

Another One Bites The Dust Piano

Rough Guides (Firm)

The Queen Chronology (2nd Edition) Patrick Lemieux, Adam Unger, 2018-04-11 REVISED & EXPANDED 2ND EDITION The Queen Chronology is a comprehensive account of the studio and live recording and release history of Freddie Mercury, Brian May, John Deacon and Roger Taylor, who joined forces in 1971 as the classic line-up of the rock band Queen. Years of extensive research have gone into the creation of the Chronology, which covers the very beginnings of band members' careers, their earliest songwriting efforts and recording sessions, through the recording and releasing of Queen's 15 original studio albums with their classic line-up, to the present-day solo careers of Brian May and Roger Taylor. All of this information is presented date by date in chronological order, with detailed descriptions of each song version, including those both released and known to be unreleased. Every Queen and solo album, single, non-album track, edit, remix and extended version is examined, as are known demos or outtakes, pre-Queen recordings and guest appearances.

Queen: Complete Works (revised and updated) Georg Purvis, 2018-10-30 Clashing together outrageous musical influences, and extravagant visual imagery, Queen's place in history as the greatest glam band of them all is rock solid. Their fan base continues to grow, over 25 years on from the death of Freddie Mercury, Queen's flamboyant, unforgettable front man. Georg Purvis's meticulous, session-by-session, song-by-song, album-by-album, tour-by-tour record of the band's progress is the complete reference source that Queen fans have been waiting for. If you love the Champions of Rock, it's all here: The Band - detailed insights into Freddie Mercury, Brian May, Roger Taylor and John Deacon including bands the members formed outside of Queen and solo endeavours The Albums - detailed production history and analysis of every album, including solo releases The Sessions - In depth coverage from the early days via A Night at The Opera all the way to Made in Heaven The Songs - hundreds of individual entries on all the famous recordings, as well as obscure, unreleased rarities The Tours - set-lists and histories of every Queen and Queen-related live show including Queen + Adam Lambert The Videos - a complete guide to Queen's groundbreaking video work The Movies - Flash Gordon, Highlander and 2018's Bohemian Rhapsody biopic Plus - the reunion shows with Paul Rodgers, Adam Lambert, the radio sessions, the costumes, the parties and much, much more...

Queen Georg Purvis, 2007 Mixing and clashing an outrageously eclectic set of influences—the close harmonies of the Beatles, the guitar pyrotechnics of Jimi Hendrix, the heavy sound of Led Zeppelin, and the glamour of David Bowie—Queen

found a winning formula by channeling this strange cocktail through its charismatic frontman, Freddie Mercury. More than a decade after Mercury's death, Queen's fan base continues to grow. This meticulous, session-by-session, album-by-album, tour-by-tour chronicle of the band is the book that Queen fans have been waiting for.

Queen: The Complete Works Georg Purvis, 2012-08-28 Clashing together outrageous musical influences and extravagantly visual imagery, Queen's place in history as the greatest glam band of them all is rock solid. Their fan base continues to grow, a decade and a half on from the death of Freddie Mercury, Queen's super-charismatic front man. Georg Purvis's meticulous, session-by-session, song-by-song, album-by-album, tour-by-tour record of the band's progress is the complete reference source that Queen fans have been waiting for. If you love the Champions of Rock, it's all here: The Band - detailed insights into Freddie Mercury, Brian May, Roger Taylor and John Deacon The Albums - detailed production history and analysis of every album, including solo releases The Sessions - in depth coverage from the early days via A Night at The Opera all the way to Made in Heaven The Songs - hundreds of individual entries on all the famous recordings, as well as obscure, unreleased rarities The Tours - set-lists and histories of every live show The Videos - a complete guide to Queen's groundbreaking video work The Movies - Flash Gordon, and other projects Plus - the reunion shows with Paul Rodgers, the radio sessions, the costumes, the parties and much, much more...
