365 Ways to Know God Elmer L. Towns, 2015-06-05 365 Ways to Know God provides one devotional reading for each day of the year, including a key verse, devotional message, prayer, Scripture references for further study, and a key thought. As you read and pray through each devotional, exploring a different name of God each day, you will learn more about God's character. You will begin to know Him more intimately and live closer to Him than ever before. When you choose to go deeper and study the suggested Bible reading, you will develop even more understanding of the name assigned for that day. Get ready to be transformed through this devotional study as you draw near to God. "Elmer Towns know a lot about the names of God. He has lectured on the names of each of the three Persons of the Godhead and has written three best-selling

books on them...to give us information on God's names and to help us understand the nature of God from His names. Many people have used them in their Bible studies or Sunday school classes. Now, in this devotional, Dr. Towns writes to our hearts so that we can feel and apply God to our everyday living," says author Tim LaHaye in the book's Foreward. "Through the names of God, we can touch God each day in a new and different way; but most important, God can touch us daily."

Egypt 2 Canaan Stacey Cargnelutti,2023-04-09 Egypt 2 Canaan is a thought-provoking compilation of life-changing spiritual lessons to deepen your connection, restore emotional and physical health, and live the abundant life you're here for. Since its first publication in 2017 the book has proven to be a faithful companion in navigating any wilderness journey and guiding you into the promised land flowing with milk and honey. The Old Testament story of Israel's exodus from Egyptian captivity into the free and abundant land of Canaan is the perfect backdrop for E2C because it's our journey as well. Interestingly, we live in the greatest age of information and illumination ever, yet modern-day slavery is at an all-time high. With answers at our fingertips and help around every corner, why is addiction, anxiety, disconnect, self-harm, trafficking, obesity, divorce, depression, cancer, diabetes, suicide... on the rise? And why are we bent to choose stress, strife, struggle, and suffering to the high call of God and unfailing love that pursues us relentlessly? We can avoid these questions and hope for the best or ask and BE OUR BEST! Quality questions create quality lives. The truth is, we are spiritual beings in need of a spiritual source of supply. I think of Paul who said in effect, "O foolish one, who has bewitched you to not obey the truth... Do you really think you can perfect in the flesh what began in the Spirit" (Galatians 3:1-3 paraphrase)? We will never be satisfied

doing life in the shallows when designed and destined for the deep things of God and a net-breaking catch of CRAZY AMAZING! Apart from intimacy and divine revelation love grows cold, discipleship fades, souls are abandoned, and God-given visions become elusive pipe dreams. And deep calls unto deeper still! E2C is a forty-lesson journey that will challenge you on every front and help you live a free and abundant life in Christ. You will learn to... • Discern the voice of God • Release weight and improve health • Walk by faith not sight • Clear clutter and order your life • Deepen connection and cultivate intimacy • Sustain greater focus and motivation • Stop overthinking and start acting • Improve communication and increase confidence and command • Recognize and dispel fear, anxiety, depression • Stop cycles of sabotage • Know greater peace and personal power • Renew youth and more...

Code-switching with the Gods Edward O. D. Love, 2016-10-24 This volume provides the first comprehensive text edition of the Egyptian language sections of P. Bibliothèque Nationale Supplément Grec. 574 (PGM IV) and analysis of their script, language, and the bilingual spells which they are part of. The magical practices preserved in the PDM and PGM have been published for nearly a century, yet it is only recently that research has focused on investigating the complex relationship between the languages, scripts, and religious traditions they exhibit, as well as the question of who composed, copied, and practiced these spells. Focusing on the bilingual divinations, lust spell, and exorcism of PGM IV, written in the Egyptian and Greek languages - and rendered in Old Coptic scripts and the Greek script respectively - this volume analyses their textual content and ritual mechanics, contextualised among the PDM and PGM, and investigates the potential identities of the magical practitioners of late Roman and Late Antique Egypt. Encompassing the disciplines of Egyptology, Coptology, Papyrology, and Late Antique studies, this volume focuses in particular on the themes of magical practice, bilingualism, script, and the social context of magic in Egypt during the 2nd to 4th centuries CE.

365 Ways to Praise God Jerrold Lloyd Nichols, 2021-09-09 *365 Ways to Praise God* is a book with a narrow focus-namely, to praise God the Father, God the Son, and God the Holy Spirit. This is achieved by meditating on the names of God. I like to think that I have presented you with 365 nicknames for God. It is true the Trinity is identified in the Bible with a plethora of names in addition to God, such as Lord, Jehovah, Messiah, King, wonderful counselor, Mighty God, Everlasting Father, Jesus, Immanuel, rabbi, Son of man, etc. The names suggested here open a plethora of concepts that will identify the character or nature or other attributes of our majestic God. The suggested names attached to each person of the Trinity will provide you the opportunity to think about our great God in ways you may not have thought of before. As you meditate on these descriptive names, you will come to a deeper understanding of just who our Triune God is, God the Father, God the Son, and God the Holy Spirit.

In the Name of Friendship: Deguy, Derrida and Salut, 2017-11-20 *In the Name of Friendship: Deguy, Derrida and Salut* centres on the relationship between poet Michel Deguy and philosopher Jacques Derrida. Translations of two essays, Of

Contemporaneity by Deguy and How to Name by Derrida, allow Christopher Elson and Garry Sherbert to develop the implications of this singular intellectual friendship. In these thinkers' efforts to reinvent secular forms of the sacred, such as the singularity of the name, and especially poetic naming, Deguy, by adopting a Derridean programme of the impossible, and Derrida, by developing Deguy's ethics of naming through the word *salut*, situate themselves at the forefront of contemporary debates over politics and religion alongside figures like Alain Badiou and Jean-Luc Marion, John Caputo and Martin Hagglund.

The Golden Bough: The Dying God. The Mortality of the Gods The Killing of the Divine King James George Frazer, 1911 Frazer's series which attempted to define the shared elements of religious belief and scientific thought, discussing fertility rites, human sacrifice, the dying god, the scapegoat, and many other symbols and practices whose influences had extended into 20th-century culture. His thesis is that old religions were fertility cults that revolved around the worship and periodic sacrifice of a sacred king. Frazer proposed that mankind progresses from magic through religious belief to scientific thought.
