A Praying Life Paul E. Miller, 2017-04-05 More than 300,000 copies sold This book will be like having the breath of God at your back. Let it lift you to new hope. --Dan B. Allender, PhD, author of *Bold Love* This new edition includes an expanded chapter on using the practical prayer cards--a hallmark of the teaching found in *A Praying Life*--and a chapter on the need and use of prayers of lament. Prayer is so hard that unless circumstances demand it--an illness, or saying grace at a meal--most of us simply do not pray. We prize accomplishments and productivity over time in prayer. Even Christians experience this prayerlessness--a kind of practical unbelief that leaves us marked by fear, anxiety, joylessness, and spiritual lethargy. Prayer is all about relationship. Based on the popular seminar by the same name, *A Praying Life* has disciplined thousands of Christians to a vibrant prayer life full of joy and power. When Jesus describes the intimacy He seeks with us, He talks about joining us for dinner (Revelation 3:20). *A Praying Life* feels like having dinner with good friends. It is the way we experience and connect to God. In *A Praying Life*, author Paul Miller lays out a pattern for living in relationship with God and includes helpful habits and approaches to prayer that enable us to return to a childlike faith.

Summary of Paul E. Miller's A Praying Life Everest Media,2022-07-02T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The most common frustration with prayer is the activity itself. We last only about fifteen seconds, and then our minds are off on a tangent. We catch ourselves and try to pray, but we can't because our prayer antennae are badly damaged. #2 We have a prayer list, but praying through the list gets tedious and nothing seems to happen. The list becomes long and cumbersome, and we lose touch with many of the needs. #3 American culture is the hardest place in the world to pray. We are so busy that when we slow down to pray, we find it uncomfortable. We prize accomplishments, production, and intellect. We can do life without God, and praying seems unnecessary. #4 Prayer is odd. We are talking to air when we pray, and we don't know how or when a spirit will show up. Most Christians feel frustrated when it comes to prayer.

A Loving Life Paul E. Miller,2014-01-31 Having successfully helped readers develop a solid prayer life with the best-selling release of *A Praying Life*, author Paul Miller applies his expertise to an even more important issue—love. After all, love is what holds all things together, it's what we're looking for, it's what we all need, and it's what we must learn how to give. But loving people is hard. Our neighbors, friends, kids, spouses, and even our enemies require a relentless, self-giving demonstration of love that only God can produce within us. Taking his cues from the perseverance and faithfulness portrayed in the book of Ruth, Miller sheds light on a biblical portrait of love that is sure to give us hope and transform our souls. Here is the help we need to embrace relationship, endure rejection, cultivate community, and reach out to even the most unlovable as we discover the power to live a loving life.

Reaching Gen Z with the Gospel in the College Classroom Gregory J. Rummo, 2025-01-17 The majority of students on college campuses currently are members of Generation Z. They are the most stressed cohort to ever embark on their journey through higher education, reporting “the highest stress levels of any generation in the country,” according to The American Psychological Association, as well as the highest suicide rate. This is the field, white unto harvest, into which God has called professors at Christian universities. But are they up to the challenge of reaching their students for Christ? Palm Beach Atlantic University’s triperspectival motto, “enlightening minds, enriching souls and extending hands,” provided a unique foundation for Gregory J. Rummo to build a program to fulfill these goals and effectively reach students with the gospel. This book details the results of research into how he accomplished this. Through faith integration in the classroom and laboratory, practicing radical hospitality in his school office, and offering missional opportunities through short-term mission trips to the developing world, Rummo has had countless occasions to help students mature in their faith. The methods offered here, although designed to reach students in STEM classes, can provide a template to any professor looking to effectively reach students in any discipline with the gospel.

The Making of Evangelical Spirituality Jason Cherry, 2023-01-05 How did it come to be that evangelicals expect individualized, extrabiblical revelation from God? What has happened culturally, historically, and theologically to make this the ubiquitous assumption of evangelical spirituality? *The Making of Evangelical Spirituality* is a compound of history and theology applied to the subject of evangelical spirituality—specifically, the phenomenon of evangelicals thinking “God spoke to me” in a still, quiet voice. The story is complex, multifaceted, and urgently in need of telling. Few Christians know the history of the spiritual expectations heaped upon them. Few know the individuals who gave shape to evangelical spirituality,

spiritual chieftains who were often guided by uniquely ephemeral, social, and cultural forces. There is no towering figure like Martin Luther that stands as the lone front man for the esoterica of evangelical spirituality. Instead, it's the osmosis of many fascinating people struggling through life in the storm of worldly and cultural momentum. This book is the story of those hermits, monks, reformers, heretics, politicians, outcasts, and preachers who gave shape. Failure to tell the story now risks it becoming just another part of historical compost, threatening to make evangelicals forever ignorant of what they are tossing into the garden of their soul.

J-Curve Paul E. Miller, 2019-06-24 Do we have the wrong map for the Christian life? Life's inconveniences, disappointments, and trials can leave us confused, cynical, and eventually bitter. But the apostle Paul traces out the path of dying and rising with Jesus—what Paul Miller calls the J-Curve—as the normal Christian life. The J-Curve maps the ups and downs of daily life onto the story of Jesus. It grounds our journeys not in some abstract idea but in union with Christ and his work of love. Understanding our lives in light of the J-Curve roots our hope, centers our love, and tethers our faith to Christ.

The Prayer Powered Entrepreneur Kim Avery, 2019-12-31 “A practical and powerful resource for any business owner who desires to do business led and empowered by God.”—Shae Bynes, author of *The Kingdom Driven Entrepreneur's Guide* While Christian entrepreneurs start their days with prayer, the hustle and bustle of running their own businesses quickly takes focus away from their vital partnership with the almighty God. As a result, prayers for business are often broad, unfocused,

and strictly tied to the entrepreneur's vision of ideal results. The Prayer Powered Entrepreneur model walks entrepreneurs through 31 days of recognizing God as CEO through an inside-out system of praying for transformation: In themselves Their relationship with God Their relationship with others Their relationship with their business Culminating in praying for the impact they want their business to have in the world. Kim Avery encourages entrepreneurs to keep God at the center of everything, praying in alignment with the things He has already promised, and anticipating His daily activity in their lives. During this month-long journey, business owners learn how to build a better business, live a better life, and make a bigger impact—all through the simple practice of inside-out prayer. "Kim Avery gives everyone who is called into such an entrepreneurial challenge a wealth of wisdom and an easy-to-implement practical tool to keep one going. Don't miss out on The Prayer Powered Entrepreneur! One does not have to face this challenge alone."—Bob Allums, director of A Praying Life Seminars from seeJesus Ministries, seeJesus.net "A gold mine of inspiration, encouragement, and next steps toward a deeper relationship with God."—Marnie Swedberg, international leadership mentor & conference speaker

The Great Dechurching Jim Davis, Michael Graham, Ryan P. Burge, 2023-08-22 We are currently experiencing the largest and fastest religious shift in US history. It is greater than the First and Second Great Awakening and every revival in our country combined...but in the opposite direction. Yet precious little rigorous study has been done on the broad phenomenon of dechurching in America. Jim Davis and Michael Graham have commissioned the largest and most comprehensive study of dechurching in America by renowned sociologists Dr. Ryan Burge and Dr. Paul Djupe. The Great Dechurching takes the insights gleaned from this study to drill down on how exactly people are dechurching with respect to beliefs, behavior, and belonging. This book gives the church in America its first ever deep dive into the dechurched phenomenon. You'll learn about the dechurched through a detailed sketch of demographics, size, core concerns, church off-ramps, historical roots, and the gravity of what is at stake. Then you'll explore what can be done to slow the bleed, engage the pertinent issues winsomely and wisely, and hopefully re-church some of the dechurched.
