Rachel Vail

Well, That Was Awkward Rachel Vail, 2018-02-27 Gracie has never felt like this before. One day, she suddenly can't breathe, can't walk, can't anything—and the reason is standing right there in front of her, all tall and weirdly good-looking: A.J. But it turns out A.J. likes not Gracie but Gracie's beautiful best friend, Sienna. Obviously Gracie is happy for Sienna. Super happy! She helps Sienna compose the best texts, responding to A.J.'s surprisingly funny and appealing texts, just as if she were Sienna. Because Gracie is fine. Always! She's had lots of practice being the sidekick, second-best. It's all good. Well, almost all. She's trying. Funny and tender, *Well, That Was Awkward* goes deep into the heart of middle school, and finds that even with all the heartbreak, there can be explosions of hope and moments of perfect happiness.

And Then She Was Gone Lorrhainne Eckhart, 2020-10-31 The moment Brady told his family he was engaged, his fiancée was nowhere to be found. Six months ago, Brady's true love, Cassie Arnold, walked into his hometown and his life. Everything was perfect, including their plans for their upcoming wedding—but one night, when he came home, Cassie was gone. How could she just vanish? Brady turns to his sheriff brother, Marcus O'Connell, and is stunned by what he discovers. Not only is there no trace of her, but it's as if she never existed. As they dig deeper into the days before Cassie vanished, Brady is stunned to learn of a series of mysterious phone calls, and he realizes his bride-to-be and her seemingly perfect smile were hiding dark secrets, including an unsolved murder at her family's cabin in a hometown he's never heard of. Brady soon suspects that to find Cassie, he may also have to figure out what really happened the night of the murder—and why Cassie kept it all a secret.

Stony Mesa Sagas Chip Ward, 2017-11-14 Pursued by a mad assassin after their arrest for chaining themselves to a mining site gate, Luna Waxwing and Hip Hop Hopi seek refuge in the remote village of Stony Mesa. Immersed in the diverse cultures and conflicts of the contemporary West, the young couple struggles to understand the wild lands that surround them, while trying to understand one another. There are many versions of how that Fourth of July celebration in Stony Mesa,

now known as the Apple Days Riot, unraveled but all agree that it started when Otis Dooley hit Bo Hineyman square in the back with a fresh horse turd. Splat! And the rest is history. After living for four years in wilderness, Chip Ward moved to the edge of an environmental sacrifice zone, where he organized and led several campaigns to make polluters accountable. He co-founded HEAL Utah and served on the board of the Southern Utah Wilderness Alliance for several years. Starting as a bookmobile librarian, Ward ended his library career as the assistant director of the Salt Lake City Public Library. He is the author of two books, *Canaries on the Rim: Living Downwind in the West* and *Hope's Horizon: Three Visions for Healing the American Land*. He writes regularly for Tomdispatch.com. His essay about homelessness, *How the Public Library Became the Heartbreak Hotel*, is the inspiration for the movie *The Public*, now in production.

Rez Ball Byron Graves, 2023-09-12 This compelling debut novel by new talent Byron Graves tells the relatable, high-stakes story of a young athlete determined to play like the hero his Ojibwe community needs him to be. These days, Tre Brun is happiest when he is playing basketball on the Red Lake Reservation high school team—even though he can't help but be constantly gut-punched with memories of his big brother, Jaxon, who died in an accident. When Jaxon's former teammates on the varsity team offer to take Tre under their wing, he sees this as his shot to represent his Ojibwe rez all the way to their first state championship. This is the first step toward his dream of playing in the NBA, no matter how much the odds are stacked against him. But stepping into his brother's shoes as a star player means that Tre can't mess up. Not on the court, not at school, and not with his new friend, gamer Khiana, who he is definitely not falling in love with. After decades of rez teams almost making it, Tre needs to take his team to state. Because if he can live up to Jaxon's dreams, their story isn't over yet. This book is published by Heartdrum, an imprint that publishes high-quality, contemporary stories about Indigenous young people in the United States and Canada.

The Comics Journal Library Gary Groth, Michael Dean, 2016-11-09 No comics publisher has had a greater impact — or generated more controversy — than the immensely influential EC Comics. The second and concluding volume of conversations with the creators behind the EC war/horror/science fiction/suspense line brings The Comics Journal's definitive interviews together with several never-before-published sessions, including a new interview with the legendary Jack Davis conducted by Gary Groth. It also includes: Publisher Bill Gaines on the origins of the company and his terrifying grilling before the Senate Subcommittee on Juvenile Delinquency, editor/writer/artist Al Feldstein on introducing serious science fiction to comics and his interactions with Ray Bradbury. Harvey Kurtzman on bringing realism to war comics with Frontline Combat and subversive satire to humor comics with Mad, the master of chiroscuro, Alex Toth, on the aesthetic values that guided him through a career that included drawing for EC and animating Jonny Quest, colorist Marie Severin on the atmosphere of pranks and anarchy that dominated the EC bullpen. Plus, career-spanning interviews with George Evans and Jack Kamen, rare Q&A sessions with formal experimenter Bernard Krigstein and EC writer Colin Dawkins, and a conversation between Jack Davis and award-winning alternative cartoonist Jim Woodring.

Well ... That Was Awkward Megan Montgomery, 2020-10-27 John and Em meet on the boardwalk as the moonlight dances off the Chesapeake Bay. She thinks he's gorgeous and comes down with a case of instalove. He thinks she's a panhandler and gives her five dollars. The embarrassment is enough to send Em running for a life makeover. The only problem is, she's spent the last decade looking after everyone else in her little town and now she's totally forgotten how to self-care. Adding to that garbage heap of a situation is tonight's blind date. Of course it turns out to be the man who mistook her for homeless. And, of course, he's a Navy test pilot stationed a stone's throw away from her antiques shop. All the whiskey and chocolate in the café can't help the awkwardness between Em and this cold and stoic modern-Mr. Darcy. Fortunately, their tiny, tight-knit community won't let one (or two) bad nights come between what everyone knows might just be an uncannily perfect couple. When they both let down their guard, Em and John's chemistry creates more sparks than a jet's afterburners, but there's a lot to lose if she tries-and fails-at this relationship. Unless she decides to trust John to help her navigate, Em might be stuck circling the runway in a loveless holding pattern.

It Happened One Semester Aurora Rey,2025-10-14 After years of hard work, Hudson Greene is keen to launch her tenure-track career at the illustrious Coteau College. But her first day takes an unexpected turn when she walks into new faculty orientation and discovers that Callie Shaw—her unforgettable one-night stand from the local Pride festival—is also the dean of advising. Callie loves guiding students through the chaos of academia, even if it means dealing with clueless professors. She goes with the flow, and her covert Shit Professors Say social media account provides an outlet for chronicling faculty missteps. Dating one, though? Definitely not on her syllabus. Mutual attraction proves hard to resist, and technically there's no rule against faculty-staff relationships. But between campus politics and Callie's secret, policy might be the least of their problems. Can Hudson and Callie navigate office hours and off-the-clock romance, or will their shot at love turn into an epic fail?

Horse Power and Magic George Ewart Evans,2012-03-15 The pioneering oral historian, George Ewart Evans, began to record the farming ways of East Anglia in the 1950s by listening to old men and women whose memories went back more than fifty or sixty years. Many were agricultural labourers, born before the turn of the century, who had worked on farms before the arrival of mechanisation. It was assumed at that time that horses would soon disappear from the farms, and that this was the last chance of recording the part they had played for centuries. It later became clear that this forecast was too pessimistic and in *Horse Power and Magic* (Faber, 1979) Ewart Evans describes in fascinating detail some important farms where horses continued to be beneficially used more than thirty years later. He discovered that the traditions of the older horsemen had not died out but had been passed on, in only slightly attenuated form, to a younger generation keen to farm with horses, proving that the day of the heavy horse was by no means over. He also describes vividly the ways of horse-tamers whose skills had a touch of 'magic' about them. 'Taking his works a whole, there is no doubt that George Ewart Evans will survive as a fascinating pioneer of the extra-academic recording of human history...he has found a dimension all his own. This is indeed the very stuff of history.' *Sunday Times*
