Black Widow. The continuing depredations of Jason Voorhees, Freddy Krueger and Michael Myers are described. Pre-1996 movies that have since been remade are included. Entries features cast and credits, detailed synopsis, critics' reviews, and original analysis.

Spook House M. L. Bullock, 2022-10-26 Unlikely friends Mallory and Beth embark on a landmark paranormal investigation--they will explore and document Derby Hill's notorious Spook House. Surrounded by forest and cut off from the modern world, the ghost hunters slowly begin to uncover the terrifying secrets behind a macabre series of murders. Unearthly forces come against the women as they uncover a legendary room and the ghosts that call it home. Will they allow the living to enter? Beth's attempts to connect with the dead residents leads her down a dangerous path--one she may not come back from if she refuses to let go of the ghosts who beckon her. Mallory's search for scientific truth leaves her wondering what's real. Will her obsession with the Spook House forever unbalance the archaeologist? Set against the backdrop of the south's notorious past, M.L. Bullock's Spook House is a dark, scary ghost story with plenty of twists and turns. I couldn't put it down! Spook House is the third installment in M.L. Bullock's Southern Gothic Series. Each book is a paranormal novella featuring southern hauntings. Other books in the collection include Being With Beau and Death's Last Darling. Find a comfy spot, preferably by a rainy window and get lost in the Spook House.
