What Happy Teachers Do Michelle Auton, 2024-08-06 Discover the simple three-part self-care system that will help you stay calm in class, enjoy a good work-life balance, and keep doing the job you love. It's a cliché but it's true: teaching is the best job in the world. So why are more teachers leaving the profession than ever before? Thanks to staff shortages, accountability pressures, and heavy workloads, teachers are burning out fast. This raises the question: How do you stay happy and keep teaching? Michelle Auton has the answer. Drawing on both her own 20+ years in the profession and the experiences of her many teacher friends, Michelle has developed a three-part system to help you not just survive, but thrive in teaching. In *What Happy Teachers Do*, she takes you through these three principles: 1. Self-care: You'll learn how to deal with the unique highs and lows of the teaching year and practice good self-care every day. 2. Mindfulness: Michelle explains the neuroscience and benefits of mindfulness, and details short mindful practices that can help you in times of stress, overwhelm, exhaustion, or judgment. 3. Tapping: Tapping is an alternative treatment for physical pain and emotional distress, and can help to restore balance to your body's energy. Use these tapping—aka Emotional Freedom Techniques (EFT)—scripts in both your personal and teaching life, such as when you're having difficulty sleeping, preparing for a lesson observation, or worried about an awkward conversation with a parent. This book will help all teachers, whether you're in your first or thirty-first year of teaching, to reduce stress, prioritize self-care, and feel empowered. This is what happy teachers do.

Sitting Still Like a Frog Eline Snel, 2013-12-03 Simple mindfulness practices to help your child (ages 5-12) deal with anxiety, improve concentration, and handle difficult emotions—with a 60-minute audio CD of guided exercises. Mindfulness—the quality of attention that combines full awareness with acceptance of each moment, just as it is—is gaining broad acceptance among mental health professionals as an adjunct to treatment. This little book is a very appealing introduction to mindfulness meditation for children and their parents. In a simple and accessible way, it describes what mindfulness is and how mindfulness-based practices can help children calm down, become more focused, fall asleep more easily, alleviate worry, manage anger, and generally become more patient and aware. The book contains eleven practices that focus on just these scenarios, along with short examples and anecdotes throughout. Included with purchase is an audio CD with guided meditations, voiced by Myla Kabat-Zinn, who along with her husband, Jon Kabat-Zinn, popularized

mindfulness-based stress reduction (MBSR) as a therapeutic approach.

Autumn Bridge Takashi Matsuoka, 2004-08-03 Past and present collide when an American missionary unearths an ancient Japanese scroll and becomes entangled with the nobleman whose family's history lies in the delicate pages in this "timeless tale of intrigue and romance" (Booklist) from the author of *Cloud of Sparrows*. "One of the most impressive feats of storytelling to come along in years."—San Francisco Chronicle Books An embattled family. A centuries-old secret. An epic tale of courage, love, and betrayal. In the year 1311, in the highest tower of Cloud of Sparrows Castle, a beautiful woman sits by the window, watching as enemies gather below. As she calmly awaits her fate, she begins to write, carefully setting down on a scroll the secret history of the Okumichi clan . . . of the gift of prophecy they share and the extraordinary destiny that awaits them. For six centuries, these writings lay hidden—until they are uncovered by an American missionary named Emily Gibson, who arrived in Edo harbor in 1861. Soon an extraordinary man would enter her life: Lord Genji of the Okumichi clan, a nobleman who must defend his embattled family—and confront forbidden feelings for an outsider in his midst. Emily soon finds a mission of her own: translating Genji's ancestral history. But as Emily sifts through the fragile scrolls, she begins to see threads of her own life woven into the ancient writings. And soon a hidden history comes to life, and with it a secret prophecy that has been shrouded for centuries, and may now finally be revealed.

Unfollow Everything Amruth Raj, 2025-09-13 *Alive, Not Just Existing* is a guide for anyone who feels stuck in the noise of life — chasing deadlines, scrolling endlessly, or trying to impress others while quietly wondering: Is this all there is? This book reminds you of something simple yet powerful: you don't need to prove yourself to the world to live fully. You were born with empty hands, and you will leave the same way. What matters is not what you collect, but what you create, give, and experience along the way. Blending timeless philosophy, modern science, and practical life hacks, each chapter is a reflection on what it really means to be human: How to quiet the restless mind and find peace in ordinary moments. Why humility, gratitude, and patience make life lighter and richer. Daily rituals that protect your attention, your body, and your heart. How to let go of ego, comparison, and fear of tomorrow. How to live now, love deeply, and flow like a river toward the whole. Written in a voice that is warm, clear, and relatable, this book is not about quick fixes. It is about returning to truths you already know but may have forgotten in the rush of modern life. If you are searching for meaning, balance, or simply a reminder that life is more than survival, this book will guide you back to what matters most. Quote: "We are nothing for this world — yet within that nothing, we can choose to live with love, patience, and truth." Stop existing. Start living. Flow fully.

YOUR PEACE IS NOT NEGOTIABLE Unknown, In a world where guilt, pressure, and emotional manipulation often disguise themselves as love, *Your Peace Is Not Negotiable* is a powerful reminder that protecting your calm is not selfish — it's sacred. This book is for anyone who has given too much, who has said "yes" when every part of them wanted to say "no,"

and who is ready to reclaim their energy, voice, and self-respect without closing their heart. Through honest insights and grounded guidance, you'll learn to recognize the subtle forms of manipulation that creep into relationships — from guilt-tripping and gaslighting to emotional over-responsibility. *Your Peace Is Not Negotiable* teaches you how to set sacred boundaries that protect your emotional space and help you stand firmly in your truth. You'll discover how to say "no" with clarity, how to stop explaining your worth, and how to choose peace without apology. Each chapter weaves psychology, emotional intelligence, and spiritual awareness into practical tools you can apply in everyday life. You'll learn to tell the difference between empathy and self-erasure, to give without depletion, and to build relationships grounded in mutual respect instead of silent resentment. Most importantly, this book reminds you that boundaries are not walls — they are doors that open toward freedom, authenticity, and calm. *Your Peace Is Not Negotiable* is for those who are done confusing love with sacrifice, for those who want to live with compassion and strength at once. Because your peace is not a luxury — it's your foundation. And once you stop negotiating it, life begins to align with the quiet power of your truth.
