Adventurer's Guide H. T. Martineau, 2025-03-04 When young Mara Green first entered Ambergrove in *Ranger's Odyssey* and learned that what she thought was fantasy was actually another world—a real world—that was the land of her ancestors, Ambergrovian DUNGEONS & DRAGONS was the natural next step. *Dawn of the Dragonwolf*, a campaign and mini core book, allowed players to create Ambergrovian characters and play adventures that follow Mara's journey in *Ranger's Odyssey*. However, at that time, Mara's adventure was only just beginning. This full *Adventurer's Guide* places players in the age after Mara's adventures, the age when magic has returned to Ambergrove, and other elements that had long-since been lost to time have returned with it. Your Ambergrovian *Adventurer's Guide* includes: § Seven playable races, ten subraces, and dozens of half-race combinations § Nine classes, twenty-five subclasses, and five class spell books § Seven player characters from the *Dragonwolf* trilogy and five player characters from *Hammer and Flame* § The Ambergrovian language, Grovish, plus a QR code for the free downloadable font § Additional worldbuilding information such as backgrounds, special items, companion creatures and other encounterable creatures, Ambergrove's pantheon, NPCs from the books, and more! Want to create a half Gnome and half Mining Dwarf earth Elementalist, a generic human from Minnesota who's suddenly fighting monsters in a fantasy land, or even just play a game as a beloved book character? You can! Let this comprehensive guide take you deep into Ambergrove, and experience this world for yourself.

Dawn of the Dragonwolf H. T. Martineau, 2023-05-03 Take three adventures in the world of Ambergrove, following events in *Ranger's Odyssey* by H. T. Martineau. But first, learn the playable races and classes of Ambergrove and how 5e

translates to this world! Excerpts from the book, character information, and details about Ambergrove are included along with battle maps and stats. All three adventures are fully playable without reading the book. • The Caves of Chittering Darkness—follows Mara as she leaves her home, faces her first battle, and completes her first trial to earn her gnomish companion. • The Serpent's Gauntlet—continues the main story as Mara and company sail through the Ice Mountains and undergo a trial for the sea elves. • The Trickster and the Badger—a shorter game that follows a standard dungeon crawler structure, based on the story Mara's uncle tells her about her father's trial in Paeor's Game. Play one adventure or all three! Use your knowledge of tabletop role-playing games to level the adventures for your players, use premade characters from the book, or just create an Ambergrovian player character for your own adventure. Purchase includes digital downloads of all six battle maps and the world map. AMBERGROVE AWAITS! ARE YOU READY? Check out the books at your local library or your favorite bookstore! How to Defend Your Lair Keith Ammann, 2022-11-29 The world is a dangerous place--especially when you're up to no good. Whether you're a rampaging monster, a calculating mastermind, or the current possessor of the Golden MacGuffin, someone's going to come at you. Probably more than one someone. You can't know when, but you can choose where. You need to be ready. You need a lair. In *How to Defend Your Lair*, gamemaster Keith Ammann pulls back the curtain on an underrated but crucial part of any tabletop roleplaying game: the theater of battle. Say goodbye to encounters in randomly generated dungeons and hello to a game in which where the fight takes place is just as important as who is doing the fighting. This book teaches you how to use real-world principles of building security and area defense to create strongholds infused with flavor, informed by narrative, and complex enough to force your players to think strategically. You'll look at the strengths and weaknesses of both defenders and potential attackers, creating spaces that are strong enough to keep out ordinary intruders...and to provide thrilling challenges to extraordinary ones.--
