**The Dictionary of Modern Proverbs** ,2012-05-22 Collects more than 1,400 English-language proverbs that arose in the 20th and 21st centuries, organized alphabetically by key words and including information on date of origin, history and meaning.

*Within Our Gates* J. A. Williams,2016-03-03 'Augusta could not find the words to express her frustration with the banality and pettiness of this Gilded Age. This so called progressive age of invention, where her freedom to travel was curtailed and she and her like were chaperoned intensely from dawn to dusk according to a quixotic code of honour.' The story is indebted to Jane Austen's *Persuasion* and explores love and loss in a small black community in Brooklyn, New York during the 1900s. At age nineteen, Augusta Mae Johnson fell deeply in love with a handsome young jazz pianist Paul Wentworth. However, the Southern gentleman had neither fortune nor connections to recommend him, and Augusta was persuaded to break off their engagement by her aunt. What happens when they meet again eight years later when Mr Wentworth returns from Paris, a rich and celebrated musician? Set in the 1900s in the closed world of the black bourgeoisie in Brooklyn, New York, *Within Our Gates* tells the love story of two people set apart by class and money. A study of the lives and loves of three sisters, *Within Our Gates* is a satire of vanity, pretension and colour prejudice, revealing the clash between the generations as love in the community is hidden, lost, misunderstood, revealed and rekindled in the face of overwhelming odds and adversity.

**Dictionary of Authentic American Proverbs** Wolfgang Mieder,2021-09-17 Dictionary of Authentic American Proverbs offers a comprehensive reference guide for distinctly American proverbs. Compiled by Wolfgang Mieder, a key figure in the field of proverb studies, this compendium features nearly 1,500 proverbs with American origins, spanning the 17th century to present day, including a scholarly introduction exploring the history of proverbs in America, the structure and variants of these proverbs, known authors and sources, and cultural values expressed in these proverbs. Along with a comprehensive bibliography of proverb collections and interpretive scholarship, this dictionary offers a glimpse into the history of American social and cultural attitudes through uniquely American language.

**The Mermen of MerLand Kingdom** Meghan Alexis Moore, FIVE EXCITING EARTH WOMAN / MERMAN ROMANCES THE MERMAN'S JEWEL When she discovers that her husband has been unfaithful, Niamh O'Sullivan casts herself into Kinnagoe Bay and expects it to be the end. Instead she's rescued by merman Adam Spellman and taken to MerLand, an

underwater kingdom. Within a year she's borne him twins and been loved deeply, but she's wracked with guilt at the thought of the pain she caused her loved ones on Earth. Adam has the power to facilitate a return trip, but it means that Niamh has to leave him and her children behind. Can she take the chance of losing all she holds dear just to lay the ghosts of her past to rest? **THE MERMAN'S DESIRE** Twenty-year-old Erin Murphy is a curvy woman and has decided that she wouldn't change herself in order to find love. But she despairs that any man will want her as she is. Merman Jacob Spellman has always been attracted to fuller curves. He'd wondered if he was destined to settle for less than his heart's desire, until he sees Erin walking along Portobello Beach and decides that she will be his. All Erin needs is to believe that a handsome prince wants her just as she is. All Jacob needs to do is convince her that the Kingdom of MerLand is a better place than Earth. **THE MERMAN'S HEART** For twenty-two-year-old Eithne McCarthy life is a series of endless days and nights. She is married to the man who fathered her son, but their marriage is in name only. Merman Joseph Spellman feels as though his life is spinning out of control. He's feeling a dangerous and inappropriate attraction for the wife of his cousin Adam, King of MerLand Kingdom. Joseph contemplates living on Earth. Life on the planet would be better than staying on MerLand and fighting the attraction that gets stronger every day. Then he's informed that it's Eithne, Niamh's younger sister, who is his Intended mate and not the Queen. The only problem is that she lives on Earth and is married with a young son. Will she be willing to leave everything behind and move to MerLand? **THE MERMAN'S PRIZE** Twenty-year-old Angela Braithwaite has grown up with parents who are both Rastafarians. Instead of being attracted to the men of her own race as a dutiful daughter, she's had an eye for tall, blond men; the very last type of men that her parents would allow her to date or marry. Lucas Archer feels battle weary and exhausted from the events that have occurred over the last six years. He was lead guard responsible for ensuring the safety of the future King of MerLand and had failed miserably. He redeems himself by capturing the traitor and bringing him to justice. He's rewarded handsomely for his efforts but is left still feeling dissatisfied. Then he sees Angela and realizes that she is his Intended mate, and a prize just waiting for him to claim. **THE MERMAN'S CONQUEST** Eighteen-year-old Mariam El-Kashef is about to get married to a man ten years older than her own father whom he owes more money than he can repay. In a last ditch effort, she goes to Sunny Sands Beach with a large mirror in the hope of transporting herself into an alternate universe as she'd once dreamed she had done as a child. Merman Lucius Archer's life feels as though it's spinning out of control. He never imagined that he and his identical twin Lucas would ever live separate lives: one on MerLand and the other on Earth. Lucas has found his mate on Earth; if Lucius doesn't find his too, he will have to return to MerLand alone. They have grown up so incredibly close, that would feel like losing an arm. Then Lucius finds Mariam, his Intended and he will do whatever it takes to get her out of the sticky situation, but is either of them prepared for the repercussions of messing with a man dangerous enough to kill?

**"Right Makes Might"** Wolfgang Mieder, 2019-04-04 "A powerful and timely addition to the literature of rhetoric and

folklore.” —Choice In 1860, Abraham Lincoln employed the proverb Right makes might—opposite of the more aggressive Might makes right—in his famed Cooper Union address. While Lincoln did not originate the proverb, his use of it in this critical speech indicates that the fourteenth century phrase had taken on new ethical and democratic connotations in the nineteenth century. In this collection, famed scholar of proverbs Wolfgang Mieder explores the multifaceted use and function of proverbs through the history of the United States, from their early beginnings up through their use by such modern-day politicians as Barack Obama, Hillary Rodham Clinton, and Bernie Sanders. Building on previous publications and unpublished research, Mieder explores sociopolitical aspects of the American worldview as expressed through the use of proverbs in politics, women’s rights, and the civil rights movement—and by looking at the use of proverbial phrases, Mieder demonstrates how one traditional phrase can take on numerous expressive roles over time, and how they continue to play a key role in our contemporary moment.

*The Proverbial "Pied Piper"* Kevin J. McKenna, 2009 With more than one hundred-fifty books and three hundred published articles on proverb studies that have attracted wide attention of folklorists around the world, it is little wonder that international scholars look upon Wolfgang Mieder as the modern-day Pied Piper of paremiology. For this festschrift, some of the world's leading proverb and folklore scholars have come together to commemorate Mieder's sixty-fifth birthday. Authors from Russia, Eastern and Western Europe, Israel, and the United States have contributed essays representative of the scope and breadth of Mieder's own impressive scholarship. The Proverbial «Pied Piper» honors Wolfgang Mieder's legendary contributions to the study of proverbs and contains new scholarship by some of the best paremiologists in the world.

**Poison Ivy Vol. 3: Mourning Sickness** G. Willow Wilson, 2024-09-24 BACK IN GOTHAM CITY! It's the dawn of a new day as Pamela Isley makes her return to Harley and Gotham City with the world's most adorable admin in tow. As Poison Ivy reluctantly investigates the inner workings of a strange new skyscraper in Gotham, she finds herself up to her neck in a surreal and slimy mystery. And at its center? A brand-new villain in the Poison Ivy pantheon of rogues! Could Killer Croc hold the secret necessary to saving the citizens of Gotham? Ivy must come face-to-face with her own unintended horrors while simultaneously making a horrifying discovery about her own strange new body. Collects issues #13-18 of the GLAAD Media Award-winning phenomenon by G. Willow Wilson, Marcio Takara, Luana Vecchio, and Arif Prianto.

Love in Black and White William S. Cohen, Janet Langhart Cohen, 2007 Most Americans regard the World War II period as belonging to the greatest generation, but it was also a time when religious intolerance and racial violence flourished. It is within this world that this compelling memoir is set. Against impossible odds, Bill would be elected to serve his country as a U.S. Congressman and Senator, and Janet would become a prominent television personality, activist, and highly respected businesswoman and author. This powerful book is one of inspiration, hope and ultimately the redemption of America's soul.
